Town Election - March 1, 1971

Agreeable to the warrant signed by the Selectmen on February 2, 1971, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 1, 1971, at six o'clock in the forenoon.

Election Officers, appointed by the Selectmen in accordance with law, were sworn by the Town Clerk and assigned to duty.

The meeting was called to order, the warrant read and the polls were declared open. At eight o'clock in the evening the polls were declared closed at which time the ballot boxes registered 4,636 as ascertained by the Warden. The check lists at the entrances showed the names of 4,636 voters having cast ballots as ascertained by the Warden.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

Warrant For Annual Town Meeting

Monday, March 1, 1971

To either of the Constables of the Town of Stoneham in the County
of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 1, 1971 at six o'clock in the forenoon to act on the following articles of this warrant:

Article 1. To choose the following officers, and to consider the following questions:

- One (1) Moderator for one (1) year.
- Two (2) Selectmen for three (3) years.
- Two (2) Selectmen for two (2) years.
- One (1) Selectman for one (1) year.
- One (1) Assessor for three (3) years.
- One (1) Assessor for one (1) year.
- One (1) member of the School Committee for three (3) years.
- One (1) member of the Board of Health for three (3) years.
- Two (2) Trustees of the Public Library for three (3) years.
- One (1) member of the Board of Public Works for three (3) years.
- One (1) member of the Planning Board for five (5) years.
- One (1) member of the Stoneham Housing Authority for five (5) years.
- Nine (9) members of the Charter Commission for one (1) year.

"Shall a commission be elected to frame a charter for the Town of Stoneham?"

"Shall the local mass transportation service in this town be discontinued?"

"Shall licenses be granted in the Town of Stoneham for the sale therein of all alcoholic beverages by clubs and war veterans' organizations?"

All on one ballot.

The polls for the annual Town Election shall be closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet in Junior High School at 7:30 o'clock in the evening of March 8, 1971, in accordance with provisions of Article I, Section 2 of the By-Laws of the Town of Stoneham.

Article 2. To choose all other necessary town officers for the year ensuing in such manner as the town may determine.

Article 3. To hear the reports of the town officers and committees and act thereon and to choose committees.

ARTICLE 4.

To see if the town will vote to fix the salaries of the several elective officers and boards of the town for the current year.

ARTICLE 5.

To see if the town will vote to raise and appropriate, from taxation or by transfer from available funds, such sums as may be necessary to defray Town charges for the ensuing year.

TOWN ACCOUNTANT

ARTICLE 6.

To see if the Town will vote to establish a Reserve Fund, under provisions of Chapter 40, Section 6 of the General Laws, and raise and appropriate a sum of money therefore, from taxation or by transfer from available funds.

FINANCE AND ADVISORY BOARD

ARTICLE 7.

To see if the Town will vote to instruct the Board of Assessors to use a certain sum of money for the reduction of the 1971 tax rate.

TOWN ACCOUNTANT

ARTICLE 8.

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971 and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

BOARD OF SELECTMEN

ARTICLE 9.

To see if the Town will vote to amend Article 1, Section 2 of the Town By-Laws by adding the following: and on the following Thursday at 7:30 o'clock P. M. and every consecutive Monday and Thursday

thereafter at 7:30 o'clock P. M. until the business before the Town in the Annual Town Meeting Warrant is completed.

FINANCE AND ADVISORY BOARD

ARTICLE 10.

To see if the Town will vote to amend the zoning by-law, by rezoning from present Resident B District and Resident A District to Retail Business District, the following described area:

A certain parcel of land with the buildings thereon at 122 Main Street, situated on the Easterly side of said Main Street, and being shown as Lot 1 on a plan entitled, "Subdivision of Land in Stoneham, Mass., for O. L. & B. M. Locke", dated August 8, 1964, Francis E. Burke, Reg. Land Surveyor, which plan is duly recorded with Middlesex South District Registry of Deeds, Book 10715, Page 52, and further bounded and described as follows:

WESTERLY by Main Street, 192.50 feet;
NORTHERLY by Broadway, 113.77 feet;
EASTERLY by Lot 2, 105.96 feet;
NORTHERLY again, by said Lot 2, 26.74 feet;
EASTERLY again, by land of Lucey, 76.23 feet; and
SOUTHERLY by a passageway, as shown on said plan, 137.64 feet.

Said parcel containing 23,120 square feet, more or less.

OSBORNE L. LOCKE, ET UX

ARTICLE 11.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham dated March 31, 1969, and all amendments thereto by adding in Article I Section 1 a new number to read, "9. Special Development District" and to add to Article I a new section known as "Section 21. Special Development District" and the following:

A. Intent and Purposes

A Special Development District is intended to conserve open space by providing for its efficient allocation, distribution, use and maintenance. It is also intended to allow economy and efficiency in the installation, construction, operation and maintenance of streets, utilities and public facilities. It recognizes that in appropriate circumstances and under appropriate conditions, a mixture of office, business, research and development, light manufacturing incidental to research and development, recreational and residential uses is socially desirable.

B. Uses Permitted

1. Public parks;
2. Churches, cemeteries and public and private non-profit schools;
3. Subject to the following regulations and provided the Board of Selectmen finds that the uses are designed and intended to accomplish the intent and purpose of the district, issues a special permit and approves a site plan as required by Article 1, Section 18 of the Zoning By-law of the Town of Stoneham, and that the Town Counsel is satisfied, or a decree of the Land Court has confirmed, that the land is free and clear of any encumbrances which would impede the placing of a restrictive covenant concerning the use of open land.
 - a. Apartment houses and multiple dwellings;
 - b. Parking areas or garages designed primarily to serve the occupants and employees of the development;
 - c. Office uses;
 - d. Research and development and light manufacturing incidental thereto;
 - e. Golf courses and appurtenant facilities;
 - f. Public parks and preserves;
 - g. Hiking and riding trails;
 - h. Arboreta and botanical gardens and appurtenant facilities;
 - i. Bird, fish and game sanctuaries;
 - j. Swimming and skating;
 - k. Outdoor court or field sports; and
 - l. Indoor recreational uses such as exercise room, sauna baths, indoor swimming pools and squash courts;
 - m. Nursing homes.

C. Dimensional Regulations

The uses described in Paragraph B, 3a, b, c, and d, shall be permitted only if the following regulations relating to the density and intensity of land use shall be met:

1. Minimum gross area for the development: Seventy(70) acres:
2. Maximum gross area for the development: Two hundred (200) acres;
3. Maximum densities by use as follows:
 - a. Residence: Ten (10) dwelling units per acre of net area of the development.
 - b. Office, business, research and development and light manufacturing incidental thereto: 6,000 square feet of floor area per acre of net area of the development.

Net area shall be computed by subtracting the area of streets within the development from its gross area.

4. No building shall be constructed within one hundred (100) feet of another district except that where a special development district abuts a cemetery, town-owned land, or open recreation land, buildings may be constructed within fifty (50) feet of such line.
5. There shall be two (2) square feet of open space for every one (1) square foot of residential floor area.
 - a. Open space shall be defined as land left substantially in a natural state or developed for recreational use only. It shall not include street rights-of-way, open parking lots, service or loading areas, driveways, or ground area covered by any structure other than those structures directly related to an open space or recreational use. Open space shall include one-half the total area of improved roof areas designed and intended for recreation or enjoyment of the residents of the development, as well as one-half of the covered open space (not used for parking or storage purposes) under building, on piers or columns, within breezeways or covered balconies.
 - b. Floor area shall be defined as the sum total of the areas of the several floors devoted to residential use, measured from the faces of the exterior walls of the building. Floor area shall include dwelling units, halls, lobbies, stairways, elevator shafts, interior storage areas, and the basement if and to the extent it is used for residential purposes. Floor area shall not include open exterior balconies, any terraces, patios, atriums, or porches which are not covered, any carports completely enclosed within a structure or any interior area used for mechanical equipment, such as laundry, air-conditioning, heating and incineration equipment. Land conveyed by the development to the Town, a home owner's association or other non-profit organization, subject to the restriction that it shall be left substantially in a natural state, or developed for recreational use only, shall be included in computing the gross area of the development and the required open space.
6. Off-street parking requirements shall be governed by Article I Section 12B of the Zoning By-law of the Town of Stoneham, except that no more than two hundred (200) spaces may be allowed in any one surface parking lot. All except 5% of residential parking shall be on or in structures.
7. Setback requirement - For offices and research and development laboratories and light manufacturing incidental thereto,

and for multiple dwellings and apartment houses, the setback shall be fifty (50) feet from the right-of-way of exterior streets.

8. Multiple dwellings and apartment houses shall be separated by a distance equal to one-half (1/2) the height of the higher building.
9. The ground area coverage of buildings shall not exceed twenty (20) percent of the gross land area of the special development.
10. The height of a building shall not exceed one hundred and twenty (120) feet, or ten stories, whichever is less, except for elevator shafts and other normal roof appurtenances.

D. Required Conditions for Development

1. All utilities within a special development shall be installed underground.
2. There shall be a satisfactory design and location of collection points for the disposal of solid wastes and trash, approved by the Stoneham Board of Health.
3. Lighting shall be provided on streets and other public spaces in accordance with the Rules and Regulations of the Selectmen of the Town of Stoneham.
4. There shall be a fire alarm system as required by the Fire Department of the Town of Stoneham.
5. Within a special development, vehicular and pedestrian circulation shall be provided in accordance with the Rules and Regulations of the Planning Board.

E. Procedure

1. Each application for a special permit for a special development shall be accompanied by an original and twelve (12) prints of a site plan, confirming to Section 18 of the Zoning By-law of the Town of Stoneham, and showing the location of streets, sidewalks, landscaping, utilities, drainage and structures.
2. Circulation - Accompanying each copy of the site plan shall be a circulation plan showing the street system and circulation patterns within and adjacent to the proposed development.

ARTICLE 12

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by revising the "Zoning Map of the Town of Stoneham, Massachusetts" dated March 1967, as amended from time to time thereafter, by adding a Special Development District as heretofore defined and set forth so as to include in the Special Development District that land most of which is presently designated as Residence "A-1" and a small part of which is presently designated as Residence "B" and hereinafter is to be designated "Special Development District" which is bounded and described as follows:

NORTHEASTERLY by William Street from the boundary line between Stoneham and Woburn by four courses and including land now or formerly of Unicorn Golf & Country Club, Inc., known as the Arnold House, totaling eight hundred thirty-three and 67/100 (833.67) feet;

EASTERLY by land of owners unknown, eighty-five (85) feet;

NORTHERLY by the same, seventy-two (72) feet;

EASTERLY by the same, fifteen (15) feet;

NORTHERLY by the same, three hundred eighty-five and 63/100 (385.63) feet;

NORTHEASTERLY and EASTERLY by the same, by several courses totaling one thousand eight hundred fifty-four and 71/100 (1,854.71) feet;

SOUTHERLY by land of the Town of Stoneham (cemetery), one thousand three and 40/100 (1,003.40) feet;

EASTERLY by the same, thirty and 22/100 (30.22) feet;

SOUTHEASTERLY by land of owners unknown, nine hundred eight and 49/100 (908.49) feet;

EASTERLY by the same, about four hundred forty-seven (447) feet;

SOUTHERLY by land now or formerly of Ruth A. Hunderson, twenty-five (25) feet;

EASTERLY by the same, about eighty (80) feet;

SOUTHERLY by Montvale Avenue by two courses totaling about two hundred ninety one (291) feet;

WESTERLY by the boundary line between Stoneham and Woburn, about three thousand four hundred seven (3,407) feet.

ARTICLE 13.

To see if the Town will vote to authorize the Assessors to enter into a contract for an expert appraisal of the taxable property within the town as provided under section 4, of Chapter 40, of the General Laws, as amended by Chapter 63 of the Acts of 1966, and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds or by borrowing as provided under the provisions of Section 7, of Chapter 44 of the General Laws, as amended by Chapter 63 of the Acts of 1966.

BOARD OF ASSESSORS

ARTICLE 14.

To see if the Town will vote to amend the by-laws of the Town of Stoneham by adding a new section to Article XII, to be known as section 26 of miscellaneous provisions and to read as follows:

Article XII, section 26, no person shall, upon any of the public streets, public grounds, parking lots, commons, vacant lands whether public or private, conduct himself in a disorderly manner which in any way may disturb the quiet of any person. All areas known as parks, playgrounds, playfields, commons, public grounds or recreation areas, shall be closed during the hours of 10:00 P.M. and 6:00 A.M. on all days, excepting functions or uses under the direct control of the Board of Selectmen or Stoneham Board of Public Works, or with the specific permission of either body.

POLICE CHIEF

ARTICLE 15.

To see if the Town will vote to raise and appropriate a sum of money to purchase three (3) new automobiles for use of the Police Department, authorize the disposal of three (3) automobiles now in service, authorize the Board of Selectmen to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

POLICE CHIEF

ARTICLE 16.

To see if the Town will vote to authorize the appointment of four (4) permanent members of the Police Department, raise and appropriate money therefore, or do anything in relation thereto.

POLICE CHIEF

ARTICLE 17.

To see if the Town will authorize the Board of Health to enter into a contract, for a term of not more than three (3) years, for the removal and disposal of garbage and raise and appropriate a sum of money to provide for this service, or do anything in relation thereto.

ARTICLE 19.

To see if the town will amend the zoning by-law by deleting subsection 2 of Section 6, from Article II of the zoning by-law.

RONALD W. SLOCUM and
Ten Others

ARTICLE 20.

To see if the town will vote to amend the Zoning By-laws by adding to the present limits of the Residence A district as heretofore defined so as to extend the Residence A district into the following described areas:

Beginning at a point at the junction of the southerly side of Marble Street and the Westerly side of Main Street; thence the line runs in a general Southerly direction by the Westerly side of Main Street to a point to the Northeasterly corner of a parcel of land presently zoned for retail, said retail land as shown on Zoning Map of the Town of Stoneham, Massachusetts dated March 1967; thence the line turns and runs in a Westerly direction one hundred feet (100.00) along said retail land; thence the line turns and runs in a Northerly direction parallel to the Westerly side of Main Street to a point at the Southerly side of Marble Street; thence the line runs Easterly along the Southerly side of Marble Street to the point of beginning.

Beginning at a point on the Easterly side of Main Street and the Southerly side of Summer Street, thence the line runs in a general Southerly direction by the Eastern side of Main Street to a point on the Easterly side of Main Street and the Northerly side of South Street;

Thence the line turns and runs in an Easterly direction along the Northerly side of South Street for one hundred feet (100.00);

Thence the line turns and runs in a general Northerly direction parallel to the Easterly side of Main Street to a point on the Southerly side of Summer Street;

Thence the line turns and runs in a Westerly direction along the Southerly side of Summer Street to the point of beginning.

Excluded from the extension of the Residence A district aforementioned are those two parcels of land presently zoned for retail business, one at the Southeasterly junction of Summer and Main Streets and the second at the Northeasterly junction of Main and South Streets as shown on Zoning Map of the Town of Stoneham, dated March 1967.

Meaning to add to the present limits of Residence A district of the Town of Stoneham all of the land zoned B on the Westerly side of Main Street from the South side of Marble Street to a point 340 feet south of the Southerly side of Kenwood Road, said point being the beginning of the aforementioned retail district and also that land which is presently zoned B on the Easterly side of Main Street from the South side of Summer Street to the North side of South Street, excepting the two parcels of land aforementioned, presently zoned retail.

To see if the Town will vote to raise and appropriate the sum of \$5,000 for the establishment of an Emergency Communication Center, to provide for the safety of the Town of Stoneham and the Commonwealth of Massachusetts during the existence of an emergency resulting from a disaster or from hostile action, determine in what manner the said appropriation shall be raised from taxation or by transfer from available funds or do anything in relation thereto.

BENNIE PASQUARIELLO
DIRECTOR OF CIVIL DEFENSE

ARTICLE 34.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by deleting Section 12B, subsection c of Article I, and to insert a new sub-section c as follows:

(c) Such parking facilities shall be designed with appropriate maneuvering areas and with appropriate vehicular access to a street or alley. They shall be suitably graded, surfaced and drained so as to dispose of all surface water without detriment to surrounding uses. They may be provided within or outside a structure, above or below ground. They may be provided on the same lot or premises as the use and structure for which they are intended or on any lot of same use of which at least a substantial portion is within 600 feet of such use or structure, or on a lot which is within 600 feet of such use or structure and is in a less restrictive zone. The required parking for any two or more uses or structures may be provided by the allocations of the total of the various spaces required for each use or structure in a common parking facility cooperatively established and operated.

Building Inspector
Planning Board.

ARTICLE 35.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by deleting from Article II, Section 9, subsection 26 the numeral 180 and inserting in lieu thereof the numeral 200.

Building Inspector
Planning Board

ARTICLE 36.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by deleting Sub-section c. of Article I, Section 3 and inserting a new Sub-section c. to Article I, Section 3 to read as follows:

c, SETBACK AREA. In Residence "B" Districts no part of any building including any garage attached thereto, except uncovered steps shall be built, altered, enlarged, or moved within fifteen (15) feet of any street line, nor within ten (10) feet of a side lot line, nor within twenty (20) feet of any other building not an accessory building, on the same lot, except that apartment buildings intended for occupancy by more than two families shall not be within thirty (30) feet of a side lot line or within sixty (60) feet of any other building not an accessory building on the same lot provided, however, that cornices may be extended two feet and chimneys and one story portions three and one-half feet nearer a lot line, private way or other building.

Building Inspector
Planning Board

ARTICLE 37.

To see if the Town will vote to accept a gift of \$200,000 from Mrs. Angie Crockett as a contribution toward the construction of a new Police Station in memory of her late husband, James B. Crockett, under the following provisions: That upon acceptance of such gift the Town shall proceed forthwith with arrangements for said construction and shall continue in good faith so as to enable actual construction to commence by September, 1971, and substantial completion to be accomplished by September, 1972. The gift shall be in two phases, 1.) liquidable assets in the value of \$100,000. shall be turned over to the Town immediately after adjournment of the Annual Town Meeting for 1971 and 2.) the balance of \$100,000. in liquidable assets shall be presented to the Town in January, 1972- both sums of which shall be deposited with the Treasurer and held as a separate account for the purpose designated as provided for under the provisions of Chapter 44, Section 53A of the General Laws.

Board of Selectmen

ARTICLE 38.

To see if the Town will vote to direct the Moderator to appoint a committee of seven among whose members shall be the following: the Chief of Police, the Superintendent of Public Works, a member of the Board of Selectmen, and a member of the Finance and Advisory Board, which committee shall have all the powers and all the duties necessary to carry out all votes under the warrant of this meeting concerning the construction of a new Police Station, or votes of any subsequent meetings concerning said Police Station including the necessary architectural plans and drawings as voted under this warrant, and to enter into all lawful contracts or agreements on behalf of the Town to accomplish such votes, or do anything in relation thereto.

Board of Selectmen

ARTICLE 39.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications, including such necessary engineering services, for obtaining fixed price bids for construction of a new Police Station on a site to be determined by the Committee appointed under the provisions of Article 38 of this Warrant and that said Committee be authorized to make such expenditures, determine in what manner the said appropriation shall be raised, by transfer from available funds, by taxation, by borrowing, by sale of bonds or notes or any combination thereof, or do anything in relation thereto.

Board of Selectmen

ARTICLE 40.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of stabilizing the soil, filling, paving with bituminous concrete, painting and performing all other necessary work pertinent to the hockey rink surface situated at Recreation Park, authorize the Board of Public Works to make such expenditures, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise or do anything in relation thereto.

RECREATION COMMITTEE

ARTICLE 41.

To see if the Town will vote to raise and appropriate a sum of money for use by the Youth Commission in assisting Stoneham Action Committee Incorporated in its endeavors to combat the use and abuse of drugs by the youth of Stoneham.

STONEHAM ACTION COMMITTEE INC.

ARTICLE 42.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by deleting from Article I, Section 2, Sub-section (a) Exception the following paragraph:

A private detached garage for not more than two cars may be built to seven (7) feet of a side lot line if of third class construction and to five (5) feet of a side lot line if of second class construction and to three (3) feet of a side lot line if of first class or metal construction provided in any case it shall not be within ten (10) feet of a dwelling on an adjoining lot.

Building Inspector
Planning Board

ARTICLE 43.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by deleting paragraph d, of Article I, Section 4 and inserting a new paragraph d, to read as follows:

d, Hotel, restaurant, public dining room or lunch room. No lunch cart, restaurant, or portable diner shall be erected or maintained on any lot unless it shall have a lot frontage of at least one hundred fifty (150) feet and a minimum lot area of at least fifteen thousand (15,000) square feet. Such lot shall have adequate parking facilities

and such cart, restaurant or portable diner shall be set back at least twenty (20) feet from any street line.

Building Inspector
Planning Board

ARTICLE 44.

Vote to amend the By-laws of the Town of Stoneham by deleting Section 4b of Article XII (Miscellaneous Provisions) and inserting in lieu thereof the following new section 4b to read as follows:

No person shall have more than one unregistered car, or truck ungaraged on his premises in a residential district at any time unless authorized by a special permit from the Board of Selectmen. In no event will an unregistered car or truck be stored on any front yard. When in its judgement the public welfare or the appropriate use of the neighborhood property will not be substantially injured, the Board of Selectmen may in a specific case after public notice and hearing and subject to appropriate safeguards determine and vary district regulations in harmony with their general purpose and intent.

Building Inspector

ARTICLE 45.

To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts, for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tide-waters, foreshores and shores along a public beach, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

Philip Weiss

ARTICLE 46.

To see if the Town will vote to raise and appropriate a sum of money to continue the repiping of the Colonial Park Drainage Brook from the end of the new pipe on land of or formerly owned by Drinkwater adjacent to Sunset Road and the new Junior High School and extending north toward Franklin Street 400 feet more or less, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Philip Weiss

ARTICLE 47.

To see if the Town will vote to authorize the Town's Board of Selectmen to petition the Massachusetts General Court, through appropriate legislation, for permission for the Town of Stoneham to withdraw from the Massachusetts Bay Transportation Authority, or do anything in relation thereto.

Finance and Advisory Board

ARTICLE 48.

To see if the Town will amend section 5 of Article III of the By-laws relating to public procedures to read in part as follows: "where the materials to be so furnished, or where the estimated amount under the contract so to be given out exceeds \$1500.00..."

School Committee

ARTICLE 49.

To see if the Town will authorize the Moderator to appoint a committee of seven (7) members to investigate the possibility of improving the safety of pupils on their way to and from school; and to report at the next Town Meeting with specific recommendations for this purpose.

School Committee

ARTICLE 50.

To see if the Town will vote to acquire for school recreational purposes, by purchase, accept as a gift, take by right of eminent domain or otherwise, title to a certain parcel of land consisting of 42,437 square feet more or less beginning at a point on the southeast side of East School land and being bounded and described as follows: southerly by said East School land, 160.57 feet, more or less; westerly along land of Carroll and Sullivan, 279.64 feet more or less; and easterly along land of Grant, Merchant and Antimoro a distance of 247.13 feet, more or less, to the point of beginning.

School Committee

ARTICLE 51.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or replacing or relining existing water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 52.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 53.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 54.

To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with the State and County Aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 55.

To see if the Town will vote to raise and appropriate a sum of money for the construction of highways, with State and County Aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 56.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of providing an area outside the Town limits for the disposal of rubbish and refuse for a period of one year, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 57.

To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) twenty cubic yard rubbish truck with necessary accessories, authorize the Board of Public Works to make such purchase, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 58.

To see if the Town will vote to raise and appropriate a sum of money to purchase for the use of the Public Works Department one (1) two and one half to three ton dump truck, with necessary accessories, authorize the disposal of the 1963 International two and one half ton dump truck now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 59.

To see if the Town will vote to raise and appropriate a sum of money to purchase for the use of the Park Department one (1) one ton 4 wheeldrive dump truck with necessary accessories, authorize the disposal of the 1964 International 4 wheel drive dump truck now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 60.

To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Tree Department one (1) log splitter with necessary accessories, authorize the Board of Public Works to make such purchase, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise or do anything in relation thereto.

BOARD OF PUBLIC WORKS

ARTICLE 61.

To see if the Town will vote to acquire for Park Purposes by purchase, accept as a gift, take by right of eminent domain or otherwise, title to a certain parcel of land bounded and described as follows:

Beginning at a point in the southerly sideline of William Street said point being 150.00 feet from the intersection of William and West Streets, thence the line runs in a southerly direction 106.13 feet to a point; thence the line turns and runs in a northwesterly direction 43.86 feet to a point; thence the line turns and runs in a southwesterly direction on a line parallel to and 100 feet distant from the easterly sideline of West Street, 805.71 feet to a point; thence the line turns and runs in an easterly direction 22.86 feet to a point; thence the line turns and runs in a southerly direction 100.40 feet to a point in the northerly sideline of Lindenwood Road, said point being 146.44 feet from the point of curvature of said West Street; thence the line runs along the said northerly sideline of Lindenwood Road about 48 feet to a point; thence the line turns and runs in a general northeasterly direction by several lines about 765 feet; thence the line turns and runs in a northwesterly direction about 157 feet to a point in the said southerly sideline of William Street; thence the line runs in a Westerly direction along the said southerly sideline of William Street about 39 feet to the point of beginning. The area contained within the lines being 91,790 square feet, more or less, as shown on the assessors maps, and authorize the Board of Selectmen or Board of Public Works to make such purchase or taking by eminent domain for and on behalf of the Town of Stoneham and to raise and appropriate any sum or sums necessary therefore, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

BOARD OF PUBLIC WORKS and
RECREATION COMMITTEE

ARTICLE 62.

To see if the Town will vote to raise and appropriate a sum of money for the installation of bituminous concrete sidewalks on the southerly side of North Street, commencing at the intersection of Main Street and proceeding east 300 feet to the driveway opening at Leisure Manor, and from the driveway opening at Stonehill Towers south to the intersection of Main Street and North Street for a distance of 400 feet, said sidewalks to be constructed under the betterment act, and determine in what manner the said appropriation shall be raised from taxation, or by transfer from available funds, or do anything in relation thereto.

BOARD OF SELECTMEN

ARTICLE 63.

To see if the Town will raise and appropriate a sum of money for the purpose of providing adequate lighting in the Town Hall Banquet Room when used as a polling place during elections or do anything in relation thereto.

Daniel C. Towse

ARTICLE 64.

To see if the Town will vote to raise and appropriate a sum of money to assist in defraying the costs of operating the Stoneham Historical Society, 36 William Street, which studies, collects and preserves articles and maintains historical records pertaining to the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Stoneham Historical Society

ARTICLE 65.

To see if the town will vote to accept provisions of Chapter 835, Acts of 1970, Commonwealth of Massachusetts, entitled "An Act establishing a career incentive pay program for regular full-time police officers and providing for partial reimbursements by the Commonwealth for certain cities and towns."

George N. Savard, Sr.

And you are directed to have five hundred (500) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy of the said warrant to be published in a newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this second day of February in the year of Our Lord one thousand nine hundred and seventy-one.

Albert R. Symes
June M. McTaggart
Edmund J. Moreira
James A. McDonough, Jr.
Joseph W. Fallon
SELECTMEN OF STONEHAM

A true copy attest.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and

town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on February 22, 1971, and by causing to be published duly attested copies of the said warrant in the Stoneham Independent on February 25, 1971.

Robert E. Moreira
Constable of Stoneham

Warrant For Special Town Meeting Monday, March 8, 1971

To either of the Constables of the Town of Stoneham in the County of Middlesex,

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in the Junior High School on Monday, March 8, 1971, at 9:00 o'clock in the evening to act on the following articles of this warrant:

ARTICLE 4.

To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by Striking out, under Section 13, subsection (b), paragraphs (2), (3) and (4) and inserting in place thereof the following:

(2) Fire Captain.

NATURE OF WORK IN THIS CLASS:

This is responsible, supervisory firefighting work as commanding Officer of fire companies.

Work involves responsibility for directing and coordinating activities of firefighting companies on his tours of duty, for directly supervising company activities during an assigned tour, and for performing related administrative tasks. Work is performed in accordance with accepted firefighting practices and departmental regulations under general direction of the Fire Chief who reviews work through reports, conferences, and inspections. Firefighting duties involve the exercise of initiative and judgement in making decisions affecting life and property and the performance of hazardous tasks requiring strenuous physical exertion under adverse and emergent conditions. Supervision is exercised over company Lieutenants and firefighters.

ILLUSTRATIVE EXAMPLES OF WORK:

Commands all tours of the fire companies, maintains company discipline; conducts roll calls and inspections; reads departmental orders; directly supervises activities during an assigned tour; provides officer on ensuing tour with information pertinent to effective performances of duties.

Supervises firefighting companies in responding to alarms and in combating and extinguishing fires; if first Captain to arrive at fire, commands operations of all responding companies until relieved by a Chief Officer.

Directs, supervises and participates in all phases of firefighting such as operating apparatus and equipment, laying, advancing and using hose, erecting and climbing ladders, ventilating buildings, effecting rescues and salvaging and overhauling fire-damaged property.

Plans, administers, and reviews company training program; conducts company drills and training classes.

Supervises firefighters engaged in house activities, such as standing desk watch, testing and caring for apparatus and equipment,

and maintaining quarters in clean and orderly conditions; inspects station repairs and alterations for compliance with specifications.

Directs and makes periodic inspections of area served to gain familiarity with structural features and contents of building, and other aids to firefighting, and to ascertain and provide for correction of actual or potential fire hazards; observes fire drills; give fire prevention talks.

Prepares reports of company activities at fires attended and of activities of all responding companies when in full command; maintains and prepares reports from property and personnel records.

Performs the duties of a Fire Chief in his absence or as assigned, if this duty is unforeseen or relief.

Performs related work as required.

(3) Fire Lieutenant.

This is responsible firefighting work in supervising activities of a fire company during an assigned tour of duty.

Work involves responsibility for supervising and participating in fire fighting and house activities of a fire company during an assigned tour of duty. Work is performed in accordance with standard firefighting practices and departmental regulations under directions of a Fire Captain whose responsibility for company activities extends to all tours. Firefighting duties involve the performance of hazardous tasks and the exercise of initiative and judgment in protecting life and property under emergency conditions, and frequently requires strenuous physical exertion under handicaps of extreme heat, smoke, gasses, and cramped surroundings. Supervision is ordinarily exercised over a small group of firefighters.

Commands a fire company during an assigned tour; maintains company discipline; provides officer of ensuing tour with information pertinent to effective performance of duties.

Supervise a firefighting company in responding to alarms and in combatting and extinguishing fires; if first lieutenant to arrive at fire, commands operations of all responding companies until relieved by a superior officer.

Supervises and participates in all phases of firefighting, such as operating equipment and apparatus, laying, advancing, and using hose, erecting and climbing ladders, ventilating buildings, effecting rescues, and salvaging and overhauling fire damaged property.

Conducts company drills and training classes in modern fire-

fighting methods and techniques, operation and care of apparatus and equipment, safety and first aid, fire prevention, and related subjects.

Supervises firefighters engaged in house duties, such as standing desk watches, testing and caring for equipment, and maintaining quarters in a neat and orderly condition.

Supervises and participates in inspections of area served to gain familiarity with structural features and contents of building, and other aids to firefighting, and to ascertain and report actual or potential fire hazards; observe fire drills; give fire prevention talks.

Prepares reports of company activities at fires attended, and of activities of all responding companies when in full command.

Performs the duties of a Fire Captain in his absence or as assigned. Performs related work as required.

(4) Firefighter.

The duties of a Stoneham Fire Fighter are as follows: under direct supervision, to perform general duty fire fighting work in combatting and extinguishing fires, involving the performance of hazardous tasks under emergency conditions in protecting life and property and surroundings; and to perform related work as required.

Examples of duties;

Responding to alarms with assigned company to assist in combatting and extinguishing fires; driving and operating equipment and appurtenances of heavy apparatus, including aerial ladder trucks, hose wagons, pumpers, rescue trucks, and similar firefighting apparatus; laying, coupling, connecting fire hose; advancing fire hose into burning buildings to direct fog or water stream; using various heavy stream appliances and extinguishers; placing, erecting, climbing ladders, including aerial ladders; ventilating burning buildings; using forcible entry tools, if necessary, to open locked doors, windows and skylights, and to chop, cut, or break openings in roofs, floors, partitions, and ceilings; entering burning buildings to evacuate and rescue persons in danger, using ladders, stretchers, life nets, life guns, and life lines; administering first aid and resuscitation; performing emergency rescue, such as from a drowning, and extrication work, such as in elevators, machinery, motor vehicles and similar accidents; spreading salvage covers; removing excess water and debris; securing building against rekindling, trespassers and weather; washing, polishing, greasing, testing fire apparatus and equipment; hanging, drying, testing fire hose; maintaining clean and orderly condition of quarters and performing minor maintenance repairs; on desk watch, receiving alarms and transmitting pertinent instructions, orders, and information; receiving station visitors; logging company activities; attending departmental school, company drills and training

classes in firefighting and related subjects; participating in routine fire prevention inspections of buildings in area served by assigned company; acting as chauffeur and/or aide to a chief fire officer or as a fire prevention inspector; and removing snow from all areas surrounding fire station.

PERSONNEL BOARD

ARTICLE 5.

To see if the Town will vote to amend the Building Code for the Town of Stoneham by adding thereto the following, to be known as Section 3- Sub-section A-M of Article XVII:

1. Any Building that has more than five floors that are used for any purpose, whether it be habitation, office or storage use, shall be completely protected by a sprinkler system.

2. The sprinkler system shall be installed in accordance with National Fire Protection standards #13 and #13A.

3. Each tenant floor would be considered a separate fire area in the design of the sprinkler system, with a shut off valve for each floor.

4. An indicator panel with local supervision would be located at the building entrance, easily accessible to firefighters, to designate by signal the floor on which the sprinkler system was operating.

5. At the same indicator panel there would be a provision for takeover of control of one elevator by firefighters.

6. Because of the elevation of the building a pressure tank or pump, (if a pump, it must have auxiliary power) shall be installed in accordance with NFPA requirements.

7. A wet standpipe system must also be installed in a stairwell, in accordance with NFPA requirements. Inch and one half hose of suitable length, with a nozzle must be attached to the 2 1/2" X 1 1/2" gated outlet.

8. Outside fire department standpipe connections for the sprinkler must be in accordance with NFPA requirements.

9. All stairwells must be provided with awning type windows at each floor, so that smoke may be relieved readily from the stairwells.

10. A master fire alarm Box shall be installed at the front entrance of each building.

11. This box will automatically monitor the sprinkler system and transmit an alarm to the Fire Department.

12. Suitable fire gongs shall be installed on each floor so as to notify the tenants if a fire is in progress, and there shall be pull stations on each floor.

13. All the above mentioned requirements shall meet the approval of the Stoneham Fire Chief.

Fire Chief

ARTICLE 6.

To see if the Town will vote to direct the moderator to appoint a Committee of five, which Committee shall be known as the "Hockey Rink Building Committee" which shall have all the powers and duties necessary to carry out all votes under the warrant of this meeting or any votes of any subsequent meetings concerning the construction of a hockey rink on a site consisting of land acquired by the School Department under Article 44 of the 1968 Annual Town Meeting and the additional land to be acquired under Article 7 of this Special Town Meeting, and to enter into all lawful contracts on behalf of the Town to accomplish such votes, or do anything in relation thereto.

David Brown
Albert R. Symes-et alii

ARTICLE 7.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by gift, purchase, or eminent domain upon which to erect a hockey rink a certain parcel of land consisting of approximately 2.7 acres of land situated on the southerly side of Franklin Street, and bounded and described as follows:

Beginning at the corner of the premises at an iron pipe at said Franklin Street and an open passageway thirty-three (33) feet wide; thence the line runs in a general easterly direction by the southerly side line of Franklin Street, 290 feet; thence the line turns and runs in a general southerly direction by land now or formerly of Ida Schwartz, Walter H. Chilvers et ux, Edward S. Holland et ux, Robert W. Warman et ux, and Louis A. Dickinson, 410.50 feet; thence the line turns and runs in a general westerly direction by the land now or formerly of the Town of Stoneham, 382.70 feet, thence the line turns and runs northerly by said passageway, 190.30 feet; thence the line turns and runs in an easterly direction by land now or formerly of William J. Roberts et ux, 90 feet; thence the line turns and runs in a northerly direction by land now or formerly of William J. Roberts et ux and Edward J. Spellman et ux, 158.18 feet; thence the line turns

and runs in a westerly direction by land now or formerly of Edward J. Spellman, 90 feet, thence the line turns and runs northerly by said passageway, 60 feet to the point of beginning. Being the same premises described in deed recorded in Book 8788, Page 404 of South Middlesex Registry of Deeds except for the two parcels previously conveyed to William J. Roberts et ux and Edward J. Spellman et ux and to direct the Board of Selectmen to acquire such land to be placed under the care, custody, and control of the Board of Public Works; determine in what manner said appropriation shall be raised, by taxation, by transfer from available funds, by borrowing under the provisions of Chapter 44 of the General Laws or otherwise; or do anything in relation thereto.

David Brown
Albert R. Symes-et alii

ARTICLE 8.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing a hockey rink on a site designated or acquired for that purpose and to be under care, custody, and control of the Board of Public Works when completed; said sum to be expended by the "Hockey Rink Building Committee" appointed under the provisions of this warrant; determine in what manner said appropriation shall be raised, by taxation, by transfer from available funds, by borrowing under the provisions of Chapter 44, G.L., or otherwise, or do anything in relation thereto.

David Brown
Albert R. Symes, et alii

ARTICLE 9.

To see if the Town will vote to accept a deed of a Parcel of land containing about forty acres, shown on a "Plan of Land in Stoneham, Mass.," dated February 5, 1971, by Universal Engineering Corporation, under contract to Woburn-Stoneham Associates, and bounded and described as follows:

Beginning at the northwesterly corner of the tract herein described, said point of beginning, being on the boundary line between Stoneham and Woburn and the southerly line of William Street;

Thence leaving said boundary line running easterly by William Street, by the three courses totaling about two hundred ninety-three (293) feet, to land now or formerly of Marjory Cook:

Thence running southerly about two hundred twenty-two (222) feet, to a point;

Thence running easterly fifty-five (55) feet, to a point;

Thence running northerly sixty-one (61) feet, to a point;

Thence running easterly twenty-five (25) feet, to a point;

Thence running northerly five (5) feet, to a point;

Thence running easterly ninety (90) feet, to a point;

Thence running northerly about one hundred twenty-five (125) feet, to William Street, the last seven courses being by land now or formerly of Marjory Cook and land now or formerly of Unicorn Golf & Country Club, Inc., under contract to George W. Page, Trustee;

Thence running easterly by William Street, by two courses totaling three hundred seventy-four and 12/100 (374.12) feet, to land now or formerly of Keimach;

Thence running southerly eighty-five (85) feet, to a point;

Thence running easterly seventy-two (72) feet, to a point;

Thence running southerly fifteen (15) feet, to a point;

Thence running easterly three hundred eighty-four and 63/100 (384.63) feet, to a point, the last four courses being lands of Keimach and others;

Thence running southeasterly by lands of Brown and others, by three courses totaling one thousand fifty-one and 34/100 (1,051.34) feet, to a point;

Thence running southwesterly ninety (90) feet, to a point;

Thence running northwesterly one hundred sixty-five (165) feet, to a point;

Thence running southwesterly two hundred eighty (280) feet, to a point;

Thence running northwesterly one hundred ten (110) feet, to a point;

Thence running southwesterly nine hundred (900) feet, to a point;

Thence running southeasterly four hundred fifty (450) feet, to a point, the last six courses being by other land under contract to Woburn - Stoneham Associates;

Thence running southwesterly by land now or formerly of Alfred C. Blake et al., six hundred ninety (690) feet, to a point;

Thence running westerly forty (40) feet, to a point;

Thence running northwesterly eight hundred sixty (860) feet, to a point on the boundary line between Stoneham and Woburn;

Thence running northerly along said boundary line fifty (50) feet, to a point;

Thence running easterly leaving said boundary line one hundred eighty (180) feet, to a point;

Thence running northerly seven hundred forty (740) feet, to a point;

Thence running northerly five hundred five (505) feet, to a point;

Thence running westerly by two courses totaling six hundred forty-five (645) feet, to a point on the dividing line between Stoneham and Woburn;

Thence running northerly along said boundary line seven hundred twenty (720) feet, to the point of beginning, the last nine courses being by land owned by or under contract to Woburn-Stoneham Associates:

Said premises will be conveyed subject to a permanent sixty (60) foot easement for the benefit of the land owned by or under contract to Woburn-Stoneham Associates Woburn and Stoneham, through the southerly portion of the premises, to be located by the grantor, south of the dotted line on the Plan, for the purpose of constructing and maintaining a roadway with drainage and utilities such as water, sewer, gas, oil, electricity and telephone communications, including rights of passage, and including the right to construct slopes of excavation or embankment or both for said roadway.

The premises will also be conveyed subject to the condition that the premises shall be used for a municipal golf course, and for no other purpose, that no buildings, parking lots or paved roads shall be constructed thereon, that it shall not be lighted for play at night, and that no advertising signs, fences over six feet high, pipes, poles or wires shall be installed thereon except underground irrigation pipes, and that the Town shall maintain the golf course to be constructed thereon by the grantor to at least the same standards to which it shall have been originally constructed, without rearranging any of the holes or cutting any trees over six inches in diameter five feet above the ground, unless diseased or dead. In case of any dispute as to compliance with the foregoing condition, the matter shall be referred to three arbitrators, one to be selected by the Town, one by the grantor, and one by the two so selected.

A decision of a majority of the arbitrators shall be binding upon both parties, and a decision by such a majority that the Town

has unreasonably failed to comply, if acknowledged and recorded, shall revest the title to the premises in the grantor, subject, however, to a conservation restriction, in favor of the Town, that the premises shall not be built upon or take any other action relative thereto.

Adjourned Annual Town Meeting

March 8, 1971

Agreeable to the warrant signed by the Selectmen on February 2, 1971, and in accordance with the vote of adjournment at the annual Town Election held on March 1, 1971, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in the Junior High School on Monday, March 8, 1971, at 7:30 in the evening.

Tellers were appointed to check the names of voters entering the Junior High School and the check lists showed that one thousand four hundred and twenty (1,420) attended the meeting.

The meeting was called to order and the warrant read.

Article 2. VOTED that the Selectmen be authorized to appoint all other town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of town officers and committees as printed in the annual Town Report for the year 1970 be accepted.

VOTED to accept Report of Progress of the Unicorn Golf Course Committee, as follows:

By a vote of the Special Town Meeting Oct. 22, 1970 the Unicorn Golf Course Committee was made a Committee of the Town whose purposes was

to maintain the Unicorn Golf Course in its entirety, or as much as possible for recreation purposes.

In carrying out these purposes the Committee is authorized to represent the Town in negotiations with the estate of Moulton Cox, Metropolitan District Commission and or such others as may be necessary to carry out these endeavors.

We submit the following as a report of progress.

At the Oct. 22, 1970 Town Meeting a vote was taken on Article 9 to request through the Unicorn Golf Course Committee, the Metropolitan District Commission to acquire the Unicorn Golf Course Committee, the Metropolitan District Commission to acquire the Unicorn Golf Course intact and maintain and operate this Recreation Area.

The Metropolitan District Commission returned a negative vote that they were not interested in this golf course. With the Metropolitan District Commission refusal to acquire this property the Committee voted to approach the Bureau of Outdoor Recreation for Federal Assistance. The purpose of the Bureau of Outdoor Recreation is to save open land and foster the growth of the nation's outdoor recreation facilities.

Several meetings were held with Mr. Joel Lerner, Bureau of Outdoor Recreation Coordinator, which resulted in Mr. Lerner and Mr. Frank Columbo touring the 78 acres of Unicorn located in Stoneham. From these meetings we were informed that the existing land in Stoneham would qualify for Bureau of Outdoor Recreation Funding on a 50-50 basis. (50 percent Federal Funds - 50 percent Local Funds). Furthermore ample funds are now available for this project, but more applications are being received every day from other communities anxious to take advantage of matching funds.

One of the requirements of the Bureau of Outdoor Recreation is that there be two independent appraisals made of the area in question. Therefore the Committee has inserted Article 21 in the Town Warrant requesting funds for these appraisals. This is the only way the community and committee can intelligently approach future acquisition of this land. There have been many guesstimates as to the current market value of this acreage. When the appraisal figures are available the Committee will report back at a future Town Meeting.

Article 22 is a request for funds to do the preliminary planning work necessary for the future development of the Unicorn into a multi-use recreation area. Our original application to the BOR included the following items for consideration.

1. 9 hole golf course
2. Ski Tow
3. Skating Rink

4. Toboggan and sled area
5. Playground area
6. Softball field
7. Outdoor swimming pool
8. Parking area

In addition Mr. Lerner, BOR Coordinator, stressed a picnic area and jogging and walking paths.

The Committee believes that it is necessary to have a Professional Planner lay out the facilities so that as many as possible can be included at the most economical cost to the Town.

Hopefully when we return to a future Town Meeting, the planning will have been completed and we will be able to give to the Town a complete picture as to the layout of the facilities, the cost of each and the amount of Federal assistance we will be able to obtain.

We are asking for a sum of money to enable us to present an alternative to R. M. Bradley's proposal.

VOTED to accept Report of Progress of the Committee appointed under Article 22 of the warrant of the 1968 Town Meeting, as follows:

To the Citizens of Stoneham:

Pursuant to the vote of the Annual Town Meeting of 1968, under Article 22 of the Warrant, the Moderator appointed the undersigned as a committee to "investigate the need and feasibility of constructing a covered artificial or natural ice skating rink in the Town of Stoneham".

Our initial report was submitted at the Annual Town Meeting of 1969. Since that report the committee has endeavored to keep up to date in regard to trends,, costs and operating conditions of existing and new rinks. The committee has also sought alternate sites for a rink within the Town of Stoneham.

The report of 1969 recommended that when the Junior High School is converted to a 4 year High School, necessitating a class room addition that another wing be constructed to house an artificial ice rink. This wing, would of course, be in the general vicinity of the present building where existing parking, lockers and showers would be available. Drainage, sewage and water would also be available in this area.

Since our initial report several factors have surfaced which are the basis for this up dated report.

#1. We originally believed that a municipally owned enclosed hockey rink would not be a self supporting venture. This was based on the early

history of the Framingham Municipal Rink. This was the only Municipal Rink in existence in 1968 and is still the criteria by which any comparison must be made. Attached is their financial statement dated 12/31/1970 and a summary of the years 1963-1970.

Through the years 1967 which were the years considered in our first report a deficit was recorded each year. Since that time a surplus has been recorded. To date, after 7½ years of operation the cost to the Town of Framingham has been \$7,940.74. As noted from the financial statement all operation operating costs and the principal and interest payments on the bond issue have been paid out of income with the exception of \$7,940.74 or about \$1000.00 per year.

The Framingham Municipal Arena Committee have stated to the Town of Framingham "We continue to meet our obligation in amortizing the bond issue and resulting interest payments. To date these payments total \$334,000.00 without any cost to the Town of Framingham. As the amortizing costs reduce, we feel confident we will meet our obligations to the Town of Framingham in making the Municipal Arena a self sustaining operation".

The Stoneham Rink Committee now believes that an enclosed skating rink with a seating capacity of approximately 2000 would be a self sustaining operation. This would be true either with or without Federal or State aid.

#2. The proposal to develop the Unicorn as a Recreation Area which would include a skating rink hopefully answers the most difficult question this committee was faced with, namely finding a suitable site to build on so that a rink could be a reality now rather than the distant future when and if an addition is constructed to the Junior High School.

#3. The proposal to purchase the swamp on Franklin Street as a parking area and build a rink on the adjacent land purchased by the School Department for future development as a playing field, merits little consideration. Various other developments have been considered for this area adjacent to Franklin St., but estimates of having to excavate 30 feet of peat and then refill, or build on piles, has precluded these developments. This plus the fact that the entire area would have to be drained or cause serious flooding conditions in abutting areas make this a most undesirable site.

Our up dated recommendation is that if the Unicorn Area is to be developed for Recreation that serious consideration be given to building and enclosed skating rink with approximately 2000 seating capacity on the site.

VOTED to accept Report of Progress of the Elementary School Building Committee, as follows:

I was appointed Chairman of the School Building Committee about the second week of October 1970 and held my first meeting Monday, October 16, 1970. A lot of work had already been done by the Committee and previous Chairman. I told the Committee that we would make every attempt to build a very good school at a minimum cost if possible, wherein we all knew that you and I as Taxpayers were closely approaching a saturation point in not only Real Estate Taxes, but payroll deductions and taxes in our weekly pay. The Committee agreed whole heartedly.

It is hard to report in a short space of time here tonight all that took place in almost a hundred hours of meetings. Suffice it to say that two things were uppermost in our minds at all times, a good school and a refusal to throw the Taxpayer's money around like an inebriated millionaire. I am sorry to say that the politics and intrigue was tremendous wherein certain people from other Committees kept making calls to me and Committee Members, plus even calling the State Board of Assistance, which you will hear about later.

We invited people to the meetings and discussed at length costs per square foot in neighboring towns and cities, plus places out of state. We had Knight, Bagge & Anderson as Architects, (they had been hired before I was Chairman). We discussed and hired people to make borings to make sure that we would not have to spend another large sum of money to blast ledges etc., and the borings look good. The prior Chairman had two Topography

surveys taken and we finally come to the estimated cost according to the architects. We were over two million dollars and then the real hard work commenced, with an evaluation to cutting costs to the Town, without endangering the educational criteria. To my amazement, the State Laws and Specs confronted us at every turn. For instance, we were discussing a one or two story school, and found contrary to the "Letters to the Editor" in the local newspaper, that a State Law said that if we could save a few dollars on a two story school, you had to put an elevator or ramps or stairs every 200 feet, especially where there would be classes for retarded children. The cost of an elevator and maintenance would be too much. We then concentrated on a one floor building. After much debate we finally got the Educators present at the meetings to agree to cut some of the regular classrooms from 1050 square feet to 900 square feet, decreasing costs but not the education values per se, plus the long future savings on heat etc. Don't forget, the Architects had given us a figure of 39 to 40 dollar turnkey figure per square foot. The term turnkey means the building of all the classrooms, facilities and furnished.

When we started to discuss the amount of classrooms we talked on say 16 or 20 rooms. This actually entails approximately 42 or more rooms, excluding toilets etc. Do not envision a small 16 room building. Mr. Dan Hogan and the School Board insisted on at least 20 classrooms and we really kicked this around for a long time. We argued on projected and educated guesses on what the kindergarten population would be in 1972 and we the Building Committee felt that if what we read and heard was true, then the enrollment could be less than what they projected. Then the rumors and dirt started. The Building Committee was against education, new schools, motherhood and the American Flag. We were then and are now as parents, and grandparents even, more sincere for good education than a few busy bodies who run around town sticking their noses in everybody's business but their own.

We asked the Educators if there was a State Law on the maximum amount of pupils a teacher could handle. The answer was No, but there was a rule of thumb maybe that over 30 pupils per teacher was bad. Up to now, nobody has proven that if a teacher handles say 35 pupils that this would jeopardize the education of the pupils, especially in higher grades. This was the reason that the School Building Committee felt that to alleviate the burden of the Taxpayers, that maybe the Educators should give us a lift in this direction. I want to make it very emphatic that we do not fault a teacher for thinking or feeling as they do, and if I was an Educator I daresay I would think the same way they do. However, if we ever start talking a new police and fire station, new library etc., we won't be able to pay any taxes, as they are now getting confiscatory as I said before.

We finally agreed on a plan to go ahead on a 16 classroom school, plus all the core facilities, such as gym, library, cafeteria, offices, conference rooms etc., with an option of 20 classrooms. In other words to have the architect draw up tentative plans for 16 classrooms and if we were wrong 4

additional rooms could be added and to have the townspeople vote on it in this manner. The people representing the Board of Education still insisted on 20 rooms, but did go along with the reduction from 1050 sq. ft., to 900 sq. ft. in some of the rooms to cut costs. We of course were also thinking in economical terms of savings on less teachers, custodians, heat, light, etc, for the future. We discussed exits from the street and all the other ramifications. The architects drew up, if my memory serves me right, three different sets of drawings, finally reducing our original square footage from 59,500 to 49,300. In the interim, Mr. Dan Hogan Supt. of Schools had sent a letter to the State Board of Assistance long before and had sent the educational criteria, but asking for 20 rooms, wherein we had to get the 40 percent assistance from the state, and this was Mr. Hogan's function to do so. At about this time the architects notified us that most architects had gone up in their fees from 7.2 percent of the overall cost to 8.7 percent, but after a little discussion said he would stay at the 7.2 percent figure. Again, let me reiterate that your Committee voted unanimously on the 16 classrooms instead of 20, but with an option of 20 classrooms, feeling that this would more than handle the original intent, due to the fact that the state law demanded kindergarten classes, that we would have 2 kindergarten classes in this school plus up to the 5th grades to make room for 2 kindergarten classes in the other 5 schools. In other words, we would replace other elementary grades in the older schools to make room for kindergarten classes giving us 10 elementary grades in the new school plus 2 kindergarten classes and 3 retarded classes in the new school, plus 1 extra for an elementary grade.

We discussed the bussing problems and all other ramifications and then had the architect and Mr. Hogan notify Mr. Elton Smith of the Department of Education, State School Building Assistance Bureau on January 2, 1971. Mr. Hogan received a letter from Mr. Smith and sent the members of the School Building Committee copies of same. Can you imagine our reaction? With the Governor and everybody else talking austerity programs we were blasted for paying too much attention to financial economics, plus his telephone calls from people on other committees, when it was none of their damn business at this point. I had never made a call or met the man, leaving this up to Mr. Hogan, whose business it was to do so.

The Building Committee at their next meeting took action to request Mr. Smith to appear at our meeting, but he never showed up. Because of this letter and in implication that the Building Committee had overstepped our bounds and that the School Board picks the educational criteria, amount of rooms etc., and the Building Committee just rubber stamps their wishes and does what they are told, we differed vociferously. The result was a meeting called mutually by the School Board and the Building Committee. Figures supplied by the School Board, not projections, but actual figures, showed the 1st grade enrollment for instance was down by 45 pupils in 2 years from 1968 to 1970. At the joint meeting the School Board Members whom were present said they were trying to be co-operative but felt that 20 classrooms were a

necessity. However, they said they could be flexible. The School Building Committee said they were trying to be co-operative, but were still adamant in saving money if possible.

It was suggested that I hold a caucus of my Committee, but I refused, the reason being that even an hour or two caucus starting at 11:30 p.m. could not accomplish anything after countless meetings by ourselves. We felt otherwise however, and I announced that we would not be a rubber stamp committee for any committee in town.

I would also point out that at no time has the School Building Committee argued or quibbled about costs or the calibre of the heating systems, desks, lights etc., always assuming we would like to achieve or buy the best without any frills. The only argument has been how many classrooms we and or the School Board thought necessary.

To quell another rumor, there was a bill from Dana Perkins engineers, whom had made a Topography Survey under the previous Chairman for \$3,001.00, after having been paid \$500.00 some odd dollars already. We thought the bill was exorbitant, summonsed Mr. Perkins to one of our meetings, told him the bill was high, we thought, and listened to his explanations. We held this bill up for over 5 months and 6 demands, and finally at the Feb. 1st meeting discussed paying it, wherein we had been threatened with court action. Contrary to some Committees whom were critical of our action on this matter, again we were only protecting the Taxpayers dollar, and again I say that this should be the rule and practice of some of our severest critics.

The Committee also discussed trying to sell the old Infirmary and did overstep our bounds here, as that was the function of the School Board who had been voted the physical property by the Town Meeting. We tried not to miss a trick.

We made inquiries about the Parochial Schools phasing out and the possibilities of leasing these schools but were assured, off the record that they would not be phased out, if it was at all possible to keep them open.

There were so many other phases we discussed, including bussing etc. and were told finally by Mr. Hogan that insofar as the kindergarten classes were concerned they could hold both a morning session and an afternoon session or each teacher and classroom would have 2 classes per day. This meant that 10 kindergarten rooms in the various schools would actually give us 20 classrooms of kindergarten pupils, if we or the School Board found this necessary.

Although the difference between the Building Committee and the Educators have been real hot, I must say in all honesty that both sides have

been justified in their arguments, and the cooperation has been good. I think that tonight would be a good time for the town to endorse either the 16 room or 20 room school in order that we can go ahead on one plan instead of two plans and therefore expedite the state assistance etc. when we hold a Special Town Meeting later this year on the entire school building, bonding, bids, etc.

Don't forget, this is only a progress report drawn up in a hurry by myself, as this is a labor of love, wherein I have to work for a living as do the other members of the Committee. We have not, up to now, put in a bill for a 6 cent stamp, using Supt. Dan Hogan's stamps etc. to call our meetings. We have had to spend money on borings, topography fees, architects fees etc., but have tried to keep these down to a minimum also.

Respectfully sub mittted,

Mr. Neil J. Farrell, Chairman
Mr. Donald J. Crupi, Vice Chairman
Mrs. Thomas P. Devlin, Secretary
Mr. Furio Bracciotti

Article 4. VOTED that the Town fix the salaries of its several elective of-
ficers for the year 1971 as follows:

Moderator	\$ 50.00
Selectmen, each	110.00
Town Treasurer and Tax Collector	9,800.00
Town Clerk	3,500.00
Assessor, Chairman	2,025.00
Assessor, Secretary	1,800.00
Assessor, Member	1,800.00
Board of Health Members, each	110.00

VOTED to postpone Article 5 (General Government) of the warrant for the annual Town Meeting until Article 4 of the warrant for the Special Town Meeting has been acted upon.

Article 6. VOTED that the Town establish a Reserve Fund and that the sum of \$50,000.00 be appropriated from revenue of the current year.

Article 7. VOTED that the subject matter of this article be indefinitely postponed.

Article 8. VOTED that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971 and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes, as may be given for a

period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17. UNANIMOUS.

VOTED that no new articles be taken up after 11 P.M.

VOTED to recess regular Town Meeting for consideration of articles of the Special Town Meeting warrant at 9 P.M.

Article 1. VOTED to amend Article XI of the By-laws of the Town of Stoneham, entitled “Wage, Salary and Classification Plan” by deleting from the 1968 Salary Schedule the following:

PERSONNEL BOARD

It was moved and seconded that Article 1 of the Special Town Meeting warrant be reconsidered. This motion was NOT carried.

It was moved and seconded that Article 2 of the Special Town Meeting warrant be reconsidered.

It was moved and seconded that Article 3 of the Special Town Meeting warrant be reconsidered. This motion was NOT carried.

VOTED to adjourn to meet in the Stoneham Junior High School on Monday, March 15, 1971 at 7:30 o'clock in the evening.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

Adjourned Special Town Meeting

March 15, 1971

Agreeable to the warrant signed by the Selectmen on February 26, 1971, and in accordance with the vote of adjournment at the Special Town Meeting held on March 8, 1971, in the Stoneham Junior High School, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in the Stoneham Junior High School on Monday, March 15, 1971, at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the Junior

High School and the check lists showed that one thousand one hundred and ten (1,110) voters attended the meeting.

The meeting was called to order and the warrant read.

Article 4. VOTED that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out, under Section 13, subsection (b), paragraphs (2), (3) and (4) and inserting in place thereof the following:

(2) Fire Captain.

Nature Of Work In Class:

This is responsible, supervisory firefighting work as commanding Officer of fire companies.

Work involves responsibility for directing and coordinating activities of firefighting companies on his tours of duty, for directly supervising company activities during an assigned tour, and for performing related administrative tasks. Work is performed in accordance with accepted firefighting practices and departmental regulations under general direction of the Fire Chief who reviews work through reports, conferences, and inspections. Firefighting duties involve the exercise of initiative and judgement in making decisions affecting life and property and the performance of hazardous tasks requiring strenuous physical exertion under adverse and emergent conditions. Supervision is exercised over company Lieutenants and firefighters.

Illustrative Examples Of Work:

Commands all tours of the fire companies; maintains company discipline; conducts roll calls and inspections; reads departmental orders; directly supervises activities during an assigned tour; provides officer on ensuing tour with information pertinent to effective performances of duties.

Supervises firefighting companies in responding to alarms and in combating and extinguishing fires; if first Captain to arrive at fire, commands operations of all responding companies until relieved by a Chief Officer.

Directs, supervises and participates in all phases of firefighting such as operating apparatus and equipment, laying, advancing and using hose, erecting and climbing ladders, ventilating buildings, effecting rescues and salvaging and overhauling fire-damaged property.

Plans, administers, and reviews company training program; conducts company drills and training classes.

Supervises firefighters engaged in house activities, such as standing desk watch, testing and caring for apparatus and equipment, and maintaining quarters in clean and orderly conditions; inspects station repairs and alterations for compliance with specifications.

Directs and makes periodic inspections of area served to gain familiarity with structural features and contents of building, and other aids to firefighting, and to ascertain and provide for correction of actual or potential fire hazards; observes fire drills; give fire prevention talks.

Prepares reports of company activities at fires attended and of activities of all responding companies when in full command; maintains and prepares reports from property and personnel records.

Performs the duties of a Fire Chief in his absence or as assigned, if this duty is unforeseen or relief.

Performs related work as required.

(3) Fire Lieutenant.

This is responsible firefighting work in supervising activities of a fire company during an assigned tour of duty.

Work involves responsibility for supervising and participating in fire fighting and house activities of a fire company during an assigned tour of duty. Work is performed in accordance with standard firefighting practices and departmental regulations under directions of a Fire Captain whose responsibility for company activities extends to all tours. Firefighting duties involve the performance of hazardous tasks and the exercise of initiative and judgment in protecting life and property under emergency conditions, and frequently requires strenuous physical exertion under handicaps of extreme heat, smoke, gasses, and cramped surroundings. Supervision is ordinarily exercised over a small group of firefighters.

Commands a fire company during an assigned tour; maintains company discipline; provides officer of ensuing tour with information pertinent to effective performance of duties.

Supervise a firefighting company in responding to alarms and in combatting and extinguishing fires; if first lieutenant to arrive at fire, commands operations of all responding companies until relieved by a superior officer.

Supervises and participates in all phases of firefighting, such as operating equipment and apparatus, laying, advancing, and using hose, erecting and climbing ladders, ventilating buildings, effecting rescues, and salvaging and overhauling fire damaged property.

Conducts company drills and training classes in modern firefighting

methods and techniques, operation and care of apparatus and equipment, safety and first aid, fire prevention, and related subjects.

Supervises firefighters engaged in house duties, such as standing desk watches, testing and caring for equipment, and maintaining quarters in a neat and orderly condition.

Supervises and participates in inspections of area served to gain familiarity with structural features and contents of building, and other aids to firefighting, and to ascertain and report actual or potential fire hazards; observe fire drills; give fire prevention talks.

Prepares reports of company activities at fires attended, and of activities of all responding companies when in full command.

Performs the duties of a Fire Captain in his absence or as assigned.

Performs related work as required.

(4) Firefighter.

The duties of a Stoneham Fire Fighter are as follows: under direct supervision, to perform general duty fire fighting work in combatting and extinguishing fires, involving the performance of hazardous tasks under emergency conditions in protecting life and property and surroundings; and to perform related work as required.

Examples of duties:

Responding to alarms with assigned company to assist in combatting and extinguishing fires; driving and operating equipment and appurtenances of heavy apparatus, including aerial ladder trucks, hose wagons, pumpers, rescue trucks, and similar firefighting apparatus; laying, coupling, connecting fire hose; advancing fire hose into burning buildings to direct fog or water stream; using various heavy stream appliances and extinguishers; placing, erecting, climbing ladders, including aerial ladders; ventilating burning buildings; using forcible entry tools, if necessary, to open locked doors, windows and skylights, and to chop, cut, or break openings in roofs, floors, partitions, and ceilings; entering burning buildings to evacuate and rescue persons in danger, using ladders, stretchers, life nets, life guns, and life lines; administering first aid and resuscitation; performing emergency rescue, such as from a drowning, and extrication work, such as in elevators, machinery, motor vehicles and similar accidents; spreading salvage covers; removing excess water and debris; securing building against rekindling, trespassers and weather; washing, polishing, greasing, testing fire apparatus and equipment; hanging, drying, testing fire hose; maintaining clean and orderly condition of quarters and performing minor maintenance repairs; on desk watch, receiving alarms and transmitting

pertinent instructions, orders, and information; receiving station visitors; logging company activities; attending departmental school, company drills and training classes in firefighting and related subjects; participating in routine fire prevention inspections of buildings in area served by assigned company; acting as chauffeur and/or aide to a chief fire officer or as a fire prevention inspector; and removing snow from all areas surrounding fire station.

UNANIMOUS.

VOTED to adjourn the Special Town Meeting at 8:50 P.M., and reconvene the annual Town Meeting.

Article 5. VOTED that under General Government the following items be amended: Item 3, Salaries, under Board of Selectmen, by striking out the amount of \$2,988.00 and inserting in place thereof the amount of \$2,850.00; Item 9, Salaries, under Town Clerk's Department, by striking the amount of \$15,424.00 and inserting in place thereof the amount of \$16,856.00; Item 13, Salaries, under Planning Board, by striking out the amount of \$2,050.00 and inserting in place thereof the amount of \$2,175.00; Item 16, Salary, Clerk, under Personnel Board, by striking out the sum of \$2,226.00 and inserting in place thereof the amount of \$2,370.00; Item 18, Salary, Clerk, under Collective Bargaining Committee, by striking out the amount of \$318.00 and inserting in place thereof the amount of \$340.00; Item 22, Salaries, under Treasurer and Collector's Department, by striking out the amount of \$33,703.00 and inserting in place thereof the amount of \$36,762.00; Item 27, Salaries, under Town Accountant's Department, by striking out the sum of \$16,724.00 and inserting in place thereof the sum of \$17,428.00; Item 30, Salaries, under the Board of Assessors, by striking out the amount of \$26,095.00 and inserting in place thereof the amount of \$27,409.00; Item 34, Salaries, under Town Hall Maintenance, by striking out the amount of \$19,241.00 and inserting in place thereof the sum of \$20,140.00 and Total General Government (Section A) by striking out the amount of 186,179.00 and inserting in place thereof the amount of \$193,740.00.

VOTED that the sum of \$193,740.00 be appropriated for General Government, said sum to be expended as itemized in the recommendations of the Finance and Advisory, as amended, as follows:

Article 9. VOTED that the Town amend Article 1, Section 2 of the Town By-laws, by adding the following: and on the following Thursday at 7:30 o'clock P.M. and every consecutive Monday and Thursday thereafter at 7:30 o'clock P.M., until the business before the Town in the Annual Meeting Warrant is completed.

Article 10. VOTED that the subject matter of this article be indefinitely postponed. It was moved and seconded that Article 10 be reconsidered. This motion was NOT carried.

Article 11. VOTED that the subject matter of this article be indefinitely postponed. It was moved and seconded that Article 11 be reconsidered. This motion was NOT carried.

At the request of Representative Daniel C. Towse, it was moved and seconded that Article 47 be acted upon at this time. So voted.

Article 47. VOTED that the Town authorize the Town's Board of Selectmen to petition the General Court, through appropriate legislation, for permission for the Town of Stoneham to withdraw from the Massachusetts Bay Transportation Authority.

VOTED to adjourn at 11:30 P.M. to meet in the Stoneham Junior High School on Monday, March 22, 1971 at 7:30 o'clock in the evening.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

Adjourned Annual Town Meeting

March 22, 1971

Agreeable to the warrant signed by the Selectmen on February 2, 1971, and in accordance with the vote of adjournment at the annual Town Meeting held on March 15, 1971, in the Stoneham Junior High School, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in the Stoneham Junior High School, on Monday, March 22, 1971, at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the Stoneham Junior High School and the check lists showed that six hundred and forty-three (643) voters attended the meeting.

The meeting was called to order and the warrant read.

Mr. Arnold Carlson, Chairman of the Finance and Advisory Board, requested a point of personal privilege to read the following letter:

“Miss Audrey C. Rice, Town Clerk
Town of Stoneham
Stoneham, Mass. 02180

March 22, 1971

Dear Miss Rice:

The members of the Finance and Advisory Board have decided that since the voters of the Town of Stoneham have seen fit to disregard substantially all the Board's recommendations as to the fiscal policies of the Town, it is obvious that the Board is not serving and is not attuned to the desires of a majority of the active voters of the Town.

However, the members of the Board feel, in all good conscience, that they cannot capitulate or become a party to these desires because, in their opinion, the course of action evidenced at this Town Meeting will lead to very serious financial problems for the majority of the taxpayers of the Town and the Town itself.

The Board felt, after discussing the many issues in the course of the year in over sixty-five meetings, interviews and conferences with town officials, state officials and officials from other towns and cities, that its recommendations were for the best long-term interests of the Town and its taxpayers. In this era of belt tightening by other communities, where there had been little or no pay increases for town employees, no increases in school budgets, and where tax bases were expanded when possible, the Board felt its recommendations were fair and reasonable. So far at this Town Meeting, the voters of the Town have increased Town employees salaries 10 to 12

percent, have increased the school budget by \$435,000.00 and have apparently decided to embark upon a recreation program, that if carried out as discussed, will undoubtedly result in a town expenditure of between \$2,000,000. and \$3,000,000. (including interest) without an increase in the tax base. A tax base which is already inadequate because of very definite capital outlay needs within the next five years.

The Board felt, after many long hours and hard work, that it evaluated each issue very objectively and attempted to balance all factors in the overall best interests of all the taxpayers. Its efforts were met with implied accusations of playing politics, when no one on the Board has any political ambitions of any sort, of self-dealing and personal financial interest, when no one on the Board has any connections with the Town other than being a tax-paying home owner, and of interference, when that is the function of an Advisory Board when it feels the interests of the Town are not properly served. Lastly, while the Board does not feel that the voters have to agree with their point of view on all issues, the members do believe the Board should at least be given the opportunity to be heard without interruption and with common courtesy, instead of being badgered by an unruly and uncontrolled meeting. The impression this created will, no doubt, have an unfortunately lasting effect on those of our youth who were present on the stage to witness a Town Meeting representing democracy in action.

Because of all these factors, it is the opinion of the Board that they can no longer serve the Town effectively and cannot remain involved in a program of fiscal irresponsibility promoted by some of our elected officials and abetted by others through the active misrepresentation of facts by these other individuals. The Board refuses to become a "rubber-stamp" Board.

Therefore, effective immediately, we respectfully submit to the Town Clerk the resignations of all members of the Finance and Advisory Board. The Board views these resignations as a possible benefit to the Town in that a new Finance and Advisory Board could possibly present fresh viewpoints more in line with voters' sentiment.

The undersigned members of the Finance and Advisory Board of the Town of Stoneham hereby resign as members of said Board effective immediately."

Sincerely,

/s/ Arnold R. Carlson

/s/ Louis M. Luciano

/s/ Robert N. Lusardi

/s/ Frank W. Boyle

/s/ Richard V. Palumbo

/s/ Wm. Seymour Hunter

/s/ Richard A. Hubbard

/s/ Gordon A. Worthen

Motions were then made by Mrs. Mildred Schweiger, the remaining member of the Finance and Advisory Board.

VOTED to grant petitioner leave to withdraw motion for reconsideration of Article 5, Section A, Line 3, Salaries under Board of Selectmen (General Government).

Article 12. VOTED that the subject matter of this article be indefinitely postponed. It was moved and seconded that Article 12 be reconsidered. This motion was NOT carried.

Article 21. VOTED that the Town raise and appropriate the sum of \$8,000.00 from the tax revenue of the current year, said sum to be expended by the Unicorn Golf Course Committee for the purpose of acquiring two independent Real Estate appraisals of that part of the Unicorn Golf Course, so-called, which lies within the Town of Stoneham.

Article 22. VOTED that the Town raise and appropriate the sum of \$9,000.00 from the tax revenue of the current year, said sum to be expended by the Unicorn Golf Course Committee for planning recreational uses for that part of the Unicorn Golf Course, so-called, that lies within the Town of Stoneham.

It was moved and seconded that Articles 21 and 22 be reconsidered. This motion was NOT carried.

VOTED to recess the Annual Town Meeting and reconvene the Special Town Meeting at 8:55 P.M.

Article 5. VOTED that the Town amend the Building Code for the Town of Stoneham by adding thereto the following, to be known as Section 3, subsection A-M of Article XVII:

1. Any building that has more than five floors that are used for any purpose, whether it be habitation, office or storage use, shall be completely protected by a sprinkler system.
2. The sprinkler system shall be installed in accordance with National Fire Protection standards No. 13 and No. 13A.
3. Each tenant floor would be considered a separate fire area in the design of the sprinkler system, with a shut off valve for each floor.
4. An indicator panel with local supervision would be located at the building entrance, easily accessible to firefighters, to designate by a signal, the floor on which the sprinkler system was operating.
5. At the same indicator panel there would be a provision or takeover of

control of one elevator by firefighters.

6. Because of the elevation of the building, a pressure tank, or pump, (if a pump, it must have auxiliary power) shall be installed in accordance with N.F.P.A. requirements.

7. A wet standpipe system must also be installed in a stairwell, in accordance with N.F.P.A. requirements. Inch and one half (1½") hose of suitable length, with a nozzle must be attached to the 2½" X 1½" gated outlet.

8. Outside fire department standpipe connections for the sprinkler must be in accordance with N.F.P.A. requirements.

9. All stairwells must be provided with awning type windows at each floor, so that smoke may be relieved readily from the stairwells.

10. A master fire alarm box shall be installed at the front entrance of each building.

11. This box will automatically monitor the sprinkler system and transmit an alarm to the Fire Department.

12. Suitable fire gongs shall be installed on each floor so as to notify the tenants if a fire is in progress, and there shall be pull stations on each floor.

13. All the above mentioned requirements shall meet the approval of the Stoneham Building Inspector upon the recommendation of the Stoneham Fire Chief.

Article 6. VOTED that the subject matter of this article be indefinitely postponed.

Article 7. VOTED that the subject matter of this article be indefinitely postponed.

Article 8. VOTED that the subject matter of this article be indefinitely postponed.

Article 9. VOTED that the subject matter of this article be indefinitely postponed.

Article 10. VOTED that the Town petition the Legislature for legislation terminating, without further action by the Town, the applicability of the Tenement House Law, Chapter 635 of the Acts of 1912, to the Town.

Article 11. VOTED that the subject matter of this article be indefinitely postponed.

VOTED to adjourn the Special Town Meeting and reconvene the Annual Town Meeting, starting with Article 13 at 9:45 P.M.

VOTED to take up Articles 37, 38 and 39 at this time.

Article 37. VOTED that the Town accept a gift of \$200,000.00 as a contribution toward the construction of a new Police Station in memory of her late husband, James B. Crockett, under the following provisions:

That upon acceptance of such gift, the Town shall proceed forthwith with arrangements for said construction and shall continue in good faith so as to enable actual construction to commence by September, 1971, and substantial completion to be accomplished by September, 1972. The gift shall be in two phases, (1) liquidable assets in the value of \$100,000.00 shall be turned over to the Town immediately after adjournment of the Annual Town Meeting for 1971, and (2) the balance of \$100,000.00 in liquidable assets shall be presented to the Town in January, 1972 - both sums of which shall be deposited with the Treasurer and held as a separate account for the purpose designated, as provided for under the provisions of Chapter 44, Section 53A, of the General Laws. UNANIMOUS.

Article 38. VOTED that the Town direct the Moderator to appoint a committee of seven (7), among whose members shall be the following: the Chief of Police, the Superintendent of Public Works, a member of the Board of Selectmen, and a member of the Finance and Advisory Board, which committee shall have all the powers and all the duties necessary to carry out all votes under the warrant of this meeting concerning the construction of a new Police Station, or votes of any subsequent meetings concerning said Police Station including the necessary architectural plans and drawings as voted under this warrant, and to enter into all lawful contracts or agreements, on behalf of the Town, to accomplish such votes. UNANIMOUS.

Article 39. VOTED that the Town raise and appropriate the sum of \$20,000.00 for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications, including such necessary engineering services, for obtaining fixed price bids for construction of a new Police Station on a site to be determined by the Committee appointed under the provisions of Article 38 of this warrant and that said Committee be authorized to make such expenditures. UNANIMOUS.

Article 13. It was moved and seconded that the Town vote to authorize the Assessors to enter into a contract for an expert appraisal of the taxable property within the Town, as provided under Section 4 of Chapter 40 of the General Laws, as amended by Chapter 63 of the Acts of 1966, and that the Town raise and appropriate the sum of \$35,000.00 for said purpose, and that said appropriation be raised from revenue of the current year. YES, 173; NO, 223.

It was moved and seconded that Article 13 be reconsidered. This motion was NOT carried.

VOTED to adjourn at 11:05 P.M., to meet in the Stoneham Junior High School on Monday, March 29, 1971, at 7:30 o'clock in the evening.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

Adjourned Annual Town Meeting

March 29, 1971

Agreeable to the warrant signed by the Selectmen on February 2, 1971, and in accordance with the vote of adjournment at the annual Town Meeting held on March 22, 1971, in the Stoneham Junior High School, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in the Junior High School on Monday, March 29, 1971, at 7:30 in the evening.

Tellers were appointed to check the names of voters entering the Junior High School and the check lists showed that three hundred and forty-four (344) voters attended the meeting.

The meeting was called to order and the warrant read.

Article 14. It was moved and seconded that the Town vote to amend the By-laws of the Town of Stoneham, by adding a new section to Article XII, to be known as Section 26 of Miscellaneous Provisions, and to read as follows:

Article XII, Section 26. No person shall, upon any of the public streets, public grounds, parking lots, commons, vacant lands, whether public or private, conduct himself in a disorderly manner which in any way may disturb the quiet of any person. All areas known as parks, playgrounds, playfields, commons, public grounds or recreation areas, shall be closed during the hours of 10:00 P.M. and 6:00 A.M. on all days, excepting functions or uses under the direct control of the Board of Selectmen or Stoneham Board of Public Works, or with the specific permission of either body.

It was moved and seconded that the motion be amended by adding the following, "and except for the purpose of walking through such parks, playgrounds, playfields, commons, public grounds or recreation areas." This amendment was voted.

VOTED that the Town amend the By-laws of the Town of Stoneham, by adding a new section to Article XII, to be known as Section 26 of Miscellaneous Provisions, and to read as follows: Article XII, Section 26. No

person shall, upon any of the public streets, public grounds, parking lots, commons, vacant lands, whether public or private, conduct himself in a disorderly manner which in any way may disturb the quiet of any person. All areas known as parks, playgrounds, playfields, commons, public grounds or recreation areas, shall be closed during the hours of 10:00 P.M. and 6:00 A.M. on all days, excepting functions or uses under the direct control of the Board of Selectmen or Stoneham Board of Public Works, or with the specific permission of either body, and except for the purpose of walking through such parks, playgrounds, playfields, commons, public grounds or recreation areas.

It was moved and seconded that Article 14 be reconsidered. This motion was NOT carried.

Article 15. VOTED that the Town appropriate \$7,500.00 from revenue of the current year to purchase three (3) new automobiles for use of the Police Department, authorize the disposal of three (3) automobiles now in service, authorize the Board of Selectmen to make such purchase and disposal.

Article 16. VOTED that the town authorize the appointment of one (1) permanent member of the Police Department.

Article 17. VOTED that the Town authorize the Board of Health to enter into a contract, for a term of not more than three (3) years, for the removal and disposal of garbage.

Article 18. It was moved and seconded that the Town vote to amend the Zoning By-law by adding to Article I, Section 20, entitled "Regulation of Apartment Buildings", minimum lot depth 150'.

The motion was NOT carried as the amendment failed to receive the required two-thirds vote in the affirmative. YES, 181; NO, 111.

It was moved and seconded that Article 18 be reconsidered. This motion was NOT carried.

Article 19. VOTED that the subject matter of this article be indefinitely postponed.

It was moved and seconded that Article 19 be reconsidered. This motion was NOT carried.

Article 20. VOTED that the subject matter of this article be indefinitely postponed.

It was moved and seconded that Article 20 be reconsidered. This motion was NOT carried.

Article 23. VOTED that the subject matter of this article be indefinitely postponed. YES, 156; NO, 118.

It was moved and seconded that Article 23 be reconsidered. This motion was NOT carried.

Article 24. VOTED that the subject matter of this article be indefinitely postponed.

Article 25. VOTED that the Town petition the General Court to pass a special Act to place the positions of Town Hall Custodian and Assistant Town Hall Custodian under Civil Service.

Article 26. VOTED that the subject matter of this article be indefinitely postponed.

It was moved and seconded that Article 26 be reconsidered. This motion was NOT carried.

Article 27. VOTED that the subject matter of this article be indefinitely postponed.

It was moved and seconded that Article 27 be reconsidered. This motion was NOT carried.

Article 28. VOTED that the subject matter of this article be indefinitely postponed.

Article 29. VOTED that the Town raise and appropriate the sum of \$100.00, from revenue of the current year, for the purpose of acquiring by purchase or take by right of eminent domain, for conservation purposes, a certain parcel of land in the vicinity of Summit Road and Marble Street in the southwest corner of Stoneham, bounded and described as follows:

Beginning at a point at the northwesterly corner of Lot No. 120, said point being the most southerly corner of the parcel herein described and lying 11.25 feet north of the northerly sideline of Summit Road, so-called, a private way. Thence the line runs in a northwesterly direction by six courses across the rear of Lots 121, 122, 123, 124, 125, and 126, 340 feet, more or less, to a point at the northwest corner of Lot 126, said point being the most westerly corner of the parcel herein described. Thence the line runs in a northeasterly direction, by two courses, across the rear of the "ice house lot", so-called, and Lot 106, 315 feet, more or less, to a point at the southwest corner of Lot 107, said point being the most northerly corner of the parcel herein described. Thence the line runs in an easterly direction, by three courses, across the rear of Lots 107, 108 and 109, said point being the northeast corner of the parcel herein described. Thence the line runs in a southerly direction, by ten courses, across the rear of Lots 110, 111, 112, 113, 114, 115, 116, 117, 118, 119 and 120, 500 feet, more or less, to the point of beginning. Said parcel

containing 2.3 acres, more or less. All according to that area described as "Pond" on plan of Fellsway Park Terrace, Stoneham, Mass., dated October 14, 1914, by E. W. Branch, Civil Engineer, and on file at Middlesex Registry of Deeds, South District, in Book 228---Page 1, said sum to be expended by the Conservation Commission. UNANIMOUS.

Article 30. VOTED that the Town raise and appropriate the sum of \$5,000.00 for the purpose of acquiring by purchase, gift, or eminent domain for conservation purposes under the provisions of Chapter 40, Section 8C of the General Laws, as amended, a certain parcel of land on Summit Road in the vicinity of Dike's Pond, being shown as Lot 107 on Plan entitled "Fellsway Park Terrace, Stoneham, Mass., owned by J.W. Wilbur Co., Inc., Ernest W. Branch, C.E." dated October 14, 1914 and recorded as Plan No. 1 in Plan Book 228, Middlesex South Registry of Deeds, and also for acquiring for said conservation purposes by purchase or by gift the fee in any other such land or water rights or any lesser interest as may be necessary or proper to acquire, maintain, improve, protect, limit the future use of, or otherwise conserve and properly utilize so-called "Dike's Pond" acquired or to be acquired under Article 29 of the warrant for the annual Town Meeting for 1971; and that said sum be raised from the revenue of the current year and expended by the Conservation Commission. UNANIMOUS.

Article 31. VOTED that the Town raise and appropriate the sum of \$950.00 from revenue of the current year to purchase one (1) station wagon for the Dog Officer's Department, for the purpose of transporting dogs, answering complaints and the routine patrol of the Town for stray dogs. UNANIMOUS.

Article 32. VOTED that the Town authorize the Moderator to appoint a committee of three (3) for the purpose of selecting a suitable site and preparing plans for the construction of a dog pound and to report back no later than the next annual Town Meeting.

Article 33. VOTED that the subject matter of this article be indefinitely postponed.

Article 34. VOTED that the Town amend the Zoning By-law of the Town of Stoneham by deleting Section 12B, Sub-section c of Article I, and inserting a new sub-section c as follows:

(c) Such parking facilities shall be designed with appropriate maneuvering areas and with appropriate vehicular access to a street or alley. They shall be suitably graded, surfaced and drained so as to dispose of all surface water without detriment to surrounding uses. They may be provided within or outside a structure, above or below ground. They may be provided on the same lot or premises as the use and structure for which they are intended or on any lot of same use of which at least a substantial portion is within 600 feet of such use or structure, or on a lot which is within 600 feet of such use or structure and is in a less restrictive zone. The required parking

for any two or more uses or structures may be provided by the allocations of the total of the various spaces required for each use or structure in a common parking facility cooperatively established and operated. UNANIMOUS.

Article 35. VOTED that the Town amend the Zoning By-law of the Town of Stoneham by deleting from Article II, Section 9, subsection 26 of the numeral 180 and inserting in lieu thereof the numeral 200. UNANIMOUS.

Article 36. VOTED that the Town amend the Zoning By-law of the Town of Stoneham by deleting Sub-section c of Article I, Section 3 and inserting a new sub-section c to Article I, Section 3 to read as follows:

c. SETBACK AREA. In Residence "B" districts no part of any building including any garage attached thereto, except uncovered steps shall be built, altered, enlarged, or moved within fifteen (15) feet of any street line, nor within ten (10) feet of a side lot line, nor within twenty (20) feet of any other building not an accessory building, on the same lot, except that apartment buildings intended for occupancy by more than two families shall not be within thirty (30) feet of a side lot line or within sixty (60) feet of any other building not an accessory building on the same lot provided, however, that cornices may be extended two feet and chimneys and one story portions three and one-half feet nearer a lot line, private way or other building. UNANIMOUS.

Article 40. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried.

VOTED that the Town raise and appropriate the sum of \$13,900.00 from the revenue of the current year for the purpose of stabilizing the soil, filling, paving with bituminous concrete, painting and performing all other necessary work pertinent to the hockey rink surface situated at Recreation Park and authorize the Board of Public Works to make such expenditures on behalf of the Town.

VOTED to adjourn at 11:05 P.M. to meet in the Stoneham Junior High School on Monday, April 5, 1971 at 7:30 o'clock in the evening.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

Adjourned Annual Town Meeting

April 5, 1971

Agreeable to the warrant signed by the Selectmen on February 2, 1971, and in accordance with the vote of adjournment at the annual Town Meeting held on March 29, 1971, in the Stoneham Junior High School, the inhabitants of the

Town of Stoneham qualified to vote in elections and town affairs met in the Junior High School on Monday, April 5, 1971, at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the Junior High School and the check lists showed that two hundred and fifty-five (255) voters attended the meeting.

The meeting was called to order and the warrant read.

Article 41. VOTED that the Town raise and appropriate the sum of \$12,000.00 for use by the Youth Commission in assisting Stoneham Action Committee, Inc., in its endeavors to combat the use and abuse of drugs by the youth of Stoneham. UNANIMOUS.

Article 42. VOTED that the Town amend the Zoning By-law of the Town of Stoneham by deleting from Article I, Section 2, Subsection (a) Exceptions, the following paragraph:

A private detached garage for not more than two cars may be built to seven (7) feet of a side lot line if of third class construction and to five (5) feet of a side lot line if of second class construction and to three (3) feet of a side lot line if of first class or metal construction provided in any case it shall not be within ten (10) feet of a dwelling on an adjoining lot. UNANIMOUS.

Article 43. It was moved and seconded that the Town vote to amend the Zoning By-law of the Town of Stoneham by deleting paragraph d, of Article I, Section 4 and inserting a new paragraph d to read as follows:

d. Hotel, restaurant, public dining room or lunch room. No lunch cart, restaurant, or portable diner shall be erected or maintained on any lot unless it shall have a lot frontage of at least one hundred fifty (150) feet and a minimum lot area of at least fifteen thousand (15,000) square feet. Such lot shall have adequate parking facilities and such lunch cart, restaurant or portable diner shall be set back at least twenty (20) feet from any street line.

Exception:

Any restaurant located in the Retail, or General Business District on the date of adoption of this amendment may be altered or added to, provided such alterations or additions do not increase the floor area by more than thirty-five percent.

This motion was NOT carried.

Article 44. VOTED that the Town amend the By-laws of the Town of Stoneham by deleting Section 4b of Article XII (Miscellaneous Provisions) and inserting in lieu thereof the following new section 4b to read as follows:

No person shall have more than one unregistered car, or truck ungaraged on his premises in a residential district at any time unless authorized by a special permit from the Board of Selectmen. In no event will an unregistered car or truck be stored on any front yard. When in its judgement the public welfare or the appropriate use of the neighborhood property will not be substantially injured, the Board of Selectmen may issue a special permit under the provisions of Section 4, Chapter 40A of the General Laws, for an exception to the provisions of this By-law. YES, 159; NO, 37.

It was moved and seconded that the subject matter of this article be reconsidered. This motion was NOT carried.

Article 45. VOTED that the subject matter of this article be indefinitely postponed.

Article 46. VOTED that the subject matter of this article be indefinitely postponed.

Article 48. VOTED that the Town amend Section V of Article III of the By-laws relating to public procedures to read in part as follows: "where the materials to be so furnished, or where the estimated amount under the contract so to be given out exceeds \$1,000.00."

Article 49. VOTED that the Town authorize the Moderator to appoint a committee of seven (7) members to investigate the possibility of improving the safety of pupils on their way to and from school; and to report at the next Town Meeting with specific recommendations for this purpose.

Article 50. It was moved and seconded that the Town vote to raise and appropriate the sum of \$2,050.00 for the purpose of acquiring, by purchase, accept as a gift, take by right of eminent domain, or otherwise acquire, for school recreational purposes, title to a certain parcel of land consisting of 42,437 square feet, more or less, beginning at the northeast side of East School land and being bounded and described as follows:

Southerly by said East School land, 160.57 feet, more or less; westerly along land of Carroll and Sullivan, 279.64 feet, more or less; northerly along land of Hamill and Gilmartin, 160 feet, more or less; and easterly along land of Grant, Merchant and Antimoro a distance of 247.13 feet, more or less, to the point of beginning.

This motion was NOT carried.

Article 51. VOTED that the Town raise and appropriate the sum of \$28,000.00 for the purpose of defraying the cost of constructing water mains or replacing or relining existing water mains within the limits of the Town, and, that the Town Treasurer, with the approval of the Selectmen be authorized to sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$28,000.00,

said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws. UNANIMOUS.

Article 52. VOTED that the Town raise and appropriate the sum of \$50,000.00, from revenue of the current year, for the purpose of constructing sanitary sewer mains within the limits of the Town.

Article 53. VOTED that the Town raise and appropriate the sum of \$12,500.00, from revenue of the current year, for the purpose of constructing sewers for surface drainage within the limits of the Town.

Article 54. VOTED that the Town raise and appropriate the sum of \$6,000.00, from revenue of the current year, for the maintenance of highways which have been constructed with the State and County Aid, under the provisions of Chapter 90 of the General Laws.

Article 55. VOTED that the Town raise and appropriate the sum of \$33,000.00, from revenue of the current year, for the construction of highways, with State and County Aid, under the provisions of Chapter 90 of the General Laws.

Article 56. VOTED that the Town raise and appropriate the sum of \$45,000.00, from revenue of the current year, for the purpose of defraying the cost of providing an area outside the Town limits for the disposal of rubbish and refuse for a period of one (1) year.

VOTED that Articles 57, 58 and 59 be taken up together.

VOTED that the subject matter of Articles 57, 58 and 59 be indefinitely postponed.

Article 60. VOTED that the subject matter of this article be indefinitely postponed.

Article 61. VOTED that the subject matter of this article be indefinitely postponed.

Article 62. It was moved and seconded that the Town raise and appropriate the sum of \$5,900.00, from revenue of the current year, for the installation of bituminous concrete sidewalks on the southerly side of North Street, commencing at the intersection of Main Street and proceeding east 300 feet to the driveway opening at Leisure Manor, and from the driveway opening at Stonehill Towers south to the intersection of Main Street and North Street, for a distance of 400 feet, said sidewalks to be constructed under the betterment act.

This motion was NOT carried.

Article 63. VOTED that the Town raise and appropriate the sum of \$350.00,

from revenue of the current year, for the purpose of providing adequate lighting in the Town Hall Banquet Room.

Article 64. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried.

It was moved and seconded that the Town raise and appropriate the sum of \$600.00 to assist in defraying the costs of operating the Stoneham Historical Society at 36 William Street, which studies, collects and preserves articles and maintains historical records pertaining to the Town. SO voted. UNANIMOUS.

Article 65. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried.

It was moved and seconded that the Town accept the provisions of Chapter 835, Acts of 1970, Commonwealth of Massachusetts, entitled "An Act Establishing a Career Incentive Pay Program for Regular Full-time Police Officers and Providing for Partial Reimbursements by the Commonwealth for Certain Cities and Towns. So voted.

VOTED to adjourn sine die.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

RECOUNT OF VOTES CAST FOR SCHOOL COMMITTEE

On the petition of seventeen (17) registered voters for a recount of all votes cast for School Committee at the annual Town Election on March 1, 1971, the Registrars of Voters held said recount on Sunday, March 22, 1971, with the following result:

Betty B. McManus, 5 Forest Street	1321
George L. Bird, Jr., 68 Duncklee Avenue	862
R. Paul Rotondi, 6 Bonad Road	828

Audrey C. Rice, Town Clerk

Warrant For Special Town Meeting

Tuesday, July 6, 1971

To either of the Constables of the Town of Stoneham in the County of Middlesex,

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in the Town Hall on Tuesday, July 6, 1971, at 7:30 o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1.

To see if the Town will vote to raise and appropriate a sum of money for the installation of bituminous concrete sidewalk on the southerly side of North Street commencing at the intersection of Main Street and proceeding east 300 feet to the driveway opening at Leisure Manor, said sidewalk to be constructed under the betterment act, and determine in what manner the said appropriation shall be raised from taxation, or by transfer from available funds, or do anything in relation thereto.

BOARD OF SELECTMEN

ARTICLE 2.

To see if the Town will vote to amend the Town Zoning By-laws by adding, to Article II, Administration after Section 6, a new section to be entitled Section 6A, to read as follows:

SECTION 6A: To aid and cooperate in the planning, construction or operation of a project of the Stoneham Housing Authority, the Board of Appeal may upon application by said Authority, establish exceptions to existing by-laws regulating the design, construction and use of buildings and/or Lot, including but not limited to use, setback, boundaries, lot lines, frontage, distance between structures and off street parking.

Such exceptions shall be in harmony with the general purpose and intent of the zoning by-law of the Town.

Requirements for notice and holding of a public hearing must be followed according to law.

STONEHAM HOUSING AUTHORITY

ARTICLE 3.

To see if the Town will vote to modify the vote taken under Article 44 of the Warrant for the Annual Town Meeting for 1939 by deviating from the plan shown on drawing entitled "Proposed Development Civic Center Prepared by Stoneham Planning Board, August 1, 1938" so as to authorize the construction of a Police Station on the area located between the southerly side of Common Street and the northerly side of the Town Hall, or do anything in relation thereto.

POLICE STATION BUILDING COMMITTEE

ARTICLE 4.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of providing the balance of funding for the construction of a new Police Station to be located on land now owned by the Town of Stoneham and bounded on the North by Common Street, on the west by Central Street and on the south by Emerson Street, said sums to be raised from bonds, notes, excess & deficiency fund, or otherwise, or do anything in relation thereto.

POLICE STATION BUILDING COMMITTEE

ARTICLE 5.

To see if the Town will vote to raise and appropriate a sum of money to pipe the drainage brook on the northeasterly side of Brookbridge Road at or near number twenty-eight, from a culvert under said Brookbridge Road northerly and northeasterly a distance of 120 feet more or less, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

WALTER J. CARROLL
and

TWELVE OTHERS

And you are directed to have five hundred (500) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy of the said warrant to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this twenty-second day of June in the year of Our Lord one thousand nine hundred and seventy-one.

Edmund J. Moreira
James A. McDonough, Jr.
Albert Symes
June McTaggart
Alice DeRossi

SELECTMEN OF STONEHAM

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on June 28, 1971 and by causing to be published duly attested copies of the said warrant in the Stoneham Independent on June 24, 1971.

Robert E. Moreira
Constable of Stoneham

Special Town Meeting

July 6, 1971

Agreeable to the warrant signed by the Selectmen on June 22, 1971, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, July 6, 1971 at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that two hundred and forty voters attended the meeting.

Article 1. VOTED that the Town raise and appropriate the sum of \$2,500.00 for the installation of bituminous concrete sidewalk on the southerly side of North Street, commencing at the intersection of Main Street and proceeding 300 feet, more or less, to the driveway opening at Leisure Manor, said appropriation to be raised as follows: \$1,250.00 from revenue of the current year and by \$1,150.00 from the proceeds received from the surety of Berman and Son, Inc., the present owners of Leisure Manor of Stoneham.

Article 2. VOTED that the Town amend the Town Zoning By-laws by adding to Article II, Section 6 the following sub-section 4:

4. To aid and cooperate in the planning, construction or operation of an elderly housing project by the Stoneham Housing Authority as provided for under the provisions of Chapter 121 B, Section 23 of the General Laws, the Board of Appeals may, upon application by the authority, grant an exception to any regulations or restrictions contained in the Zoning By-laws for that housing project for which the application has been submitted.
UNANIMOUS.

Article 3. VOTED that the Town modify the vote taken under Article 44 of the warrant for the annual Town Meeting for 1939 by deviating from the plan shown of drawing entitled, "Proposed Development Civic Center Prepared by the Stoneham Planning Board, August 1, 1938" so as to authorize the construction of a Police Station on the area located between the southerly side of Common Street and the northerly side of the Town Hall.

Article 4. VOTED that the Town raise and appropriate the sum of \$300,000.00 for the purpose of constructing a new police station to be located on land owned by the Town of Stoneham and bounded on the north by Common Street, on the west by Central Street and on the south by Emerson Street, said appropriation to be expended by the Police Station Building Committee as voted under Article 38 of the 1971 annual Town Meeting Warrant. Said appropriation to be raised as follows: By \$100,000.00 from the

gift received from Mrs. Angie Crockett for the building of a new police station, that the Town Treasurer with the approval of the Selectmen, be authorized to sell from time to time, as the occasion requires, town notes, bonds or other evidence of indebtedness to an amount not exceeding \$200,000.00 said notes or bonds to be payable in accordance with Chapter 44 of the General Laws. YES, 195; NO, 10.

Article 5. VOTED that the subject matter of this article be indefinitely postponed.

VOTED to adjourn at 8:35 P.M.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

Warrant For Special Town Meeting

Monday, November 15, 1971

To either of the Constables of the Town of Stoneham in the County of Middlesex,

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in the Town Hall on Monday, November 15, 1971, at 7:30 o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of purchasing, accepting as a gift, taking by right of eminent domain, or otherwise, title in fee to a certain parcel of land, together with all buildings and any other improvements located therein, for recreation and conservation purposes and for purchasing such original golf course equipment and furnishings as are necessary to start up and operate on a continuing basis a municipal golf course on said parcel of land commonly known as the Unicorn Golf Course, being that portion which lies within the Town of Stoneham, believed to be owned by Robert S. Bowditch, Executor under the will of Moulton Cox, as more particularly described as follows:

Beginning at the northwesterly corner of the tract herein described, said point of beginning, being on the boundary line between Stoneham and Woburn and the southerly line of William Street;

Thence leaving said boundary line running easterly by William Street, by the three courses totaling about two hundred ninety-three (293) feet, to land now or formerly of Marjory Cook:

Thence running southerly about two-hundred twenty-two (222) feet, to a point;

Thence running easterly fifty-five (55) feet, to a point;

Thence running northerly sixty-one (61) feet, to a point;

Thence running easterly twenty-five (25) feet, to a point;

Thence running northerly five (5) feet, to a point;

Thence running easterly ninety (90) feet, to a point;

Thence running northerly about one hundred twenty-five (125) feet, to William Street, the last seven courses being by land now or formerly of Marjory Cook and land now or formerly of Unicorn Golf and Country Club, Inc.

Thence running easterly by William Street, by two courses totaling three hundred-seventy-four and 12-100 (374.12) feet, to land now or formerly of Keimach;

Thence running southerly eighty-five (85) feet, to a point;

Thence running easterly seventy-two (72) feet, to a point;

Thence running southerly fifteen (15) feet, to a point;

Thence running easterly three hundred eighty-four and 63-100 (384.63) feet, to a point, the last four courses being lands of Keimach and others;

Thence running southeasterly by lands of Brown and others, by three courses totaling one thousand fifty-one and 34-100 (1,051.34) feet, to a point;

Thence running southeasterly two courses totaling two hundred sixty-two and 32-100 (262.32) feet, to a point;

Thence running southeasterly two courses by land of the Town of Stoneham totaling five hundred forty-one and 52-100 (541.52) feet, to a point;

Thence running southwesterly one course by land of the Town of Stoneham commonly known as Lindenwood Cemetery totaling one thousand three and 40-100 (1,003.40) feet to a point;

Thence running southeasterly one course by land of the Town of Stoneham commonly known as Lindenwood Cemetery totaling thirty and 22-100 (30.22) feet, to a point;

Thence running southwesterly one course by land now or formerly of Mary E. Ryder totaling nine hundred eight and 49-100 (908.49) feet, to a point;

Thence running southeasterly one course by land now or formerly of Thomas Stinson totaling four hundred forty-seven and 00-100 (447.00) feet, to a point;

Thence running southwesterly one course totaling approximately twenty five and 00-100 (25.00) feet, to a point;

Thence running southeasterly one course totaling one hundred and 00-100 (100.00) feet, to a point;

Thence running southwesterly two courses on the northerly side of Montvale Avenue totaling one hundred seventy-nine and 58-100 (179.58)

feet, to a point;

Thence running northwesterly one course totaling one hundred seventy-four and 14-100 (174.14) feet, to a point;

Thence running southwesterly one course totaling one hundred eleven and 66-100 (111.66) feet, to a point;

Thence running northwesterly one course along the Woburn and Stoneham Town Line totaling three thousand four hundred twenty and 81-100 (3,420.81) feet, to the point of beginning.

Provided that in no case shall the Town acquire said land until application has been made to and approved by the Board of Outdoor Recreation under the Land and Water Conservation Fund Program of the United States Department of the Interior or the Massachusetts Department of Natural Resources under Chapter 132A, Section II of the Massachusetts General Laws for financial assistance.

Further determine in what manner said appropriation shall be raised by transfer from available funds, by borrowing or otherwise; authorize the Board of Selectmen to petition the General Court for any legislation which may be necessary or useful in connection with the foregoing, or do anything in relation thereto.

UNICORN GOLF COURSE COMMITTEE

ARTICLE 2.

To see if the Town will vote to petition the General Court to enact special legislation creating an autonomous authority for the purpose of maintaining and operating Unicorn Park as a recreation area. Said authority shall consist of nine elected members each serving three year terms. Of the members first elected to the authority three shall be elected for terms of one year, and three for terms of two years and three for terms of three years. Upon expiration of the term of any such member his successor shall be elected for a term of three years. Any vacancy in the office of a member shall be filled by a joint meeting of the Board of Selectmen and the remaining members of the Unicorn Authority.

UNICORN GOLF COURSE COMMITTEE

ARTICLE 3.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of contracting and greenskeeping services as voted under Article 1. of this warrant, said contract not to commence before January 1, 1972 and to expire on or before March 31, 1972 and authorize the Unicorn Golf Course Committee to enter into said contract on behalf of the town, determine in what manner said appropriation shall be raised by transfer of available funds, or do anything in relation thereto.

UNICORN GOLF COURSE COMMITTEE

ARTICLE 4.

To see if the town will vote to authorize the Moderator to appoint a committee of seven members, to be known as the Ice Skating RInk

Building Committee, for the purpose of erecting an enclosed artificial ice skating rink on the land to be acquired under the provisions of Article 1. of this warrant or land presently owned by the Town of Stoneham or land to be acquired in the future for ice skating rink building purposes, raise and appropriate a sum of money for obtaining preliminary plans and other related expenses for use of the said Committee, by transfer from available funds in the treasury, or do anything in relation thereto.

UNICORN GOLF COURSE COMMITTEE

ARTICLE 5.

To see if the Town will vote to amend the Zoning By-laws by adding to the present Retail Business District:

A parcel of land on Main Street, to the rear of the Trodella Office Building and the Middlesex Bank as hereinafter described:

Beginning at a point one hundred feet westerly from Main Street on its southerly boundary line, the said parcel is bounded southerly by land of the United States Government one hundred and forty-three (143 feet, more or less; westerly by land of the Town of Stoneham two hundred and twenty-five (225) feet, more or less; northerly by other land of George P. and Claire D. Trodella one hundred and forty-three (143) feet; more or less; easterly by other land of George P. and Claire D. Trodella two hundred and twenty-five (225) feet, more or less on a line one hundred feet westerly from Main Street, intending hereby to rezone those portions of Lots B-1 and B-2 which extend more than one hundred (100) feet westerly from Main Street, said lots being substantially shown on a "Plan of Land on Main Street, Stoneham, Mass." by John E. Shaughnessy, R.L.S. dated July 6, 1961, and recorded with Middlesex South District Deeds in Book 9887, Page 14.

MIDDLESEX BANK N.A.
GEORGE P. TRODELLA

ARTICLE 6.

To see if the Town will vote to amend the Zoning By-law of the Town of Stoneham by adding to Article II, Section 9 DEFINITIONS the following:

27. Public or Semi-Public Building or Use. A building or use owned or operated by a local, county, state or federal governmental agency.

Edward M. Lynch, Jr.
Building Inspector

ARTICLE 7.

To see if the Town will vote to raise and appropriate a sum of money for Veterans Benefits, determine in what manner such appropriation shall be raised, by transfer from available funds, by transfer from the

Excess and Deficiency Account, or by any combination of both, or do anything in relation thereto.

William L. Curran
Director of Veterans Services

And you are directed to have five hundred (500) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy of the said warrant to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this nineteenth day of October in the year of Our Lord one thousand nine hundred and seventy-one.

Edmund J. Moreira
June M. McTaggart
Alice Fitzgibbon DelRossi
A. P. Symes
James A. McDonough

SELECTMEN OF STONEHAM

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on November 8, 1971 and by causing to be published duly attested copies of the said warrant in the Stoneham Independent on October 28, 1971.

Robert E. Moreira
Constable of Stoneham

Special Town Meeting *November 15, 1971*

Agreeable to the warrant signed by the Board of Selectmen on October 19, 1971, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, November 15, 1971 at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that four hundred and sixty three (463) attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Town raise and appropriate the sum of \$600,000 for the purpose of purchasing, accepting as a gift, take by right of eminent domain, or otherwise, title in fee to a certain parcel of land, together with all buildings and other improvements located therein, for construction of a golf course, for recreation purposes and for purchasing such original golf course equipment and furnishings as are necessary to start up and operate on a continuing basis as a municipal golf course and any other recreational facilities to be located thereon and said municipal golf course and other recreational facilities to be operated by and under the control of the Unicorn Golf Course Committee on said parcel of land commonly known as the Unicorn Golf Course, being that portion which lies within the Town of Stoneham, believed to be owned by Robert S. Bowditch, Executor under the will of Moulton Cox, as more particularly described as follows:

Beginning at the northwesterly corner of the tract herein described, said point of beginning, being on the boundary line between Stoneham and Woburn and the southerly line of William Street:

Thence leaving said boundary line running easterly by William Street, by the three courses totaling about two hundred ninety-three (293) feet, to the land now or formerly of Marjory Cook;

Thence running southerly two hundred twenty-two (222) feet, to a point;

Thence running easterly fifty-five (55) feet, to a point;

Thence running northerly sixty-one (61) feet, to a point;

Thence running easterly twenty-five (25) feet, to a point;

Thence running northerly five (5) feet, to a point;

Thence running northerly about one hundred twenty-five (125) feet, to William Street, the last seven courses being by land now or formerly of Marjory Cook and the land now or formerly of Unicorn Golf Course Club, Inc.

Thence running easterly by William Street, by two courses totaling three hundred seventy-four and $12\frac{1}{100}$ (374.12) feet, to land now or formerly of Keimach;

Thence running southerly eighty-five (85) feet, to a point;

Thence running easterly seventy-two (72) feet, to a point;

Thence running southerly fifteen (15) feet, to a point;

Thence running easterly three hundred eighty-four and $63\frac{1}{100}$ (384.63) feet, to a point, the last four courses being lands of Keimach and others;

Thence running southeasterly by lands of Brown and others, by three courses totaling one thousand fifty-one and $34/100$ (1,051.34) feet, to a point;

Thence running southeasterly two courses totaling two hundred sixty-two and $32/100$ (262.32) feet, to a point;

Thence running southeasterly two courses by land of the Town of Stoneham totaling five hundred forty-one and $52/100$ (541.52) feet, to a point;

Thence running southwesterly one course by land of the Town of Stoneham commonly known as Lindenwood Cemetery totaling one thousand three and $40/100$ (1,003.40) feet, to a point;

Thence running southeasterly one course by land of the Town of Stoneham commonly known as Lindenwood Cemetery totaling thirty and $22/100$ (30.22) feet, to a point;

Thence running southwesterly one course by land now or formerly of Mary E. Ryder totaling nine hundred eight and $49/100$ (908.49) feet, to a point;

Thence running southeasterly one course by land now or formerly of Thomas Stinson totaling four hundred forty-seven and $00/100$ (447.00) feet, to a point;

Thence running southwesterly one course totaling approximately twenty-five and $00/100$ (25.00) feet, to a point;

Thence running southeasterly one course totaling one hundred and $00/100$ (100.00) feet, to a point;

Thence running southwesterly two courses on the northerly side of Montvale Avenue totaling one hundred seventy-nine and $58/100$ (179.58) feet, to a point;

Thence running northwesterly one course totaling one hundred seventy-four and $14/100$ (174.14) feet to a point;

Thence running southwesterly one course totaling one hundred eleven and $66/100$ (111.66) feet, to a point;

Thence running northwesterly one course along the Woburn and Stoneham Town Line totaling three thousand four hundred twenty and $81/100$ (3,420.81) feet, to the point of beginning.

Provided that in no case shall the Town acquire said land until application has been made to and approved by the Board of Outdoor Recreation under the Land and Water Conservation Fund Program of the United States Department of the Interior or the Massachusetts Department of Natural

Resources under Chapter 132A, Section II of the Massachusetts General Laws for financial assistance.

Said appropriation to be raised as follows: That the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$600,000.00, said notes or bonds to be payable in accordance with the provisions of Chapter 44 of the General Laws. YES, 351; NO, 51.

It was moved and seconded to reconsider Article 1. This motion was NOT carried.

Article 2. VOTED that the Town do vote unfavorable action on this article. It was moved and seconded that Article 2 be reconsidered. This motion was NOT carried.

Article 3. VOTED that the Town raise and appropriate the sum of \$2,550.00 for the purpose of contracting for greenskeeping services to carry out the purposes as voted under Article 1 of this warrant, said contract not to commence before January 1, 1972 and to expire on or before March 31, 1972, and authorize the Unicorn Golf Course Committee to enter into said contract on behalf of the Town, and that said appropriation be raised as follows:

By transferring the balance of \$1,550.00 from Article 21 of the 1971 Annual Town Meeting Warrant appropriation and

By transferring the sum of \$1,000.00 from Article 22 of the 1971 Annual Town Meeting Warrant appropriation, and that the Town Accountant is hereby authorized to make such transfers on the books of the Town.

It was moved and seconded that Article 3 be reconsidered. This motion was NOT carried.

Article 4. VOTED that the Town authorize the Moderator to appoint a committee of seven members, to be known as the Ice Skating Rink Building Committee, for the purpose of erecting an enclosed artificial ice skating rink on the land to be acquired under the provisions of Article 1 of this warrant, and that the Town raise and appropriate the sum of \$3,000.00 for obtaining preliminary architect plans for the purpose of erecting an enclosed artificial ice skating rink, said appropriation to be expended by said Committee, and that said appropriation be raised by transferring the sum of \$3,000.00 from Article 22 of the 1971 Annual Town Meeting Warrant appropriation, and that the Town Accountant is hereby authorized to make such a transfer on the books of the Town.

It was moved and seconded that Article 4 be reconsidered. This motion was NOT carried.

Article 5. VOTED that the Town amend the Zoning By-law by adding to the present Retail Business District:

A parcel of land on Main Street, to the rear of the Trodella Office Building and the Middlesex Bank as hereinafter described.

Beginning at a point one hundred feet westerly from Main Street on its southerly boundary line, the said parcel is bounded southerly by land of the United States Government one hundred and forty three (143) feet, more or less; westerly by land of the Town of Stoneham two hundred and twenty-five (225) feet, more or less; northerly by other land of George P. and Claire D. Trodella one hundred and forty-three (143) feet, more or less; easterly by other land of George P. and Claire D. Trodella two hundred and twenty-five (225) feet, more or less, on a line one hundred (100) feet westerly from Main Street, intending hereby to rezone those portions of Lots B-1 and B-2 which extend more than one hundred (100) feet westerly from Main Street, said lots being substantially shown on a "Plan of Land on Main Street, Stoneham, Mass." by John E. Shaughnessy, R. L.S. dated July 6, 1961, and recorded with Middlesex South District Deeds in Book 9887, Page 14. YES, 157; NO, 69.

It was moved and seconded that Article 5 be reconsidered. This motion was NOT carried.

Article 6. VOTED that the Town amend the Zoning By-law of the Town of Stoneham by adding to Article II, Section 9 DEFINITIONS the following:

27. Public or Semi-Public Building or Use.

A building or use owned or operated by a local, county, state or federal governmental agency. UNANIMOUS.

Article 7. VOTED that the Town raise and appropriate the sum of \$20,000.00 for Veterans Benefits, said appropriation to be raised by transferring the sum of \$20,000.00 as voted under Article 5, Section J, Interest on Debt, Line No. 132 of the 1971 Annual Town Meeting Warrant, and that the Town Accountant is hereby authorized to make such transfer on the books of the Town.

Voted to adjourn at 10:15 P.M.

All the foregoing truly entered.

Audrey C. Rice, Town Clerk

ZONING BY-LAW AMENDMENTS

Articles 34, 35, 36 and 42. Annual Town Meeting warrant of 1971. VOTED sessions of March 29th, and April 5th, 1971. APPROVED by the Attorney General on May 14, 1971, and posted on May 21, 1971.

Article 2. Special Town Meeting warrant of 1971. VOTED session of July 6, 1971. APPROVED by the Attorney General on July 12, 1971, and posted on July 15, 1971.

Articles 5 and 6. Special Town Meeting warrant of 1971. VOTED session of November 15, 1971. APPROVED by the Attorney General on January 5, 1972, and posted on January 12, 1972.

BY-LAW AMENDMENTS

Articles 9, 14 and 48. Annual Town Meeting warrant of 1971. VOTED sessions of March 15th, March 29th and April 5th, 1971. APPROVED by the Attorney General on June 4, 1971, and posted on June 11, 1971.

Article 44. Annual Town Meeting warrant of 1971. VOTED session of April 5, 1971. DISAPPROVED by the Attorney General on June 4, 1971.

GENERAL BY-LAW AMENDMENT

Article 5. Special Town Meeting warrant of 1971 (Building Code). VOTED session of March 22, 1971. APPROVED by the Attorney General on May 12, 1971, and posted on May 19, 1971.

Annual Report Of The Civil Defense Dept. For 1971

To the Honorable Board of Selectmen:

Gentlemen:

I hereby respectfully submit this report for the office of Civil Defense, and its activities for 1971.

We have 14 public shelters available and 12 of these are licensed, seven are marked, and we have a total of 2434 spaces out of a possible 3811 stocked. During the year 6 regular firemen have attended the Civil Defense Fire Course conducted at the MCDA Training Academy in Topsfield. Additionally we have recruited and trained locally 4 auxiliary firemen to bring the total enrollment of this department to 8. We also have a team of scuba

divers available when-ever the need may arise, this team of trained divers are available to other towns if the need arises.

During the year the office of Civil Defense has made tremendous strides and the program outlined for the federal fiscal year 1972 has been accepted and approved. Approval of this program places Stoneham in an eligibility status for matching funds for projects.

Additionally this approval allows Stoneham to partake in the Surplus Property and Excess Property programs of the Federal Government.

The department during the year has participated in the following programs and/or civil defense activities:

- a) active participation in the Governors Highway Safety Campaign during the three major holidays.

- b) active participation in the monthly Sector Directors meetings.

- c) active participation in the various training programs and attendance at various seminars in order that Stoneham would be kept abreast of current changes or modifications in policies concerning civil defense.

During the year civil defense personnel have assisted the local chapter of the Red Cross during their Blood Mobile drive.

We have distributed emergency information folders and answered many inquiries concerning civil defense.

We have taken officials of the town to visit the State Civil Defense Headquarters in Framingham in order that they would have a better understanding of Civil Defense.

Under the command of Auxiliary Fire Captain Thomas Curley, members of his department responded to fires and other emergency situations on 27 occasions. The members of this department volunteered over 200 man hours assisting the regular department, plus an additional 100 man hours spent in training.

The Auxiliary Police Department under the command of Auxiliary Police Chief Milton E. Roberts participated in the Governors Highway Safety programs during the three major holidays and at all major civic events as well as assisting the regular police in routine police work, volunteering over 300 man hours.

This then is a summary of the activities of this department for the year 1971.

Respectfully submitted,
Bennie Pasquariello - Director

1971 Annual Report Of The Conservation Commission

The Conservation Commission organized on May 4, 1971 and elected Bennett Blaisdell Chairman, Norman Norton Vice Chairman, and Daniel Towse, Secretary for the year.

Mrs. Alice White declined reappointment to and Mrs. Elsie Soule resigned from the Commission during the year. Both ladies have served the Town admirably since the founding of the conservation movement and we wish to thank them for their contribution to the town.

As a result of Article 29 of the 1971 Annual Town Meeting Dikes Pond was acquired by eminent domain action. Article 30 of the same warrant allowed for acquisition of access to the Pond. Application for state aid through the Department of Natural Resources has been filed and reimbursement of 50 percent of any cost is expected.

We were extremely pleased that the townspeople voted to keep and acquire Unicorn Golf Course as an open area. We commend the members of that committee for a splendid service to future generations of Stoneham residents.

The Commission is also applying for a Ford Foundation Grant to aid in a study for recommended use of properties under the commissions jurisdiction.

The Conservation Commission has submitted an article for the 1972 Town Meeting warrant that would establish a conservation fund to be used to acquire rights or title to property for the public use.

Hatch Act hearings will be the responsibility of the Commission in the future as a result of an amendment in 1971 to the inland wetland act.

Meetings are held twice a month in Town Hall and the public is invited to attend and participate.

The Commission is constantly investigating and updating the town open land and conservation plan. We wish to thank the officers and employees of the town for their help and the townspeople for their generous support.

Bennett Blaisdell, Chairman
Norman Norton, Vice Chairman
Daniel Towse, Secretary
Louise A. Dole
John O'Doherty
Viola Saltmarsh

Annual Report Of The Planning Board

To the Citizens of Stoneham:

The Planning Board held its 1971 organizational meeting April 28, 1971. Board members elected Thomas W. Foster, chairman and Rudolph G. DiLuzio secretary for the year.

The board held twenty-four regular meetings and seven public hearings during the year.

Twenty-nine plans were signed not requiring approval under the subdivision control law. Two new subdivisions were approved as follows: Rayner Circle and the Duncklee Avenue Elderly Housing Project.

John Brown Associates, consultants, completed their recommendations for future land use and a zoning by-law revision and the resulting reports are being reviewed and studied by the board. The board feels that further comprehensive study and evaluation of the consultants' report and recommendations are required before presentation at a town meeting. The Planning Board also intends to make recommendations on the remaining tracts of land in order that the town may realize the greatest benefit. It is anticipated that these areas would require a new type of zoning.

After considerable deliberation, the Planning Board opposed the use of Unicorn Golf Course for commercial and apartment condominium use.

The board attended the Charter Commission hearing and vigorously opposed changing the Planning Board from an elective to an appointive board. With the continued growth of the town, the Planning Board functions become more complex and challenging because any decisions made will affect the future image of the town.

We wish to thank the members of the town boards, town counsel, building inspector and town engineers for their cooperation and interest throughout the year.

Respectfully submitted,

STONEHAM PLANNING BOARD

Thomas W. Foster, Chairman
Rudolph G. DiLuzio, Secretary
William S. Coy Jr.
Ronald W. Slocum
Louis D. Golini

Annual Report Of The Stoneham Housing Authority

Honorable Board of Selectmen
Stoneham, Massachusetts

In compliance with the requirements of the General Laws of the Commonwealth of Massachusetts, the Stoneham Housing Authority submits its report for the year ending December 1971.

The Authority was created by the unanimous vote of the Town Meeting on March 24, 1948. As perscribed by the General Laws, it functions as a body politic and a corporate entity entirely separate from the Town of Stoneham and the Commonwealth of Massachusetts.

The Authority consists of five members-four are elected for terms of 5 years at the Stoneham Town Election and one member is appointed by the Commissioner of Community Affairs also for a term of 5 years.

At the annual meeting of the Authority held on April 14, 1971 the following officers were chosen:

Chairman-William L. Curran
Vice-Chairman-Donald A. Lawson
Treasurer-Lawrence F. Hurley
Ass't Treasurer-George C. Smith
Member-John M. Rolli
Attorney John E. Finnegan-Executive Director and Counsel

Donald Lawson was reappointed in 1971 as the State-Appointed Member for a term of five years.

The Authority has built and now owns and administers five separate projects. Two of these are for veterans and their families and three are for persons over 65 years of age.

There are 72 units of veterans housing. They consist of 42 two bedroom units and 30 three bedroom apartments. The Calthea Street project was completed on June 1, 1950 and the Washington Avenue project on September 1, 1951 and have been fully occupied since that time. Incomes and family composition are reviewed annually. The rental charge reflects the cost of operation and administration costs of the projects and the amount needed to pay off the original construction costs. The projects are inspected annually by the members of the Authority, both inside and outside, to insure the continued upkeep of the buildings and grounds.

The Authority now owns 109 units of Elderly Housing. The first project,

consisting of 29 apartments was opened in December 1957. Forty more apartments were added in 1964 and another forty units were completed for occupancy in December 1966.

All utilities, except electricity are included in the rental charge. The elderly tenants have the use of their own Community Building for their schedule of activities. The building, which has once been enlarged, provides kitchen facilities and a coin-operated laundry for the convenience of the tenants and it has a large activity room.

The original 29 units, which was one of the first projects built in the State, is located on an extension of Washington Avenue and the 80 later units are located on Parker Chase Road, a new street built by the Authority.

The Authority has a permanent maintenance staff for the upkeep of all the projects with special attention to the comfort and convenience of the elderly tenants.

To meet the ever increasing demand for Elderly Units, the Authority has entered into a Contract for Financial Assistance with the Division of Housing, Department of Community Affairs, Commonwealth of Massachusetts. \$1,700,000.00 has been made available for the construction of a new project. The Authority is in the process of having plans and specifications for 100 units drawn up by the architectural firm of Drummey Rosane Anderson. This is a redrawing of plans and specifications for a conventional type building somewhat similar to the existing types. The first offering was of pre-stressed concrete and bids received were too high for acceptance and approval by the Department of Community Affairs.

The Authority is pleased at the new offering and expect to let a contract early this spring for 100 units of Housing for the Elderly which is in great demand. This will consist of four new buildings plus a new and larger community building. The new units will be heated electrically and will consist of a living room, bedroom, kitchen and bath. The building will have a brick exterior and closely resemble the existing projects both inside and out and will be fully landscaped for the enjoyment of the tenants.

The members of the Authority and the Executive Director wish to thank the tenants and the various departments and officials of the Town for their cooperation and help in 1971, as well as heretofore.

The Authority is especially grateful to the Department of Public Works for its invaluable help and also to the Stoneham Public Library for providing books and service to the elderly tenants at the Community Building.

Respectfully submitted,

William L. Curran
Chairman

ANNUAL REPORT
OF THE
PUBLIC SCHOOLS
OF THE
TOWN OF STONEHAM
MASSACHUSETTS
1971

In order to be effective, schools must allow and encourage students to work at their own rate, to develop their own unique style of learning, conceptualizing and piecing together the parts to form coherent patterns.

ANNUAL REPORT OF THE SCHOOL DEPARTMENT

An Annual Report should concisely provide information about schools in two main areas: (1) achievements, general progress, limitations and even a few frustrations of the past year, and (2) hopes, aspirations and objectives for both next year and some successive years. This report should help parents of school children and other citizens to obtain a better understanding of the school system and its accomplishments.

The professional staff of the School Department includes 237 teachers, 15 teacher aides, and 20 administrators, principals, supervisors, and directors. The health department has four full-time nurses and a part-time physician. In addition, there are 5 summer school teachers, 10 part-time teachers and 35 evening school teachers.

Office personnel in all buildings includes 18 full-time secretaries, 13 part-time clerical workers, and a coordinator of data processing.

The buildings and grounds department has a director, 32 custodians and two maintenance craftsmen. The cafeteria staff consists of a director, 20 full-time workers, and 21 part-time workers.

A sizeable percentage of our instructional staff members are studying in various graduate schools to complete either a master's degree or other advanced graduate study programs. There are 108 staff members who have at least a master's degree.

A good school system must have career teachers who provide stability and leadership. Twelve of Stoneham's teachers have twenty-five or more years of service in Stoneham. In addition, 51 instructors have given ten years of service in Stoneham and 66 teachers have taught five or more years in Stoneham. Their experience, plus the experience of those who had been teaching before coming to Stoneham, provides a desirable balance and stability of staff.

The teacher is the key to the best education for the pupils. Although a student's achievement is a very important ingredient in evaluating the worth of his education, other factors must be evaluated. These are character, personality, enthusiasm, interest, perserverance and general motivation, all of which are dependent to a large extent on the quality of the teaching staff. Accepting this viewpoint the School Department will continue to try to recruit the best teachers available for Stoneham's children.

SCHOOL COSTS MANAGEMENT

The School Committee and the School Administration are greatly concerned about rising costs of education. Many factors have contributed to cost increases: inflation, increased cost of materials and services, and additional requirements of special programs represent some of the major reasons.

Substantial increases in State aid have helped to moderate the cost level which Stoneham taxpayers must actually raise to pay for local education. Federal support has remained stable and is generally restricted to the area of special projects such as the elementary counselor and three primary teachers available during the school year and a special summer program paid under Public Law 89-10, Title I, initial occupational education costs, and reimbursements for certain books, materials and equipment.

The School Committee and the School Administration are making every effort to do what is possible under these conditions. The result of this effort has been credibly high level of educational practices maintained at a reasonable cost. If a comparison of the amounts of local taxes spent for schools is made for communities comparable to Stoneham, one may rapidly observe that expenditures for schools in Stoneham are generally less. Stoneham currently spends forty-eight percent of local taxes for schools. The per pupil costs at the elementary level are considerably below the state average. This is a reflection of limited space facilities for special services rather than the lack of quality teachers.

PROGRAM BUDGETING

In 1970 the Stoneham School Department was granted \$9,534.00 under Public Law 89-10, Title V, to hire consultants and pay operating expenses of a series of training conferences in modern budgeting and accounting procedures. Key administrators from several other school departments traveled to Stoneham to participate in the in-service sessions.

The systems approach involves the following elements: planning, programing, budgeting and evaluating. As a management system more than just a system of accounting, PPBS or PPBES is simply a more orderly reclassification of all proposed expenditures into categories that are more meaningful for decision-makers. Expected results are (1) better identification of specific objectives; (2) more precise measurement of educational gains; (3) improved analysis of alternatives; and (4) long-range educational planning.

NEW PROGRAMS

The Annual Report should provide historical information about progress

in the schools of Stoneham as well as projected direction of the schools.

Education is our primary concern. Therefore, this report will highlight some new programs developed during 1971.

ELEMENTARY EDUCATION

Special Learning Problems

It is important to recognize any learning problems of primary grade pupils as early as possible. In an effort to distinguish between a maturational lag and true learning problems, a pilot program for first grade pupils in the Colonial Park School, South School, and the Robin Hood School, was begun in September, 1971. By dividing the day into three sections--before recess in the morning, after recess in the morning, and after lunch--one teacher can service these three schools. Mrs. Ann Greenquist meets groups of grade one children each day and gives them practice with motor activities, to reinforce these skills. These children have been recommended by the classroom teacher. The grouping is flexible, and as a child improves, he is replaced by another child. To coordinate this more closely with the classroom work, a teacher aide supervises the first grade while this teacher and Mrs. Greenquist exchange information about each child. This is an important part of the program. It is necessary for the classroom teacher to be able to follow through with the activities assigned by Mrs. Greenquist. Many favorable comments have been made by the teachers involved.

The program for second and third grade pupils with special learning problems has been continued. Mrs. Judith Mazenko is using the resource room established at the Robin Hood School. Because of the number of pupils needing this kind of help, a program has recently begun at the Colonial Park School in the afternoons for grades two and three. Each child is seen for one-half hour for four days each week. Teacher conferences are a necessary part of this program also. As additional second or third grade children need to be helped, they will be referred to either the Robin Hood School or the Colonial Park School programs. The program for all perceptually handicapped children in grades 4, 5, and 6 is continuing at the Central School.

Reading Consultant -

Miss Donna Kay Johnston, began working with elementary level children in September, 1971, to help the staff determine whether children's learning problems were perceptual problems, maturational problems, or reading skills problems. She works with children long enough to evaluate their needs. After conferring with teachers, materials and methods are suggested for working on the problem. Periodic checkups are made to check progress. Miss Johnston has also done some demonstration teaching and is helping teachers with the placement of pupils in groups, determining the kinds of materials of instruction needed for a group of pupils, and following through with many other activities to help improve our instruction in the field of reading.

Individualized Learning Programs

To try to meet the changing needs of our society, last spring the fifth grade teachers were encouraged to plan a flexible program which would more nearly meet the needs of the individual pupil. As a result of this, about 160 fifth graders were assigned to the Robin Hood School and about 200 were sent to the Central School. Nine professional teachers and nine paraprofessional aides were assigned to the program, four of each to the Robin Hood School, and five of each to the Central School. A gradual evolution from a self-contained traditional classroom to flexible grouping, both large and small, has been set in motion. Uses of the physical structures of the traditional schools have been adapted to this program.

At the Emerson School, the four units of grade four are using teacher strengths in special subject areas to better advantage. One teacher is teaching mathematics to all four groups; another is teaching language arts, and so on. All of them are teaching reading at the same period. This allows regrouping, and more individualized instruction.

The units of grade 3 at the South School and the Robin Hood School have developed an individualized program in spelling. As this progresses, it is expected to work into an individualized program in mathematics. This is presently in the planning stage.

Social Studies Curriculum

During the summer of 1971, a committee of teachers prepared a comprehensive social studies curriculum program. Since so many changes and new ideas have evolved in this area, a completely new guide for primary grades and another for the intermediate grades were written. Dr. Martha John of Boston University was the consultant on this project during the summer and offered follow-up-in-service training in the fall to all elementary teachers. In an effort to better coordinate a sequential program from grade one to grade twelve, a representative from the Junior High School served on the curriculum committee and helped to determine the material to be studied.

JUNIOR HIGH

Educational and Occupational Planning

Extensive libraries of educational and occupational materials are maintained and continuously updated at both the Junior and Senior High Schools. One period per week is scheduled in grade seven for orientation and in grade eight for an occupational information course. An elective course in occupational education is available to ninth graders. This course is an in-depth study of occupations including visits for observation of people on the

job. The course bridges the gap between the eighth grade introductory program in occupational information and the cooperative education programs at the High School.

The purpose of the ninth grade program is to provide information through actual investigation of career choices. A number of educational trips are undertaken in order to give the student a comprehensive view of the occupation under typical working conditions.

Health Education

After several years of preparation the introduction of a formal health education program began this year. Curriculum guides and other information pertaining to health education have been assimilated over the past few summers. The basic objectives of the course are to provide a base for the student to assess, accept or change their personality, behavior, values, attitudes, problem-solving and decision-making, and to provide necessary information on economics, social, psychological, ethical, physical, mental and emotional aspects of health.

Local citizens and citizen groups are being contacted in order to better establish a program that meets the needs of the students of Stoneham. This program is primarily in the Junior High School but some work is being done at the elementary level.

HIGH SCHOOL SPECIAL PROGRAMS

Structures of the School Day

The structure of the school day since April 1, 1971, has been opened-ended...that is, students with assigned study halls during the first or last blocks of the day have a variety of social, academic, or recreational options to supervised study. This program, one of twenty-six in Massachusetts approved by the Department of Education, provides for increased services to students, without additional cost to the town. Also functioning is a semi-modular approach to scheduling advanced sections in biology and physics and major courses in home economics and industrial arts. However, the existing high school facility continues to inhibit some programs and to make the addition of others extremely difficult.

Stoneham High School, with the assistance of a citizens' advisory committee and the staff of the Northeast Regional Center of the Department of Education, and after five months of planning, initiated a "school within a school" program for students with study periods at the beginning and end of the school day. While the option to arrive after the first block or leave during the last was basic to their program, the true objectives were to provide in-

creased services to students and to develop self-direction in doing so. Available to students were supervised study, library, computer room, discussion groups, and extra-help sessions. A few interested students were placed as observers in business and trades to learn about careers; one was so successful as an observer and a helper in a veterinary hospital that his experience was used by the State Department of Education to publicize such programs. To enrich curriculum offering during free-time blocks, mini-courses were offered, including the following: film study, personal typing, contemporary drama, beginners' bridge, history of jazz, minority groups, local ecology, college board review, mythology, guitar, and weight training. The program was evaluated carefully and found to have moderate success. While students indicated increased morale, and staff indicated that their time was better utilized, large numbers of students elected free-time instead of academic, social, or recreational options.

After a reorganization of the program and planning based on experience, the program in the fall of 1971 is off to an excellent start with more participation by students in mini-courses and other options. Added in the 1971-72 school year were student-to-student tutoring and community service projects which have been highly successful.

Occupational Education

Nineteen seventy-one marked a year of achievement in the growth of cooperative work-study and distributive education into a viable, more comprehensive occupational program for students who do not immediately intend to continue their formal education after high school. While the concept of providing planned programs in which students spend part of the day in school and part in worthwhile employment is not new, the careers development approach now in progress at Stoneham High School is still unique to a few progressive schools. Students are now being provided internship programs with related course work and solid on-the job supervision. This is being done with the assistance of an advisory committee made up of representatives of the Stoneham business community, parents, and other citizens. By more fully meeting State guidelines in vocational education, this program is funded, in great measure, by state and federal money and not the Stoneham taxpayer alone. To supplement ongoing cooperative work-study and distributive education programs, new opportunities for instruction and internship have been added in institutional food service, health care occupations, and electro-mechanical careers. One hundred and ten students are enrolled currently in these programs which now have been united into one comprehensive occupational education department.

Senior English Curriculum

This year marked an exciting change in English curriculum for teachers and for current seniors. After a year of study by a curriculum committee of

staff and students, the traditional senior English program was replaced with eight elective semester courses. During the summer of 1971, six English staff members developed written guides for six of these courses. Two other teachers developed two additional guides independently. So far the reaction of both students and staff has been encouraging. Supplementing English instruction were a variety of related activities including the senior play, **Goodby, My Fancy**, an original one act play written by a member of the class of 1971 and entered in Drama Festival competition.

CONCLUSIONS AND PROJECTIONS

In looking to the future, consideration must be given to more varied curriculum offerings which help to motivate individual learners; to new state regulations for special education effective in 1971; to the needs of perceptually handicapped children; to continued educational planning for kindergarten programs which must begin in September, 1973; to greater flexibility of facilities for speech therapy, health rooms, elementary level guidance counseling, and centrally organized library book and media collections in our elementary schools; and to a re-emphasis on building positive attitudes toward a lifetime of continuing educational pursuits and creative interests rather than on viewing formal education as a sterile stepping stone toward "success" and security.

The School Department is also studying and has already begun to implement some differentiated staffing patterns, although physical facilities available will dictate to what extent this trend may continue to develop.

The development in the past two years of preoccupational exploration and occupational work-experience programs, and more recently of voluntary service activities as part of student's total education is just a good beginning.

In short, our children and young adults must be prepared to contend with and respond positively to a world of rapid change without losing basic cultural values.

The School Department wishes to express appreciation to all the school staff members who have contributed in providing a good educational program for the youth of Stoneham, and, in addition, many related services for the townspeople as a whole.

Appreciation is expressly given to parents and students who have volunteered their time for committees and other special efforts, the United School Councils Committee, school councils and parent-teacher leagues, the Stoneham School Committee, the Junior High School and new elementary school building committees, Stoneham Public Library, Finance and Advisory Board, Public Works Department, the Town Clerk, the Town

Treasurer, the Town Accountant, Police and Fire Department, other representatives of local government, Eastern Middlesex Guidance Clinic, Project SEEM (regional special education agency), the Stoneham Teachers Association, the League of Women Voters, the Boosters Club, and other departments, agencies and individuals who have given time and effort or have otherwise cooperated with the schools.

The School Department is very appreciative of the confidence, cooperation and support regularly given by students, parents, and other citizens of Stoneham.

Respectfully submitted

DANIEL W. HOGAN, JR.
Superintendent of Schools

NOTE: In the interest of economy statistical information about the School Department has not been printed in this report.

A complete detailed report of the School Committee has been placed and is available in the Superintendent's Office, in the school libraries, and will be made available to the public library.

Annual Report Of

The Board Of Selectmen

TO THE CITIZENS OF STONEHAM:

For the first time in Stoneham, the Selectmen were elected under the staggered system. Mrs. June MacTaggart and Mr. Albert Symes were elected to three-year terms, Mrs. Alice DelRossi and Mr. James A. McDonough, Jr. were elected to two-year terms, and Mr. Edmund Moreira was elected for a one-year term commencing in March 1971. Mr. Edmund Moreira was elected Chairman by the Board at the organizational meeting.

The Selectmen reappointed all the personnel to the positions in the various departments under their jurisdiction. Appointments were made to the following committees in joint meeting with the respective committees:

Youth Commission, School Committee, Unicorn Golf Course Commission, but most unusual was the appointment of 8 to the 9 member Finance Board.

New areas undertaken by the Selectmen were the granting of a franchise for CATV to Colonial Cablevision, who made initial installations in the town prior to the end of the year. In November the Emergency Employment Act, a Federally funded and State-administrated program to employ the unemployed, was made available to the town. The Board of Selectmen took advantage of this program whereby all salaries and benefits will be guaranteed and paid by the state for two years. The following were selected to participate in the program: one firefighter, one patrolman, one clerk for the Board of Selectmen, and a master mechanic, assigned to the Board of Public Works. Another phase of the program will allow the town to hire more employees in 1972.

The traffic problem on Main Street continued to be a problem that the Selectmen were confronted with many times during the year; this caused much frustration mainly through the inability of the State to move forward with the Topics Program. The Selectmen met with many individuals and groups to find some solution to this ever-increasing problem.

In September, the Selectmen licensed Hudson Bus Lines to carry passengers from Stoneham to Sullivan Square, Charlestown; this action was taken as a result of a referendum vote of the town at the annual town meeting to discontinue M.B.T.A.

In addition to the usual licenses being reissued, club licenses were issued to seven clubs in the town to allow alcohol beverages to be drunk on the premises according to state law.

During 1971 the Selectmen revoked the license of the operator of the Stoneham Theatre, this was upheld by the District Court in Woburn. The

license of the Bar-le-Duc riding stable was also rescinded and was upheld by the Court.

It was gratifying to receive letters from outside Stoneham as well as citizens expressing thanks for the assistance of the Fire, Police, and Building Departments. The Selectmen were also first to announce the proposed gift to the town of \$200,000 from Mrs. Angie Crockett to build a new police station dedicated to her late husband James B. Crockett.

In 1971, patrolmen David Noonan, Daniel Murrin, and Gerald Mahoney resigned from the Police Department and were replaced by Kevin MacKay, a permanent patrolman and Kevin Salvage, assigned under the Emergency Employment Act, and Nicholas Pasquariello, the latter two hired as probational patrolmen. George Grafton retired from the Fire Department and William Crosby, Jr. and John Fullerton were placed in rolls as permanent firefighters.

Discussions took place many times prior to the Selectmen allowing Computer Electronic Systems to furnish voting machines without charge for the town election in March and the April Primary Election. If the article submitted in the annual town meeting is favorably voted upon, the Selectmen will then put this matter out for bid.

A Computer Commission was formed to investigate the benefits for the town by forming a computer department.

The following items are being planned for 1972, many of which are carried over from 1970: obtaining an administrative officer to help in the day-to-day operation of the Town, alleviating of the traffic problem on Main Street, cooperating with the Board of Public Works to implement the best manner of rubbish disposal in the town.

BOARD OF SELECTMEN

Report Of The Police Department

Board of Selectmen
Town Hall
Stoneham, Massachusetts

Dear Sirs & Mesdame:

As Chief Executive Officer of the Stoneham Police Department and in compliance with the provisions of Article 3, Section 8 of the By-laws of the Town of Stoneham, I have the honor to submit the following report of the present organizational strength and work accomplished by the Police Department during the year ending December 31, 1971.

Table of Organization

- A. Chief Bernard C. Vacon, Chief Executive Officer and Administrator.
- B. Lieutenants, Dominic A. Lucci and Edward F. Geary.
- C. Sergeant-Investigator, Edward J. Pinato.
- D. Platoon Sergeants, George R. O'Brien, Fabian S. Koprek, David F. Roberts and William E. Gorse, Jr.
- E. Investigative Bureau, Inspectors Robert E. Moreira, Francis F. Mahoney and Albert J. Duff, Jr.
- G. Patrolmen (listed by seniority), George C. MacDonald, William F. McNulty, Tony J. Ascì, Edward P. McLaughlin, Stanley F. Konopacka, James E. McLaughlin, Thomas A. D'Onofrio, Louis A. Yianacopolus, Albert T. MacHenry, Louis R. Percoco, Anthony J. Marino, Frank DelTergo, Joseph H. DelRossi, Charles A. Haney, John M. Brandt, Jr., William F. Payne, Winthrop E. McCarthy, Charles M. Carroll, Michael A. Janko, Thomas W. Taranti, William J. Bird, Kevin C. MacKay, Nicholas Pasquariello, Kevin Salvage.
- H. Records Coordinator and Police Photographer, Edward H. Proodian, Jr.
- I. Traffic Directors, Joan Brenner, Mary Bambery, Rose Cleveland, Joanne Daniels, Margaret Kirk, Elizabeth Moreira, Marilyn Mitchell, Marie Oram, Bernice Weisse, Patricia Fitzgerald, Mary Malzone, Mary Lucci, Dorothy Pescione, Mary Lou Gostan, Mary Ann Girouard, Carol Musto, Thomas Connors, Leo Doucette, Elmer Friery, Thomas Hurley, John Logan, Preston McDougall, Samuel Meuse, James Mosley, Roger Saltmarsh, Herbert Sweet.

Training

During the year 1971, Officers attended the following lectures, seminars and training programs:

January 3 to February 3, 1971, Command Training Institute, Babson College, attended by Sergeant George R. O'Brien.

February 4 to February 26, 1971, Seminar on Drug Education conducted by District Attorney's Office attended by Officers John Brandt, William Bird, Joseph DelRossi, Thomas Taranti, Albert MacHenry and Charles Carroll.

February 27 to March 12, 1971, Seminar on Alcohol Detection conducted by Department of Public Safety attended by Sergeant George O'Brien and Officer Edward McLaughlin.

March 13 to March 17, 1971, Drug Abuse Education School conducted by District Attorney's Office, attended by Inspector Francis Mahoney and Albert J. Duff, Jr.

March 17, 1971, Seminar on Crime Scene Search Team, conducted by Dana Kuhn, Mass. State Police attended by Chief Bernard C. Vacon.

April 19, 1971 to May 28, 1971, Northern Middlesex Police Academy attended by Officers Kevin MacKay and William Bird.

May 4 to May 9, 1971, Instruction on firearm control, proper utilization of handcuffs, baton, rifle and shotgun, attended by all members of the department.

September 27, 1971 to November 19, 1971, State Police Academy attended by Officer Thomas Taranti.

Crime

Burglary continues as a major problem for law enforcement with 177 forcible entries compared to 137 in 1970. Twenty-five persons were arrested for this offense compared to 18 arrests in 1970. Most of the persons arrested for burglary were between the ages of seventeen and twenty-five. Approximately 90 percent were abusing drugs and sustaining their habit by stealing.

Twenty-two armed robberies were reported compared to 11 in 1970. Eight persons were arrested for this crime compared to 4 in 1970.

Larcenies over fifty dollars increased with 119 reported in 1971 compared to 57 in 1970. Thirty persons were arrested for this offense compared to 10 arrests in 1970. Seventeen additional persons were arrested for receiving stolen property.

Larcenies under fifty dollars decreased with 295 reported compared to 324 in 1970. Fourteen persons were arrested for this offense and restitution was made in 22 cases investigated by the Detective Bureau.

One hundred and nineteen motor vehicles were reported stolen in 1971 compared to 73 reported in 1970. Ninety-six cars reported stolen were recovered. Twenty-three cars are still carried as stolen. Nineteen persons were arrested for this offense in 1971 compared to four arrests in 1970.

Thirty-one motor vehicles reported stolen in other communities were recovered by officers of this department.

Forty-six persons were arrested for violation of the Narcotic Laws compared to 28 persons arrested in 1971.

Sixty-two persons were arrested for drunkness compared to 76 persons arrested in 1970. This is the third consecutive year that drunk arrests have decreased.

Eleven persons were arrested for operating a motor vehicle when under the influence of liquor compared to 20 in 1970.

Other offenses included are persons arrested for attempted murder, one person for manslaughter, two persons for rape, seven for indecent exposure, one for making a bomb threat, one person for arson, two for being AWOL from the Armed Services, two persons for carrying dangerous weapons, 4 for possession of burglarious tools, 10 persons for disorderly conduct, 3 for possessing liquor illegally in a motor vehicle, 8 for offenses against the family and children and 13 on Warrants from other jurisdictions.

Juvenile Crime

Delinquency among minors increased slightly with 140 minors arrested in 1971 for various criminal offenses compared to 135 in 1970.

Three minors were arrested for aggravated assault, one minor for manslaughter, 10 for Burglary, 27 minors for larceny, 2 for auto theft, one minor for arson, 14 minors for receiving stolen property, 28 minors for violation of the drug laws, 19 minors for drunkenness, 4 for illegal possession of liquor, 7 minors for disorderly conduct, 3 minors for operating a motor vehicle while under the influence of liquor, 5 minors for being runaways, 2 minors for sex offenses, 14 minors for various offenses such as truancy, vandalism, trespassing and shoplifting.

Traffic Bureau

The number of total accidents decreased from a high of 636 in 1970 to a total of 528 reported in 1971. The complete breakdown of statistics is listed below.

Number of Accidents Involving Personal Injuries and/or Prop. Damage over \$200.00.

Total number of Accidents in 1971:	528
Persons Injured in Motor Vehicle Accidents:	213
Persons Killed in Motor Vehicle Accidents:	6
(Motorists)	(2)
(Pedestrians)	(4)
Pedestrians Injured:	12
Bicycle Riders Injured:	8

Accident Locations with Highest Frequency:

Main St., from Elm St., Reading Line:	122
Main St., from Elm St., to South St.:	91
Intersection of Elm & Main Sts.:	11

Intersection of Main & Montvale Avenue:	6
Franklin Street:	29
Elm Street:	19
Montvale Avenue:	20
William Street:	12
Intersection of Main & Broadway:	14
Total Number of Accidents in 1971 and Percentage of Minors Involved:	
Total Accidents:	528
Minors:	(Approx. 20 percent of Total) 108
Number of Traffic Vio's. including Illegal Parking:	
Moving Traffic Violations for 1971:	346
Minors Cited for Moving Violations:	63
All Night Parking & Illegal Parking:	183
Total Number of Summonses Served:	538
Locations with Highest Frequency of Violations:	
Main St., from Elm St., to Reading Line:	117
Intersection of Main & Elm Sts.:	40
Intersection of Main & Broadway:	17
Intersection of Pleasant & Central Sts.:	10
Intersection of Pleasant & William Sts.:	27
Spring Street:	18
Franklin Street:	23

Classification and Number of Motor Vehicle Accidents for 1971:

Intersection Accident:	301	Head-On Accidents: 17
Rear-End Accidents:	109	All Others: 101
TOTALS 1971:	528	

Other Duties

Officers investigated 3,094 complaints compared to 2,591 in 1970. This is a significant increase of 503 and indicates the continuous growing workload facing law enforcement.

Officers also inspected 629 houses, found 149 business establishments unlocked, conveyed 304 persons in the ambulance, delivered 538 summonses, tagged 183 cars for illegal parking and reported 205 street lights out.

Officers also investigated 65 persons for grand jury duty, 182 persons for firearm permits, 67 persons for firearm identification cards and 21 persons reported missing from home.

Drug education seminars for the general public were sponsored by the Police Department at the Junior High School, St. Patrick's Elementary School and at the Lions Club and Rotary Club.

Respectfully submitted,
Chief Bernard C. Vacon

Report Of The Public Librarian

For The Year 1971

In this 112th Annual Report of the Public Library for the year 1971, I am convinced that the Library Staff deserves a special citation for their patience, their performance, and for the great service extended to the public in a physical plant far below minimum standards as set forth by the American Library Association. Library standards for a community with Stoneham's current population of 20,565, should provide at least 15,000 sq. ft. of space. Stoneham has approximately 8,637 sq. ft. According to minimum standards, we should provide approximately 1,500 sq. ft. of staff work space. Stoneham has approximately 480 sq. ft. I quote from **Guide to Planning a Library Building**, by A. Anthony Tappe, Boston, Huygens & Tappe, Inc., 1968, p. 42. Essentials for good library service should provide conditions for staff efficiency as well as comfort and convenience for library users. Hopefully, 1972 will be the year the citizens of Stoneham will fulfill their obligation of providing adequate library facilities for self-improvement through reading and study, for pleasure through reading and listening, and thus serve the needs of all the town from the pre-schooler to the senior citizen. At present we are working under too many disadvantages in our efforts to give good library service to Stoneham citizens.

ADULT PROGRAMS

New England's foremost expert on Antiques, George Michael, brought a capacity audience to library hall on April 23, in observance of National Library Week. His lecture, "How to Enjoy Antiques," was entertaining, lively, and informative, and his opinion on antique articles brought by the audience succeeded in capturing the attention and confidence of all. We were all convinced that antiques should be appreciated, used, and enjoyed.

Mrs. Nancy Stutzman of Middlesex County Extension Service lectured in library hall on the history and use of herbs and spices.

The Child Study Association of Massachusetts, sponsored a discussion group at the library in the fall. Mrs. Brigid Heckscher, who holds an Ed. D., from Harvard, was the leader of the group. The subject of the discussion related to the pre-school child and his problems, character training, and emotional development. These meetings were held in the Children's Room at the same time as Children's Pre-school Story Hour (in library hall), and through exchange of ideas and experiences, parents gained practical help with their problems.

CHILDREN'S PROGRAMS

An exhibit of art work and paintings of the students of Mrs. Edith Boehm

was exhibited in the library again this year. Ages of the students ranged from eight to fourteen years.

Miss Margaret Golding gave library instruction and explained library procedures to several classes of students. Mrs. Evelyn Bates also lectured to classes in the use of the Adult Library and the services extended to them.

Monthly collections of children's books were prepared for 91 classrooms. A total of 45,016 books were loaned to the elementary schools.

Mrs. Patricia Naughton was in charge of the Movie Programs which were held from October to June. A total of 357 children attended the programs, held in library hall on the second and fourth Thursday of each month.

Miss Golding held weekly pre-school Story Hours in library hall on Friday mornings October to June. Attendance for the season was 570.

Collections of new children's books were exhibited in the spring, during National Library Week, and Children's Book Week.

GIFTS

Thanks to the Friends of the Library Bridge Group, the library was able to acquire a 3M Company Microfilm Reader Printer. With this motorized Microfilm Reader Printer, anyone can print for ten cents a copy, directly from 35mm or 16mm microfilm, microfiche, or aperture cards, thus saving laborious note taking when using the library's collection of newspapers and periodicals on microfilm. All Stoneham newspapers from 1874 to date are available on microfilm. We also own the following periodicals on microfilm, from 1966-1970: Time, U.S. News & World Report, Nation, and Scientific American. This latest service is a great addition to your public library. Be sure to take advantage of it.

Tapered Tops, Inc., presented the library with a new book truck which will be used in the Children's Room. Tops also purchased the film "I Know an Old Lady Who Swallowed a Fly"---a most welcome addition to our children's film collection.

The Stoneham Garden Club provided us with flower arrangements and exhibits inside the library as well as planting bulbs in the front of the library.

The Stoneham Cooperative Bank donated 10,000 printed bookmarks, and Malden Trust gave a generous supply of printed envelopes for borrower's cards.

The Stoneham-Wakefield Stamp Club gave the library a gift of money for the purchase of five new books; Stoneham Arts & Crafts gave money for books; and Dunkin' Donuts gave money also for the purchase of books. The Women's Club Education Committee presented the library with "Living Spanish" records.

A memorial gift book, **Profiles in Courage**, by John F. Kennedy, large print edition, was presented to the library by Mrs. Mary Lucey, in memory of Joseph Neil Saulnier.

A total of 199 books, records, and periodicals were donated to the library by individuals, too numerous to list here. Our grateful thanks are repeated here, in addition to individual acknowledgments, to all who in any way contributed to the well being of the library.

We appreciate the space provided and the wonderful cooperation of the staff of the Stoneham Independent, for without the publicity, library activities and events could not have reached the townspeople.

SERVICES

Service to the Nursing Homes, Home for Aged People, and Housing for the Elderly was provided monthly, and a total of 2,596 books were loaned to them for their reading pleasure.

The librarian arranged for Talking Book Service to two handicapped residents through Perkins School for the Blind.

Non-fiction books were loaned to adult residents of Melrose, Wakefield, Lynnfield, Saugus, and Reading, in accordance with an agreement with these communities, and by issuing a Common Borrower's Card. Reciprocal borrowing privileges were also extended free to adult residents of Medford, Winchester, and Woburn. Upon request, adults from these communities were issued a free library card if in good standing with his hometown library. We now have a total of 124 of these out of town borrowers.

Stoneham's membership in the Eastern Massachusetts Regional Public Library System allows residents direct access to the resources of the Boston Public Library.

Staff members have attended workshops sponsored by the Eastern Region, in Public Relations, Reaching the Unreached, Young Adult Services, Children's Services, Adult, and Reference Service, and Film Previews.

We have borrowed 301 books on Interlibrary loan, 156 foreign books, and 93 films from the Eastern Region.

Reading lists, book selection lists, posters, and reference services were provided by the Eastern Region, and delivery service has increased the efficiency and speed with which we are able to fulfill the needs of the public.

The library's collection of large print books and Readers' Digest in large print is another popular service to our patrons who have sight difficulties.

The Xerox photocopier continues to be a popular time saver to a great many people, and now with the new Reader Printer, note-taking can almost be eliminated from a busy person's schedule.

Stoneham loaned 101 books to other libraries during 1971.
Library hall was used 284 times by 28 different groups.

STAFF

In March, Miss Chung Soon Park, Assistant Librarian was married and resigned to live in Virginia. Mrs. Patricia Naughton was appointed to fill this vacancy. Pat was awarded her Masters degree in Library Science from Simmons College this year, and received her library experience at the Boston Public Library, Fields Corner Branch.

Other resignations during the year were: Mary Dooling, Mary Jack, Mary O'Brien, Elizabeth Leonard, Eileen Moore, Nancy Dunn, Andrea Nelson, Catherine Ledoux, Insook Park, and Kathleen Bennett. The following people were appointed to fill these vacancies: Martha Rush, Mary Pastorello, Karen Dechert, Kathleen English, Susan Kehoe, Beverly Freeman, Stephanie Karaffa, Patricia Callahan, and Joanne Niestepski.

The Staff attended meetings of the Eastern Regional Advisory Council, Greater Boston Public Library Administrators, Massachusetts Library Association, North Shore Library Club, Charles River Library Club, New England Library Association, Children's Librarians, Young Adult Book Review Group, Film Preview Meetings. Mrs. Bates had a book review afternoon for a group of the First Congregational Church of Swampscott.

I wish to personally extend my sincere thanks to the Trustees for their guidance and for giving so generously of their time and thought to library issues; to the Staff who have been able to keep smiling through the many problems and hardships imposed on them, due to lack of work space; to the Custodians for a good job in maintaining the building; and to the Town Officials and Department Heads for their assistance and cooperation.

Annual Report Of The Fire Department

Honorable Board of Selectmen
Mr. Edmund Moreira, Chairman
Stoneham, Massachusetts

Dear Mr. Chairman:

It is with pleasure that I respectfully submit the 1971 Report of the Fire Department.

Very tragically, three Stoneham residents lost their lives by fire, last year. One of these fires was extinguished with less than 10 gallons of water, and yet, the toxic fumes generated by a blanket and mattress was unbelievable. In other Stoneham fires, a self cleaning oven contributed several thousand dollars of smoke damage to a home and likewise a television set in yet another home.

As each year goes by, and new products, fabric materials and appliances are placed in the consumers hands; it is quite evident that safety guidelines and testing, on a National level, should be established. The money expended for Fire Research and Training on a Federal and State level, is almost negligible.

Funding on a local level for the Fire Department must also be maintained and perhaps increased in some areas in order to maintain an equilibrium with increased demands on this Department.

The personnel of the Department consists of: One Chief, four Captains, four Lieutenants and twenty-eight Privates.

FIREFIGHTING

1214 fires, or other emergencies, were reported in 1971. This is a 12 percent increase over 1970. Six of the fires were second alarms and required assistance from other communities. The rest were contained or handled by the Stoneham Fire Department. Of the 1214 alarms, 243 were Box alarms (83 were false, 75 were building fires, 37 were Mutual Aid to other communities, and 48 were for miscellaneous other reasons). There was, also 971 Still alarms (195 of which were brush fires, 79 electrical problems, 149 car and truck fires and accidents, 53 water problems, 78 calls for oxygen, 27 air pollution calls and several hundred more for many varied reasons.

The amount of property endangered by fire	\$1,732,735.00
The amount of property destroyed by fire	180,602.33
The amount of insurance paid	166,785.54

The amount not covered by insurance	13,816.79
The amount of fire damage to Motor Vehicles	42,760.00

FIRE PREVENTION

Firefighters again applied a 50 point fire prevention check list while inspecting 238 business establishments. Inspections were conducted in all 19 schools, nursing homes and the New England Memorial Hospital. Fire drills were conducted in all schools. Captains James McDermott and John Judge conducted a fire and evacuation training session for the Hospital, in which 350 nurses and other personnel participated. Some of these sessions were held at 2:00 A.M. in order to catch all shifts of the Hospital. The Junior Fire Marshall Program was again conducted in all third grades under the guidance of Lieutenant William McLaughlin and Firefighters Kevin Wynne, John Fullerton and Robert O'Melia. 350-400 children were given guided tours of the station and another 400-500 adults and children attended the Fire Prevention Open House.

Many opinions and recommendations were made concerning site plans and new building construction. The review of blueprints, by this department, as required by new Town BY-Laws, is a progressive step towards good public fire safety.

FIRE DEPARTMENT TRAINING

The entire Department participated in a 15 point training program, which covered mask drills, street location drills, foam and hose line evolutions, ice rescue etc.

Firefighters Robert Marshall, Robert O'Melia, Russell Holden, James Bowman, Francis Wells, Clarence Malonson attended the State Fire Training School at Topsfield, Mass.

Chief Raymond Sorensen, Captain James McDermott, Lieutenant Charles Fitzgerald and Firefighters Frank Gould and John Fullerton are enrolled in Fire Science programs at the North Shore Community College and the Mass Bay Community College.

Captains George Emery, John Judge and James McDermott attended the Public Safety Conference in Boston. This was a three day seminar on sprinkler control, nursing homes and new fire suppression methods.

FIRE ALARM

Activities in this department would include the replacement of six, antiquated boxes. This concludes this phase of the modernization program. Because of this program, almost all of the fire boxes in the Town will operate

back to the station even if a wire is broken by a fallen tree or other accident. The few remaining boxes will also have this feature by the end of 1972. Underground installations were completed at Main and Hancock, and progress is being made at Main and Flint Ave. and Main and Lindenwood. Numerous pole changes, testing and trouble shooting of the six circuits and 150 boxes, and replacing line wire, occupied a considerable amount of time.

COMMENDATIONS

Captain James McDermott, Lieutenants William McLaughlin and Charles Fitzgerald and Firefighters Philip Carroll, George Grafton, James Leavy were commended and also honored by Radio Station WCOP for their efforts at three tragic fires.

RETIREMENTS

Firefighter George Grafton, after many years of faithful service, was forced to retire as a result of injuries sustained at a fire.

SUMMARY

A new pumping engine will be delivered in the fall of 1972. This is much needed as our newest Class A pumping engine is 16 years old.

A new Chief's car should be purchased this year to replace the 1966 car now in service. Rather than turn in this car, I believe it would be beneficial to retain it as a Fire Prevention car. A second car is most essential to serve a community this size. It would be used for inspections, investigations, transportation to training schools, fire drills, and Fire Prevention programs.

I also recommend that two firefighters be appointed this year and two in 1973. This would even off the shifts at 12 men and give more shift strength to cope with the many emergency, and fire prevention type activities, that we now encounter.

I wish to thank Mrs. June McTaggart, who is the Fire Department Liason Officer, and the rest of the Board of Selectmen for their cooperation.

The cooperation of all Town officials, Boards, Committees, members of the Fire Department and citizens of the Town, was excellent, throughout the year.

Respectfully submitted,

Raymond L. Sorensen
Fire Chief

Annual Report Of The Building Inspector

To the Honorable Board of Selectmen, and the Citizens of the Town of Stoneham;

The following is the Annual Report of the Building Inspector for 1971.

Number of Permits Issued	Nature of Permit	Fee
245	Building	\$3,129.12
13	Demolition	80.00
11	Building Code Books	33.00
		<hr/> \$3,242.12

Below is the breakdown of the 245 Building Permits issued, giving the estimate value of the work done, as shown on the application.

New Homes	44	\$844,400.00
Alterations and Repairs	140	266,351.00
Swimming Pools	28	68,077.00
Business Buildings	7	3,762,000.00
Signs	26	14,515.00
Demolitions	13	
	Total	<hr/> \$4,955,343.00

Respectfully submitted,

Edward M. Lynch, Jr.
Building Inspector

Annual Report Of The Plumbing Inspector

To the Honorable Board of Selectmen, and the citizens of the Town of Stoneham:

The following is the Annual Report of the Plumbing Inspector for the year ending December 31, 1971.

MONTH	PERMITS	FEES
January	12	\$40.
February	13	74.
March	19	69.

April	15	70.
May	14	87.
June	27	103.
July	23	136.
August	16	112.
September	18	121.
October	18	220.
November	21	77.
December	12	63.
Total	208	\$1172.

Respectfully submitted,

John F. Kelley,
Plumbing Inspector

Annual Report Of The Gas Inspector

To the Honorable Board of Selectmen, and the citizens of the Town of Stoneham:

The following is the Annual Report of the Gas Inspector for the year ending December 31, 1971.

MONTH	PERMITS ISSUED	FEEES
January	16	\$33.
February	13	28
March	15	29.
April	10	19.
May	9	23.
June	30	61.
July	11	26.
August	14	33.
September	25	59.
October	19	47.
November	34	63.
December	17	39.
Total	213	\$460

Respectfully submitted,

John F. Kelley,
Gas Inspector

Report Of The Board Of Public Works

The Board of Public Works meeting March 9, 1971 organized for the year as follows: John E. Finnegan, Chairman of the Board, with members John I. Shaughnessy and Eugene B. Rotondi, Jr. Mr. Rotondi was re-elected to the Board March 2, 1971 for a three-year term. Mrs. Pauline Moody was appointed Clerk of the Board. The Board appointed Mr. William J. Reid, Jr. as Superintendent of Public Works and Mr. Thomas J. Murphy as Assistant Superintendent of Public Works.

The work of the Department, as overseen by the Board, reflects the definite trend from construction towards maintenance brought by the almost complete development of the Town. The services rendered are a direct reflection of the needs and demands of the Townspeople. It is interesting to note that changes such as the Statewide ban on open burning bring with it resultant increases in municipal cost through increased services.

Again, this year saw the continuation of the hottop resurfacing program with eight (8) additional streets being improved in this manner. This program which began shortly after the inception of the Board shows the value of permanent resurfacing in the riding quality, longevity and appearance of the roadway system.

The sewerage system in the Town is nearing completion as is reflected by the fact that over 90% of the homes in the Town are now connected to the system. The larger the system becomes the more costly the maintenance of the system gets. This fact also applies to the other Town-owned utilities as well. The water distribution system will require continuous and substantial improvement in the near future. Our current water consumption indicates a more diversified use of water by the people, as witnessed by the 1971 consumption of 1.175 billion gallons of water. It will be necessary to change our water rates when the M.D.C., through Legislative action, changes their base rate. At the present time the M.D.C. according to a Legislative Study Committee is selling water at a rate below their own cost.

The Board places emphasis on a definite precedural plan which results in concrete goals and control of expenditures on an orderly, reasonable basis. When possible the Board has strived to bring about improvements within the limits of the existing budget thereby eliminating the need for additional appropriations. The results of this philosophy are apparent at Lindenwood Cemetery.

The Recreation Committee, whose members are appointed by the Board of Public Works, has continued its fine work in meeting the diversified recreational needs of the Town. This year saw a growth in the Saturday winter recreation program utilizing certain public schools and also saw the evening softball league develop into a full fledged official, self-sufficient

program. These programs in conjunction with the Retarded Childrens' Summer Day Camp program and such activities as scheduled bus trips to the M.D.C. swimming pool, field day exercises, the children's theater, supervised ice skating, trip to Aquarium, etc., seek to attain a balanced recreational program for the youth of the Town within the limits of funds available.

During the year the Board was saddened by the untimely death of Mr. Russ Amari who was one of the Department's most dedicated employees.

The Board would like to take this opportunity to express their appreciation to the many Boards and Committees, to the people of Stoneham, and to the personnel of the Department for their assistance and aid throughout the year.

Respectfully submitted,

by John E. Finnegan, Chairman
John E. Shaughnessy
Eugene B. Rotondi, Jr.

Annual Report Of The Superintendent Of Public Works

TO THE HONORABLE BOARD OF PUBLIC WORKS

Gentlemen:

The report of the activities of the Department for the year 1971 is herewith submitted. The Public Works Department as a consolidated agency, has within its boundaries the Divisions of Highway, Water, Sewer, Cemetery, Park, Tree, Recreation and Engineering. The broad scope of the Department makes judical planning of expenditures an absolute necessity. The emphasis of work must be applied equally to all Divisions rather than have the work of one suffer at the expense of another.

The personnel of the department are interchanged within these divisions as the demand requires to provide a more efficient operation. The planning of new construction work in conjunction with the increasing maintenance program has been carried on throughout the year.

HIGHWAYS

The program of upgrading the roadway system in the Town was continued

this year and the following Streets were resurfaced with bituminous concrete:

Plaza Avenue	415 feet
Fairview Road	875 feet
Gerry Court	280 feet
Congress Street	1,322 feet
Coolidge Street	286 feet
Dunklee Avenue	565 feet
Lincoln Street	1,215 feet
Warren Street	1,950 feet

In addition to the above projects, four sections of Streets were paved with bituminous concrete under the Chapter 90 Maintenance Program. The Program requires that the State and County pay two thirds of the cost of the project provided that the total cost is less than \$6,000.00. The locations resurfaced were:

Summer Street from Spring Street to Gould Street	800 feet
William Street in the vicinity of Elm Street	500 feet
Central Street from Common Street to Pleasant Street	280 feet
Maple Street from Warren Street to Wright Street	390 feet

An ongoing project which extends the life of the road surface is the sealing of surface cracks with emulsion and sand. There were seventeen (17) Streets sealed this year.

SIDEWALK CONSTRUCTION:

There was considerable work accomplished in this area this year as reflected by the following:

Concrete sidewalk installation	6 locations	505.6 Lin. feet
Curbing installation	8 locations	860.1 Lin. feet
Bit. Concrete sidewalk installation	2 locations	535.3 Lin. feet

In addition to the above, private developers, at the request of the Planning Board, installed 534.5 lin. feet of bituminous concrete sidewalk in subdivisions.

SIDEWALK MAINTENANCE:

Bituminous concrete sidewalks were resurfaced at five different locations. The total length was 875.1 feet.

The department also replaced sections of Portland Cement concrete

sidewalks at eight different locations where damaged, decayed or considered dangerous.

STREET SIGNS and BEACONS:

The Department continued its program of changing over the old Street signs to the new reflective type as time and funds allowed. We also honored the numerous requests of the Board of Selectmen to install various warning or regulatory signs at locations by them throughout the Town.

One of the problems that we are encountering in this area is the increased vandalism to all types of signs.

The increased maintenance cost certainly reflects this unnecessary, wanton destruction of public property.

Competitive bids were obtained for the purpose of installing pavement markings such as centerlines, crosswalks, school insignias, et. The 1971 contract was awarded to Markings Inc., Norwell, Mass., being the lowest qualified bidder. During the year approximately 74,000 feet of traffic lines were installed on Streets within the Town.

SEWER CONSTRUCTION

The personnel of the Department, by order of the Board of Public Works, installed sanitary sewers on the following Streets:

Location	Length	Size	Type	Structures
Spring Street	50.0'	8"	A.C.	0
Birch Street	162.1	6"	A.C.	0
Dunklee Avenue	336.1	8"	A.C.	3
Easement (to Dunklee Ave.)	177.9	8"	A.C.	1
Beacon Street	102.0'	8"	A.C.	0
Broadway	540.4	8"	A.C.	2
Dianne Road	324.5	8"	A.C.	2

SEWER CONSTRUCTION by CONTRACTORS

Location	Length	Size	Type	Structures
Richardson Lane	118.2'	8"	A.C.	2
Rayner Circle	267.0'	8"	A.C.	1
Montvale Avenue	173.6'	8"	A.C.	2
Maple Street	409.6'	8"	A.C.	3
Atwood Avenue (Relay)	87.0	8"	A.C.	0

The total length added to the system is 2,661.4 feet or 0.50 miles.

The last phase of the work at the East Side Pumping Station was completed this year. This work was required by the State Department of Public

Health after the flooding of the station on December 27, 1969 and it consisted of installing an additional overflow tank capable of holding 22,000 gallons of sewage. The work was performed by Clark Bros., Winchester, the lowest qualified bidder.

The number of active sewer services increased by sixty-nine (69) during the year bringing the total number within the Town to 4,522. Thirty-seven services were installed by Department personnel and thirty-two were installed by private contractors. The applicant is obliged to pay the entire cost of the initial installation but all subsequent maintenance costs are borne by the Town.

There were 43 new water services installed during the year bringing the total number of active services to 5,141. In addition to this work 20 water services were relayed. All water services are metered and read semi-annually.

ROAD MACHINERY

The Department has 57 registered pieces of equipment in addition to the unregistered equipment such as pumps, small generators, pipe cleaning apparatus, etc. All of the equipment is maintained by our mechanic and this ability to do our own maintenance work is strongly reflected in the lack of lost time and monetary savings.

Equipment purchased during 1971:

Purchased one—20 cu. yd. Loadpacker.

Purchased one—2½ ton Ford dump truck and traded one 1965

2½ ton International dump truck.

Purchased one—1 ton 4 wheel drive Ford dump truck and traded one 1962—1 ton International 4 W.D. dump truck.

SNOW & ICE

The total snowfall for the winter season was 60¼". December 1970 will be remembered as the record-setting month because of the 29" of snow received during that period. January is remembered for the extended cold spell wherein the temperature failed to rise above freezing for what seemed like an eternity. Skating was excellent. Plowing and de-icing activities took place as required.

DRAIN CONSTRUCTION

A project completed this year dealt with storm drainage improvement on Atwood Avenue. The original drain was installed under the sewer main in 1914 and was called upon to carry all the runoff from the Park Street area

between West Hancock Street and Winthrop Street including a section of Winthrop Street. Due to its condition and size it was necessary to install a second drain pipe of larger size parallel to the original pipe. The new 18" concrete pipe was installed by contract on Atwood Avenue from Park Street to Gigante Drive and all of the adjoining catchbasins were rebuilt and tied into the new pipe. The houses in this area should now be relieved from backups and subsequent minor flooding by the completion of this project.

The Department personnel also installed a new catchbasin on Warren Street and on North Street which eliminated large standing puddles.

WATER CONSTRUCTION

The Department installed 1,334 feet of 12" cast iron, cement-lined water pipe on North Street to replace the section of old 4" cast iron pipe. The resultant effect of this work was evidenced by increased fire flow from the abutting hydrants and the elimination of the source of rusty water in the area. A new 8" cast iron water pipe was installed on Beacon Street Extension to replace the antiquated 1½" pipe which fed the homes. The installation of a hydrant at the end of this water main now provides better fire protection for the people in this section.

This work was supplemented by the installation of 1,967 feet of 8" cast iron, cement-lined water pipe by private developers in subdivisions throughout the Town at their own expense. The total water distribution system now encompasses 69.24 miles of various sized water mains within the Town exclusive of the M.D.C. system.

PARK DIVISION

The Park Division maintains the various public parks of the Town, the Town Hall grounds, and twelve triangles located on different streets throughout the community. The maintenance work is constant and is carried on throughout most of the year. The extensive use to which the parks and playgrounds are put limit the type of maintenance which can be performed. The work of reloaming and seeding the Pomeworth Street ballfield as defined by Article 39 of the 1969 Annual Town Meeting, as amended, was performed by Robert C. Lazaro, the lowest competitive bidder. At this writing the work is still incomplete with respect to the uniform growth of grass and foreign objects contained within the topsoil. The four foot high chain link fence was erected on the ballfield along the Pomeworth Street, Washington Street and Calthea Street sides.

The second major project was the work performed by the Department personnel on the Recreation Park skating rink. Article 40 of the 1971 Annual Town Meeting, as voted, called for the filling and paving of the rink area.

The intent was to make the area available for more diversified sports. The project was completed by late October in time for the ice skating season.

Additional projects carried out by the Park Division include the replacement and repair of the bleacher boards erected at Recreation Park, and the installation of a bubbler at the Boardway Park.

The Recreation Committee has established a planned program for the renovation of existing playground equipment and the purchase of new equipment scheduled to take place over a period of years. The second phase of the program was carried out this year with the funding appropriated in the Recreation Committee budget and the labor provided by the Park Division.

TREE DIVISION

The removal of dead or diseased trees and the trimming, spraying and planting of new trees remain the basic work of this Division. The tree nursery, located off Richardson Road, gives us the opportunity to purchase young trees economically and allow them to mature for two to four years before being replanted on the public ways of the Town. The value of the trees increases approximately three and one-half times the original cost by using this method and, more importantly, the chance for survival after replanting increase also.

The spread of tree diseases seems to be coming under reasonable control as is reflected by the reduced number of take-downs to sixty-seven (67). The total number of trees planted was one hundred and thirty-six (136). The seasonal spraying of the public shade trees still remains as our most effective tool in the control of tree diseases.

The Tree Division has planted several additional flowering trees at Lindenwood Cemetery and their appearance in the Spring is beautiful. They have also continued the service of collecting and disposing of Christmas trees with the use of the brush chipper. This Division has aided in the plowing and sanding operations throughout the Town and assisted both the Cemetery and Park Divisions in times of need.

CEMETERY DIVISION

During the year there were ninety eight (98) burials and a total of eighty three (83) graves were sold. The Cemetery is in an esthetically beautiful setting and the personnel of the Division do an admirable job of maintaining the beauty. The Department completed the filling and the grading of the new section adjoining the main road, and loam was purchased, spread and

graded on the sections. The Engineering Division has determined that there will be five hundred and thirty (530) new gravesites available in this section.

For a list of the receipts during the year, your attention is respectfully directed to the report of the Town Accountant.

RUBBISH COLLECTION

The weekly pickup of all household waste is performed by the Department personnel and the collected material is disposed of at the M. DeMatteo dump in Saugus. The volume of material collected has been increasing at an exceptional rate for a number of years now. An indication of the problem is seen by looking back ten (10) years. In 1961 the Department collected an average of ninety three (93) tons per week. The amount had risen, by 1971, to an average of one hundred and seventy (170) tons per week. The increase in population was far less than the increase reflected in the above figures.

The problem of disposal has been investigated and discussed by the State Legislature, State Agencies, Metropolitan Planning Groups, County, and local municipalities. We have entertained numerous proposals and, sad to say, none have come to fruition. We will continue to investigate all possibilities.

The Department also runs a clean-up collection in the Fall and Spring which gives the residents a chance to eliminate furniture and other household material which has no useful life. Metal goods collected during the two clean-up periods are disposed of as junk with the proceeds from this sale going to the Town's treasury. In 1971 the proceeds amounted to \$1,109.55.

ENGINEERING

The Engineering Division, under the control of the Town Engineer, is responsible for the planning and design of the maintenance and enlargement of the Town water, sewer and drain systems in addition to the construction and maintenance design of the Town roads. Easement surveys were made for water, sewer and drainage projects and plans were drawn up for recording at the Registry of Deeds. The Division also provides all cost estimates on such matters as street construction for acceptance, sewer and water main extensions, sidewalk construction and numerous other items requiring estimates during the year. The above work is supplemented by such functions as establishment of street lines, inspection of houses before blasting, various traffic surveys and the makeup of specifications for all jobs and equipment put out for bid by the Department.

This Division also extends a courtesy to the Planning Board by reviewing the engineering street layouts of subdivision plans submitted to that Board

and by recommending the monetary sum that is used by the Planning Board to determine the necessary bond. All street construction work done by private contractors in subdivisions is also supervised by the Engineering Division, and it is on the satisfactory completion of this work that bonds are released.

ADMINISTRATIVE STAFF

The work of the office staff grows with each passing year because of the enlargement of the facilities and services provided by the Department. A greater portion of the work consists of preparing contracts, computing weekly payrolls and bill warrants, computing and mailing approximately 11,000 water bills annually, typing of letters, reports and other correspondence, purchasing of necessary materials, maintaining various cost records, etc. The procurement of additional filing cabinets was necessary this year due to the increase in the volume of records being maintained in the Public Works office.

I would like to express my appreciation to the Recreation Committee for formulating and carrying out through their Directors a very diversified program which was received enthusiastically by the children who participated. I would also like to thank the School Committee and Mr. Daniel Hogan, Superintendent for their cooperation in allowing the use of the school facilities for such purposes as the recreation program, Saturday activities, ice skating areas, etc. Without their cooperation many of the activities would have been severely curtailed.

During the year the Department suffered the loss of Mr. Russ Amari, through his untimely death. Russ was a most popular and congenial employee whose loss was felt dearly by the Department and his friends.

Also during the year Mr. James Bent and Mr. Alexander Cumming retired from the Department after many years of devoted service. Again, the Department cannot help but feel the loss of these men in the ensuing years.

I would also like to thank all those who have aided and assisted us throughout the year, especially the members of the Board of Public Works, and the Town Departments, without whose cooperation the work would have been more severe and certainly less productive.

My personal thanks are extended to the personnel of the Public Works Department for their willingness and support in all functions.

Respectfully submitted,

William J. Reid, Jr.
Superintendent

Report Of The Board Of Health

REPORT OF LICENSES AND PERMITS ISSUED—1971

Licenses and permits issued by the Board of Health during the past year include:

Burial/ Removal permits	337
Funeral Directors Licenses	4
Milk: Pasteurization	1
Wholesale	16
Retail	48
Ice Cream: Manufacture of	1
Sale of	45
Oleomargarine: Sale of	26
Methyl Alcohol	10
Food Service Establishments	46
Mobile Food Servers	2
Caterers	6
Operating a Motel	1
Operating a Girl Scout Camp	1
Day Care Services for Children	5
Keeping Animals/ Fowl	7

Following is a summary of receipts paid the Town Treasurer as a result of Health sponsored programs and for fees collected from the above listed licenses and permits issued by the Board of Health:

Licenses and permits	\$455.00
Dog Clinic receipts	445.50
Dental Clinic receipts	1829.25
Immunization Clinics (8)	131.30

Total \$2861.05

Biologic products and diagnostic kits furnished the Board of Health by the State Department of Public Health were distributed to local doctors and to the New England Memorial Hospital upon their request.

There were 19 premature infants born of Stoneham parents in 1971. A premature infant is one weighing five and one-half pounds or less at birth. Parents of a premature infant may apply to the Board of Health for assistance in paying the hospital bill. Each case gets individual attention.

The annual Dog Clinic was held on March 12 and 13 with 297 canines receiving anti-rabic vaccine which will immunize them for a period of two

years. Chapter 140, Section 145B of the General Laws of the Commonwealth of Massachusetts states, in part, 'that all owners or keepers of dogs six months of age or older shall cause such dog to be vaccinated against rabies by a licensed veterinarian using a vaccine approved by the Department of Public Health'. There is a fine of not more than fifty dollars for violators of this section of Chapter 140.

COMMUNICABLE DISEASE REPORT

Following is a five year comparison of Communicable diseases that have been reported to the Board of Health:

	1971	1970	1969	1968	1967
Animal Bites	160	172	135	148	123
Chicken Pox	17	10	24	53	47
German Measles (Rubella)	8	8	5	7	2
Infectious Hepatitis	13	10	5	3	3
Measles	1	0	2	0	1
Meningitis	1	0	1	0	2
Mumps	60	6	19	18	15
Salmonella	1	5	26	8	6
Strep. Throat incl. Scarlet Fever	91	85	9	7	25
Tuberculosis	1	2	2	0	2
Whooping Cough	0	0	2	0	0
Other	1	0	0	0	0

Respectfully submitted,

Dorothea V. Flynn, Agent.

REPORT OF THE HEALTH OFFICER

I hereby submit my report for 1971.

The following number of inspections were made for cleanliness and sanitary conditions during the year 1971:

Restaurants and luncheonettes	519
Drug Stores	22
Ice Cream Manufacturers	12
Bakeries	24
Grocery and variety stores	253
Caterers	29
Mobil Food Servers	27
Home for the Aged	2

Nursing Homes	19
Commissaries	17
Motels	6
Swimming Pools	7
Kindergartens and Nurseries	28
Public and Private Schools	18
Milk Plants	5
Gas Stations for Alcohol licenses and for rest room cleanliness	77
Keeping Animals and Fowl	28
Riding Stables	5
Hospitals	9

During the year 1971 one New Food Service Establishment was licensed by the Board of Health: Anthony's Italian Specialties, 408 Main Street.

I receive and investigate complaints of cesspool and septic tank overflow; the illegal keeping of animals and fowl in restricted areas; odors from factories, brooks, drains, etc.; smoke and soot nuisances from factories and the burning of rubbish and garbage; rat, bat, squirrel, and pigeon complaints; unsanitary conditions in public places and in private homes; pollution of brooks; garbage complaints; dog bites; insufficient or no heat complaints and many others of health importance. I also supervise and work with the contractors on pest control.

In December I was notified of a fire at Andreas' Pizza, 498 Main Street which was extensively damaged. I supervised the discarding of all food products and kitchen utensils that were contaminated either by smoke, fire, or substances used to extinguish the fire.

On occasion I have requested and received the cooperation and assistance of the Fire and Police Departments, the Building, Wire, Plumbing and Gas Inspectors as well as the Superintendent and engineers of the Public Works Department on health related matters.

In conclusion, I would like to thank the Board of Health personnel and various Town Officials who have aided me in the past year. And thanks to you townspeople of Stoneham for your fine cooperation.

Respectfully submitted,

Frederick F. Mosley, Health Officer

REPORT OF THE DENTAL HYGIENIST

The following report is hereby submitted for the period beginning January 1, 1971 and ending December 31, 1971.

The year's dental work involved the following:

Examinations	2478
Children requiring little or no dental care	2138
Children in need of immediate dental care	340
Children taken to Forsyth for cleaning	840
Children who received a fluoride application in addition to a cleaning at Forsyth	706
Children who received a fluoride application and cleaning at Town Hall Dental clinic	186
Children treated by the Board of Health Dentist, Dr. John V. Smallcomb	26
Work done at Dr. Smallcomb's office consisted of the following:	
Examinations	26
Bite-wing X-ray	35
Periapical X-rays	5
Oral prophylaxes	12
Fluoride applications	3
Amalgum fillings	78
Zinc Oxide fillings	18
Zinc Oxide Amalgum fillings	13
Dycal Amalgum fillings	2
Adaptic fillings	18
Dycal adaptic fillings	4
Extractions	24

The Dental Hygienist performs the following duties:

1. Examines the teeth of each school child in grades 1 through 6.
2. Notes all cavities or any other oral defects.
3. Notifies parents when excessive cavities are present.
4. Confers with parents in the home regarding dental care for the child, and assists in arranging for correction when possible.
5. Transports children to and from the dental clinic and the dentist's office.
6. Acquaints all children with good dental health measures, such as brushing technique and regular dental visits.
7. Keeps accurate records of daily work, financial transactions and appointments.
8. Attends in-service training programs for public health hygienists.
9. Acquaints parents of pre-school children with the dental program at the school registration—orientation meetings.

At the end of my first complete school year I can see a great improvement in the dental health of the children.

Parents, the School Department, and Students have whole-heartedly cooperated in carrying out a most worthwhile dental program.

Respectfully submitted,

Gail A. Scarpello, R.D.H.

NURSES REPORT 1971

1971 was a real busy year. We had our share of ups and downs and unexpected problems.

The first three months were devoted to the T.B. Tine testing program in all Stoneham Schools. 1600 pupils, grades 1-4-7 and 11, are tested annually with the full cooperation of the Department of Education and the nursing staff in all schools. After screening the twenty-two reactors are retested and those remaining positive are x-rayed and placed under care. Some of this follow-up runs into the summer months.

Mrs. Robert (Jean) O'Melia, R.N. and Mrs. Robert (Mildred) Tufts, nurses clerk, our girls "Friday", were both accredited this year by the Division of Maternal and Child Health for both Vision and Audio testing. They spent several months in orientation at St. Patrick school this spring.

John Danis, M.D., gave physical examinations to all those pupils at St. Patrick school that had not been examined in the past three years. (175).

Dr. Danis also gives the shots at all our immunization clinics held eight times early. The innoculations are given to infants, pre-schoolers and those in need of booster. Vaccines available are polio, D.P.T., Measles and German Measles (Rubella).

In addition, Dr. Danis is our medical consultant, as the need arises. He is always available and a willing member of the Health team.

Mental Health conferences are held each week at school. We are in constant touch with Eastern Middlesex Mental Health Association and the three man team assigned to Stoneham. Although it started out as a child guidance center in 1961 we can see a great change in the centers role in our community. More adults are being seen than children. They have remained flexible to meet the growing needs of all five communities. The services are extended to individuals, groups, day care, retarded, drugs, alcoholism, elderly, etc. We would, indeed, be crippled in our daily work without the services of the center. To a man, this staff has been most helpful and has become a vital part of our towns health structure.

Vision and Audio testing was done at the Seventh Day Adventist and St. Patrick schools with all the resultant retesting and notices to parents, M.D.'s. and follow-up work.

There has been a marked increase in Hepatitis this year. Some of the increase may be due to drugs but we have found the cause to be a result of our very mobile population. With the increase of inter-state and inter-national travel people are eating and sleeping in places and under conditions they would not patronize at home.

The past year we have been called upon by families and / or neighbors to help with the neglected elderly living alone. This is never an easy task or decision for anyone to make. Oftentimes the need is merely for an outsider to enter the scene to evaluate and co-ordinate all the diverse efforts of all involved to see that the person obtains the proper and individual care needed.

This year we have had very productive co-work with the Society for the Prevention of Cruelty to Children and the Division of Child Guardianship. Their roles have changed from punitive to prevention and they are doing a fine job in this area.

In April a group of service organizations banded together to start the Stoneham Community Council. This group, to date, is not structured but meets to explain and discuss how their particular service may be utilized. At the meetings there is always ample time for a one-to-one conference if the need arises. This has helped to keep a duplication of efforts to a minimum. There is a great deal of give and take in ideas and thus far seems to be very healthy.

We are constantly making home visits for various reasons. For instance, all communicable diseases, child and adult health, birth defects, premature infants to name a few.

There were two cases of reportable T.B. this past year. Both under care at Middlesex County Sanitorium.

Almost constantly there is the ever present inter-agency communication with telephone calls, meetings, conferences, lectures, films, and courses. All of this helps us to try to keep informed and current with health problems and new trends.

In December we started a new program of Vision and Audio screening in the nursery schools. We are hoping to be able to continue this on a yearly basis. This has been more difficult and a slower process than we had anticipated. There is much to be learned working with this age group and I am proud of my co-workers response to the challenge.

In the very near future I would like to see some type of Health Supervision program set up for our senior citizens in Stoneham.

At this time I would like to express my sincere thanks to one and all in the various departments and agencies for their cooperation in 1971. Very special thanks to the Board of Health members and staff for their cooperation and willingness on each and every occasion.

Respectfully submitted,

Katherine L. Kenny, R.N.

Report Of The Department Of Veteran Services

Board of Selectmen
Town of Stoneham, Mass. 02180

Ladies and Gentlemen:

At the Annual Town Meeting in March the sum of \$94,000.00 was appropriated for Veterans Benefits.

An additional \$20,000.00 was voted at the Special Town Meeting of November 15th for a total of \$114,000.00

This money was used for the following catagories of assistance as established by the State Commissioner of Veterans Services:

Ordinary Benefits, Fuel, Nursing Homes, Doctors, Fuel, Medications, Hospitals, Dental and Miscellaneous.

The typical case aided by this office is still the one where there is a severe illness to the head of the family. Our budgets are computed for the whole family not just the individual veteran. Such cases receive "Ordinary Benefits" which provides for food, rent, clothing, utilities, house supplies, personal needs, insurance and Blue Cross payments on occasion and "Fuel". There may be call for whole or partial medical assistance. In most instances the medical needs of the minor children will be covered by Medicaid. From the budget, income within the family units from all sources, such as wages, V.A. Compensation and Pension, unemployment compensation and sick benefits, retirement allowance or social security is deducted. Such benefits are disbursed by a weekly or monthly check from the Town Treasurer's office. Where need is shown, other medical services, including Doctor's calls, hospitalization and medicine are provided. These are paid for to the suppliers on approved bill forms through the Treasurer's office.

We have seen a substantial reduction in our Nursing Home Care this year due to cases of persons over 65 years of age being eligible for Medicaid, the State financed medical program.

Hospital rates are determined by the State Department of Hospital costs. Most of the cases we have do not meet the Medicaid requirements as to age and permanent disability.

All hospital bills are submitted to us on an "interim" basis, i.e. they are subject to a review as to cost at a future date and any increase is assessed against the Veterans Benefits appropriation. We cannot anticipate the time

this will happen or what the amount will be. The Department of Hospital Costs also determine the rate to be paid to Nursing Home.

All budgets are prepared in accordance with a schedule determined by the Commissioner of Veterans Services and all our cases are investigated by home visits and office checks, by his office in addition to our own review of the family's situation and resources.

This year for the first time we have had a substantial increase in cases due to unemployment. Usually this involves only "Ordinary Benefits" and "Fuel" as a supplement to unemployment Compensation. This is available only after savings and other resources are used up. Due to the current situation we have received application's in this catagory every week.

There has been a heavy increase in our "Veterans Services" work. We have had many Viet Nam Veterans returning home, with an increase in applications for schooling, compensation, dental and other medical benefits. These Veterans are also beginning to feel the need for housing and job opportunities.

As there are many Veterans now approaching retirement age there has been a great increase in pension applications of both Veterans and Widows of Veterans. We also devote much more time in assisting them in filing report forms and with applications for exemptions.

We estimate that as much as 75 percent of our time is given to Veterans Services.

For this work we are in every day contact with the Veterans Administration (who also provides several seminars each year on the changing Veterans Laws and procedures); at our services office in the J.F. Kennedy Federal Bldg; the state employment office, the Massachusetts Rehabilitation Commission; the Red Cross (relative to men currently in the armed forces) and Social Security as well as Selective Service and Civil Service.

I wish to make particular acknowledgement of the help of Mrs. Gertrude Hamill. She is now beginning her eleventh year as the Veterans Services Clerk, a position which requires so much tactfulness, understanding and confidentiality in dealing with the people who are seeking advise and assistance.

Respectfully submitted,

William L. Curran
Director of Veterans Services
Veterans Agent

Report Of The Town Counsel

In addition to the processing of the foregoing litigation, this office has carried on the numerous legal necessities relevant to a municipal corporation which has yearly expenditures in excess of \$8,000,000. These undertakings are too voluminous to itemize, but their number and complexity make very apparent the void that was created upon the retirement of Winthrop McCarthy and the absolute necessity for a full time administrative officer to coordinate the activities of the town.

As in the past years, the cooperation of my co-workers has been exemplary for which I would like to express my sincere gratitude.

Thomas M. Leahy
Town Counsel

Annual Report Of The Personnel Board

To the Honorable Board of Selectmen:

The Annual Report of the Personnel Board is herewith submitted:

Under Article XI of the Town By-Laws, it is the duty of the Personnel Board to annually review all Salary Wage rates and Classifications and recommend to the Town any action it deems necessary to maintain a fair and equitable plan. Under rules of procedure set by the Board, letters were written to all department heads inviting them to appear before the Board to discuss any proposed adjustments to the Plan.

Because the three-year plan previously in effect expired the Personnel Board recommended a one-year adjustment to the Plan.

Due to business pressures the resignations of Messrs. Stoney, Flynn and Rushing were accepted with regret. The Board of Selectmen appointed Messrs. O'Neil, Prevett and Burns to fill their places.

Mr. R. Paul Rotondi, Chrm.
Mr. Robert P. Chase, Sec.
Mr. Robert F. O'Neil
Dr. Peter D. Prevett
Mr. John F. Burns

Report Of The Stoneham Youth Commission

A manadatory act by the State Legislature prompted the Stoneham Youth Commission to be appointed in April, 1970. The present Board consists of five members, with two new appointments pending.

Youth Commission being a new concept in our town, initially much time and effort was expended in determining the most efficient and constructive direction to be pursued. After innumerable surveys of youth programs in both neighboring and distant towns and cities, the following course of action was chosen and is being enacted:

The establishment of a Youth Commission office, with a salaried full-time director to act as a coordinator of community youth activities under the supervision of the Youth Commission. Included will be the supplementing and implementing of programs where necessary. Special efforts will be made to reach the segment of youth who do not participate in regular programs. Hopefully, a rapport will be developed between the youth and the director. Established town agencies, church councils, community groups, the School Department - each and every one dealing with youth activity will be contacted and invited not only to suggest areas of development, but to detail their respective youth activities so that the Youth Commission serves as a central logging and clearing house for all youth special-interest programs. Inception of this service would provide groups or agencies help in scheduling activities to eliminate overlap and duplication of programs.

Many services will be created as time progresses and needs arise.

In the Spring of 1971, the problem of job scarcity for teens in the forthcoming summer, as well as need for a summer gym program, was recognized. With the cooperation of the School Department, in conjunction with the Work Placement Office, the Youth Commission sponsored and operated "A Summertime Employment Program for Students," (STEPS) and a summer gym program.

STEPS, staffed by five highschool seniors, contacted approximately 300 employers in Stoneham as well as surrounding areas with the objective of finding and developing the maximum number of summer jobs for local students. Seventy to eighty positions were attained, including handymen and babysitting positions, to which were referred qualified applicants. Youth employment referral will be continued as a regular project of the Youth Commission Office.

The summer gym program operated from July 5 to August 22, Mondays through Saturdays, 7:30 p.m. to 11:00 p.m., in the Senior High School gym, under the direction of three qualified staff members. Activity was flexible,

with basketball, volleyball, floor hockey, and ping-pong predominating. Average attendance was 30-40 per evening, with ages ranging from elementary to senior high level. Youth Commission proposes the continuance and extension of such recreational programs.

Application, with complete proposed budget, was submitted to the Delinquency Prevention Unit of the Department of Youth Services for state funding of local youth programs. Initially, Stoneham was accepted, but due to legislative slashing of state departmental budgets, Stoneham was eliminated as monies were allocated to towns and cities with existing programs. Future consultations with state agencies are in the offing.

Youth Commission thanks the Board of Selectmen, the School Committee and School Administrators, for their cooperation in the past year. It is our hope that all will unite with us in our effort to ascertain the needs and problems of Stoneham youth, and take the action necessary to promote the mental, physical and social growth of the youth.

Respectfully submitted,

Rita Covelle, Acting Chairman
Robert Ellis
Charles Flahive
Steven Sloss
Rev. Forrest White

Annual Report Of The Computer Study Commission

To the Citizens of the Town of Stoneham:

The following report of the Computer Study Commission is hereby submitted for the year ended December 31, 1971.

The Commission was created by appointment of the Board of Selectmen on April 22, 1971 to study the computer requirements of the Town of Stoneham and to determine the feasibility of utilizing the IBM 1130 computer system presently leased and operated by the school department to meet these requirements.

The Commission has held regular meetings during the course of the year. Mrs. Sheila Barry was elected to the chairmanship by members Mr. Charles Adams, Miss Cheryl McColgan, Mr. Richard Perault and Dr. Geza Szonyi.

In October a vacancy was created because Dr. Szonyi moved from Stoneham. The Commission submitted the name of Mr. Robert Dirkman to

the Board of Selectmen for appointment to the Commission. Mr. Dirkman is now a member of the Commission.

In response to Commission requests, representatives of various Town departments have met with the Commission to discuss possible usage of a computer in their departments. These include, Mr. Stephen Szabo, Jr. Town Accountant, Mr. David Brown of the Assessors Office, Mrs. Dorothea Flynn and Mr. Harrison Hyer of the Board of Health, Mrs. Pearl Mayman and Betty Garbarino of the Library and, Mr. William Hoyt, Mr. Frank Matarese and Mr. Thomas Mullins of the School Department. Further information may be required.

Some Town representatives are still to be contacted, while still others have been contacted and offered no response. Information will be requested of both.

The Commission has also met with representatives of computer companies to obtain costs and performance data on the available computer systems which meet the Town requirements. To date these include Honeywell and Univac. Plans for the future include invitations to additional companies to respond on their capabilities.

When necessary information and data has been assembled the recommendations of the Commission will be made to the Board of Selectmen.

Respectfully Submitted,

Sheila Barry, Chairman
Charles Adams
Robert Dirkman
Cheryl A. McColgan
Richard Perault

Annual Report Of The Collective Bargaining Agents

To the Honorable Board of Selectmen:

The Annual Report of the Collective Bargaining Agents is herewith submitted:

In accordance with the General Laws of the Comm. of Mass., the Agents held bargaining sessions during the year with negotiating committees of the Police Association and the Public Works Employees Association.

After much deliberation a contract was signed effective through December 31, 1971 with each Association.

In September negotiation began again for a contract for 1972.

During the year, due to business pressures, Messrs. Stoney, Rushing, Keleher and Flynn resigned. The Board of Selectmen appointed Messrs. O'Neil, Burns, Prevett and Silverman to fill their places.

Mr. R. Paul Rotondi, Chrm.
Mr. Robert F. O'Neil
Mr. John F. Burns
Dr. Peter D. Prevett
Mr. Norman S. Silverman

Report Of The Town Accountant

Honorable Board of Selectmen
Town of Stoneham
Stoneham, Massachusetts

Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1971 as set forth in the following schedules:

Balance Sheet showing the financial condition of the Town of Stoneham as December 31, 1971.

Receipts and expenditures summarized for the calendar year 1971.

Schedule of appropriations, other credits, expenditures, transfers to the Surplus Revenue Account and balances carried forward to 1972.

Analysis of the Excess and Deficiency Account, Available Water Surplus Account, Sale of Lots and Graves Fund, Sale of Real Estate Fund, and State Aid to Public Library.

Schedule of Maturing Debt showing payments due each year and including the Borrowing Capacity of the Town as of January 1, 1972.

Balance Sheet of Deferred and Suspended Revenue Accounts as of December 31, 1971.

Analysis of Trust Fund Accounts, Stabilization Fund, Contributory Retirement System and the Finance and Advisory Board Reserve Fund as of December 31, 1971.

May I take this opportunity to thank all the department heads and officers of the Town for their assistance and cooperation during the past year.

Very truly yours,

STEPHEN J. SZABO, JR.
TOWN ACCOUNTANT

TOWN OF STONEHAM

Warrant For Annual Town Meeting

Monday, March 6, 1972

To either of the Constables of the Town of Stoneham in the County of Middlesex,

GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 6, 1972 at six o'clock in the forenoon to act on the following articles of this warrant:

ARTICLE 1. To choose the following officers, and to consider the following questions:

One (1) Moderator for one (1) year.

One (1) Selectman for three (3) years.

One (1) Assessor for three (3) years.

Two (2) members of the School Committee for three (3) years.

One (1) member of the Board of Health for three (3) years.

Two (2) Trustees of the Public Library for three (3) years.

One (1) member of the Board of Public Works for three (3) years.

One (1) member of the Planning Board for five (5) years.

“Shall licenses be granted in this Town for the operation, holding or conducting a game commonly called beano?”

YES

NO

“Shall this Town approve the new charter recommended by the Charter Commission, summarized below?”

YES

NO

“Upon approval by the voters, this charter will become effective on July 1, 1972. The charter proposes an open town meeting-Board of Selectmen-Town Manager form of government, and it makes the Town Manager responsible for general administration, budgetary procedures, public works, public safety, and personnel.”

“The annual town election will take place in April, and two regularly scheduled town meetings are provided for, one in April and one in October.”

For consideration of the following articles the meeting shall be ad-

journed to meet in the Junior High School at 7:30 o'clock in the evening of March 13, 1972, in accordance with provisions of Article 1, Section 2 of the By-Laws of the Town of Stoneham.

ARTICLE 2.

To choose all other necessary town officers for the year ensuing in such manner as the town may determine.

TOWN ACCOUNTANT

ARTICLE 3.

To hear the reports of the town officers and committees and act thereon and to choose committees.

TOWN ACCOUNTANT

ARTICLE 4.

To see if the town will vote to fix the salaries of the several elective officers and boards of the town for the current year.

TOWN ACCOUNTANT

ARTICLE 5.

To see if the Town will vote to amend Article XI of the By-Laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by deleting in its entirety, subsection (j) Veterans' Services, under Section 13, and inserting in place thereof the following:

(j) Director of Veterans' Affairs and Veteran's Agent. General Statement of Duties: Plan, organize and direct the work of the Veterans' Services in accordance with the laws and established rules and also to supervise the employees and to direct and administer the fiscal program of the Department. Process applications for assistance from needy veterans and their dependents; home visits to determine living conditions and financial need, collect information relative to discharge, vital records, facts relating to residence, checking with insurance companies, banks, employers, physicians, police records, and other sources to determine eligibility for assistance; determine legal settlements; prepare budgets of family needs and disburse assistance as circumstances justify, in accordance with provisions of Chapter 115 of the General Laws of the Commonwealth and the Directives of the Commissioner of Veterans' Services. Furnish information, advice and assistance to veterans as may be necessary to enable them to obtain the benefits to which they are entitled relative to

employment, vocational or other educational opportunities, medical care, hospitalization, compensation, pensions and other veterans' benefits.

PERSONNEL BOARD

ARTICLE 6.

To see if the Town will vote to amend Article XI of the By-Laws of the Town of Stoneham entitled "Wage, Salary and Classification Plan", by striking out, under Section 13, paragraph (1), the last four words "and the Assessors' office" and inserting thereafter a new paragraph, as follows:

(a-1) Assistant Assessor. General Statement of Duties: Under the general direction of the Board of Assessors, to gather necessary information (i.e. measuring, listing, etc.) to appraise Real and Personal Property for tax purposes; to have responsible charge of the administration of the details of the work of the Stoneham Board of Assessors; to attend all meetings of the Board and to perform related work as required. Qualifications: Must be a High School graduate and preferably a College graduate. Shall hold one or more of the following professional designations: Member of Appraisal Institute (MAI), Society of Real Estate Appraisers (SRA), Certified Assessing Examiner (CAE), Certified Massachusetts Assessor (CMA), or shall have qualified as an expert Real Estate Witness before the Superior Court of Tax Appellate Court of the Commonwealth of Massachusetts. He may qualify for the position by virtue of past training and experience of no less than five years in Assessing or Appraising work.

PERSONNEL BOARD

ARTICLE 7.

To see if the Town will vote to amend Article XI of the By-Laws of the Town of Stoneham entitled "Wage, Salary and Classification Plan", by striking out in its entirety paragraph (3), under Section 13, subsection (e), and inserting in place thereof the following:

(3) Director of Health/Sanitarian. General Statement of Duties: Under the direction of the Board of Health to be responsible for securing compliance with the General Laws of the Commonwealth and the By-Laws and regulations of the Town concerning all matters relating to public health. He shall be qualified by education and/or experience to administer and supervise all Board of Health Employees; plan and implement programs in health education, environmental sanitation, conservation and protection; enforce all applicable rules and regulations relating to food, housing, nuisance, sewage, solid waste disposal, and radiation protection; record and maintain all vital and health statistics; periodically issue all pertinent licenses and permits; keep and maintain all departmental records, payrolls, bills, requisitions, etc., necessary for efficient, responsible operation.

Licensed sanitarian by the Commonwealth of Massachusetts, or having at least five (5) years experience in Health Department work and qualified in all branches of health sanitation and whose duties are numerous. Inspections for cleanliness and sanitary ice cream manufacturers, bakeries, grocery and variety stores, bottling concerns, candy manufacturers, fish and meat markets, roadside stands, laundries, Home for the Aged, nursing homes, hospitals, Girl Scout camps, motels, jail cells, swimming pools (public and private), kindergartens and nursery schools, barber shops and beauty parlors, milk plants, gas stations for Methyl Alcohol licenses and public toilet cleanliness, factories, public toilets, apartment houses, etc. and to see that all are properly licensed that are required to be. Investigate complaints consisting of cesspools and septic tanks overflowing, keeping of rabbits, horses and chickens and roosters in restricted areas; odors from factories, brooks, drains, oils, etc., smoke and soot nuisances from factories, burning of trash, garbage and other articles and unsanitary conditions in public places and homes. Garbage complaints and dog bites. Qualified to take solid and percolation tests in preparing a sanitary system. Help to plan sanitary systems in proper area of developments according to the regulations of the State, Town, F.H.A. and Veterans' Housing, and to inspect the same before final covering. Also inspect all sewer connections. Work with the men from Airborne Sprayers on insect and mosquito control and with the Safety Fumigant Company on rodent control.

PERSONNEL BOARD

ARTICLE 8

To see if the Town will vote to amend Article XI of the By-Laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by adding to Section 13, subsection (k) paragraphs (1), (2), and (3), as follows:

(k) Unicorn Recreational Area

(1) Golf Course Superintendent. General Statement of Duties: Under general direction of the Unicorn Golf Course Committee to be responsible for the management, maintainance and all other duties relating to the Golf Course. He shall be a graduate of an accredited school of horticulture, agriculture or agronomy with at least an Associate's degree, or equivalency, or he may qualify for this position by virtue of his past training and experience. Said experience to consist of no less than three years full time employment as an assistant golf superintendent at a recognized golf course.

(2) Golf Course Laborer I. Under the general direction of the Golf Course Superintendent, a workman possessing the experience and ability to do work requiring skilled journeyman techniques; being able to work with special tools or equipment, and requiring special skill and experience for the upkeep, maintenance and operation of a golf course. He may be required, under the direction of the superintendent, to supervise temporary golf course employees.

(3) Golf Professional. General Statement of Duties: Under general direction of the Unicorn Golf Course Committee to promote the game through public and personal relations, to give lessons, arrange tournaments, supervise starting procedures, maintain and operate concessions and facilities as mutually agreed upon and perform such other duties as may be required by the Unicorn Golf Course Committee. He shall be a member in good standing of the Professional Golfers Association.

FINANCE AND ADVISORY BOARD

ARTICLE 15.

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1972 and January 1, 1973, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

BOARD OF SELECTMEN

ARTICLE 16.

To see whether the Town will vote to amend the Zoning By-Law by adding to the present limits of the retail business districts as heretofore defined and set forth, so as to include in the retail business districts the following described area:

A certain parcel of land situated in Stoneham in the County of Middlesex and said Commonwealth, bounded and described as follows:

Southerly by the northerly line of West Wyoming Avenue, ninety-seven and 47/100 feet;

Southwesterly by the northeasterly line forming the junction of said West Wyoming Avenue and Lynn Fells Parkway, thirty-five and 24 100 feet;

Westerly by the easterly line of said Lynn Fells Parkway, one hundred forty-four and 90/100 feet;

Northerly by lot 1 as shown on plan hereinafter mentioned and by land now or formerly of Walker's Realty Inc., one hundred eighty-three and 51/100 feet; and

Southeasterly by land now or formerly of R. Theodore Bless et al, one hundred eighty-five and 70/100 feet.

Said parcel is shown as lot 2 on said plan, (Plan No. 34101A). All of said boundaries are determined by the Court to be located as shown on a plan, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 744, Page 29, with Certificate 122779.

The above described land is subject to a building line restriction, approximately shown on said plan, as set forth in a grant made by Mathilda E. Stantial to Charles A. Walker, dated October 6, 1923, duly recorded in Book 4664, Page 130.

The above described land is also subject to a pole line easement, approximately shown as set forth in a Lease and Easement given by Nellie C. Walker et al to The Edison Electric Illuminating Company and the New England Telephone and Telegraph Company, dated October 16, 1935, duly recorded in Book 5989, Page 505.

BARBARA A. STERNER
and
Eleven Others

ARTICLE 17.

To see if the Town will vote to amend the Zoning By-Laws by adding to Article 1, Section 1A the following paragraph:

Public indoor and outdoor recreation uses devoted or related to court games, golf, skating, or swimming are permitted provided that any structure used for this purpose shall be located a minimum of fifty (50) feet from all side and rear lot lines that adjoin land as distinguished from water areas.

BUILDING INSPECTOR

ARTICLE 18.

To see if the Town will vote to amend the Zoning By-Laws by adding to Section 12B of Article 1, the following:

9. For a stadium or arena, one parking space for each of the following:

1. For every four (4) seats.
2. For every eighty (80) inches of permanent bleacher or bench sitting space.
3. For each twenty (20) square feet of area without permanent seating facilities, devoted regularly to such assembly.

However, provisions shall be made that at least eighty (80) percent of the aforementioned parking requirement shall be paved.

BUILDING INSPECTOR

ARTICLE 19.

To see if the Town will vote to raise and appropriate a sum of money for the purpose of engaging an architect to prepare preliminary architectural drawings, and such engineering and Library Services as may be required for the future construction of a Library Building to be located on land formerly known as the Old Armory, and located at the corner of Main Street and Flint Avenue. Determine in what manner the said appropriation shall be raised, by transfer from available funds, from taxation, by borrowing, by sale of bonds, notes or otherwise, pass any vote or votes which the Town deems necessary for the purpose required in the Article, or do anything in relation thereto.

BOARD OF TRUSTEES OF
STONEHAM PUBLIC LIBRARY

ARTICLE 20.

To see if the Town will direct the Moderator to appoint a Committee of five (5), at least one member to be a member of the Board of Library Trustees, which Committee shall have all the powers and all the duties necessary to carry out all votes under the Warrant of this meeting or subsequent meetings concerning the Library Building referred to in the previous Article, including the acceptance of the necessary architectural drawings as voted under this Warrant and to enter into all lawful contracts or agreements on behalf of the Town to accomplish said votes, or do anything in relation thereto.

**BOARD OF TRUSTEES OF
STONEHAM PUBLIC LIBRARY**

ARTICLE 21.

To see if the Town will vote to authorize the Assessors to enter into a contract for an expert appraisal of the taxable property within the town as provided under Section 4 of Chapter 40, of the General Laws, as amended by Chapter 63 of the Acts of 1966, and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds or by borrowing as provided under the provisions of Section 7 of Chapter 44 of the General Laws, as amended by Chapter 63 of the Acts of 1966.

BOARD OF ASSESSORS

ARTICLE 22.

To see if the Town will vote to raise and appropriate a sum of money to assist in defraying the cost of operating the Stoneham Historical Society, 36 William Street, which studies, collects and preserves articles and maintains historical records pertaining to the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

STONEHAM HISTORICAL SOCIETY

ARTICLE 23

To see if the Town will vote to raise and appropriate a sum of money for the purpose of remodeling and or altering the building presently used by the Stoneham Police Department so as to enable said building to be used in connection with the various town departments, boards, or committees upon the vacating of the premises by the Police Department, and that said appropriation be expended under the authority of the Board of Selectmen. Determine in what manner the appropriation shall be raised, by transfer

from available funds, by taxation, by borrowing, or any combination thereof, or do anything in relation thereto.

BOARD OF SELECTMEN

ARTICLE 24.

To see if the Town will vote to amend the Zoning By-Laws by deleting Section 18 of Article 1 and inserting in lieu thereof the following Section 18. Site Plan Approval:

1. In all classes of zoning districts, no buildings, or any building accessory thereto, intended to be used for residential purposes by three families or more shall be constructed or externally enlarged, or established in a building not theretofore used for such occupancy, and no commercial buildings shall be constructed or externally enlarged, and no commercial use shall be expanded in ground area or established in an existing building not theretofore used for commercial purposes except in conformity with a detailed topographical site plan bearing an endorsement of approval by the Board of Selectmen. Said Site Plan shall show, among other things, all existing and proposed buildings, structures, parking spaces, loading areas, driveway openings, driveways, service areas, and other open uses, all facilities for sewerage, refuse and other waste disposal and for surface water drainage, and all landscape features (such as walks, fences, walls, planting areas and greenbelts) on the lot.

2. Definitions applicable to Site Plans:

For the purposes of this Section 18, the following uses shall be considered as commercial purposes and all buildings designed, arranged or constructed for, or occupied by, one or more of such uses shall be considered as commercial buildings:

Any of the uses allowed by the zoning by-law as a matter of right or permissible on a special permit in a non-residential zone but not allowed or permitted in a residential zone except the following uses allowed in a residential zone:

A. Telephone office.

B. Farm, stock farm, truck garden, nursery or greenhouse upon which items are produced for the purpose of sale, including salesrooms for the sale of such products raised in or upon any of them.

C. Riding stable, riding school, or the boarding or keeping of horses for rental purposes.

3. Procedure for approval:

Any applicant desiring approval of a site plan under this section shall submit said plan with five (5) copies, with application for approval thereof directly to the Board of Selectmen.

In exercising its jurisdiction under this section, the Board shall conform to all applicable requirements of procedure for the approval of sub-division plans under the provisions of Chapter 41 of the General Laws, including, but not limited to, public notice and hearing.

The Board of Selectmen may in any particular case, where such action is in the public interest, and not inconsistent with the intent and purposes of the Site Plan requirements, waive strict compliance with its rules relative to Site Plan Approval.

4. General Conditions for Approval:

In considering a site plan under this section, the Board of Selectmen shall assure, to a degree consistent with a reasonable use of the site for the purposes permitted or permissible by the regulations of the district in which located:

a. Protection of adjoining premises against detrimental or offensive uses on the site.

b. Convenience and safety of vehicular and pedestrian movement within the site, and in relation to adjacent streets, property or improvements.

c. Adequacy of the methods of disposal for sewage, refuse and other wastes resulting from the uses permitted or permissible on the site, and the methods of drainage for surface water.

d. Adequacy of space for the off-street loading and unloading of vehicles, goods, products, materials and equipment incidental to the normal operation of the establishment.

5. Authority of Board:

The Board of Selectmen shall have power to modify or amend its approval of a site plan on application of the owner, lessee, or mortgagee of the premises, or upon its own motion if such power is reserved by the Board in its original approval. All of the provisions of this Section applicable to approval shall, where apt, be applicable to such modification or amendment.

BOARD OF SELECTMEN

ARTICLE 25.

To see if the Town will vote to amend the Zoning By-law by adding subsection e. to Section 12B of Article 1 as follows:

(e) Abutting properties in Residence Districts shall be protected from light, as follows:

a. All illumination on parking lots must be shielded so as not to shine upon abutting properties in Residence Districts.

b. Properties in Residence Districts, other than the use served by the parking lot, which abut the parking lot shall be protected from headlight glare by either:

1. A strip at least four (4) feet wide, densely planted with shrubs or trees which are at least four (4) feet high at the time of planting and which are of a type that may be expected to form a year-round dense screen at least six (6) feet high within three (3) years, or

2. A wall, barrier, or fence of uniform appearance at least five (5) feet high, but not more than six (6) feet above finished grade. Such wall, barrier, or fence may be opaque or perforated, provided that not more than fifty (50) per cent of the face is open.

3. Such screening shall be maintained in good condition at all times, and shall not be permitted, except for trees, to exceed six (6) feet in height within required side yards. Such screening or barrier may be interrupted by normal entrances and exits.

To see if the Town will vote to direct the Board of Selectmen to appoint an Executive Secretary as provided for under the provisions of Chapter 41, Section 23A of the General Laws, or do anything in relation thereto.

BOARD OF SELECTMEN

And you are directed to have five hundred (500) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy of the said warrant to be published in a newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town CLerk at the time and place aforesaid.

Given unto our hands this 2nd day of Feb. in the year of Our Lord one thousand nine hundred and seventy-two.

Edmund J. Moreira
James A. McDonough
June M. McTaggart
Alice Fitzgibbon DelRossi
A. R. Symes

A true copy attest:
